V. Closing Items

A. Board of Director's Comments & Requests

Emily Allen asked to hear from the board regarding board training. Board members indicated that the training was informative.

Emily Allen is interested in revisiting the waiver for in person services. Since some counties have students returning to in classroom instruction, it seems to be equitable to let Clarksville students attend in person services, especially for special education students. Dr Johnson responded that they received new California Department of Public Health guidance in August and have consulted with legal and county health from each county. Student services have been prioritized based on guidance.

Emily Allen requests that the agenda contain the page number on which an item can be found in the packet.
