**III. Finance**

**A. Capitola Property**

2 presentations were made for brokers to sell the Capitola land that is currently up for sale:

- 1) Karah Jennings representing Lee and Associates
- 2) John Linden and William Aucoin representing Avison and Young

**C. Review of Updated 2017-18 Audit**

With regards to submitting the fiscal audit. We made the deadline for the State Board of Education but missed the deadline for the Office of Charter Schools.

Moving forward we need to look at our auditors with regards to performance as the auditor took too long which resulted in the delay.

**D. Monthly Budget Report**

Not discussed.

**E. 5500 Filing for Retirement Plan**

Our 401K program exceeded the cap last year. We were required by law to do a federal audit. The audit process took too long and as a result of this, they want to give us a fine of \$45,000.

Attorney Bowens has crafted a letter to ask to wave the penalty by giving a statement of reasonable cause. The board needs to make a vote on this letter.

We are currently making sure we are not late for this year and are working on both this year and last years audit.

**F. Motion to approve the letter statement of reasonable cause to the department of labor.**

M. Bennett made a motion to approve the letter statement of reasonable cause to the department of labor.

S. Foy-Watson seconded the motion.

The board **VOTED** unanimously to approve the motion.

**G. Parent Budget Request**

Dr. Tracy was asked by a group of parents to talk to the board about staffing and the possibility of hiring teachers assistants. The plan he presented is not fiscally viable now but can be implemented in the future if we can do it then. Dr. Tracy will get back to the parents who asked and tell them we discussed it but it's not viable at this time.

No vote was needed.

**IV. Governance**

**A. Annual Policy Review**

Not discussed at this time.

**B. Charter Renewal**

The submission for the charter renewal was submitted late as they changed the date and didn't notify us until it was late. The information was incorrect on the site. Dr. Tracy is working with them and it has now been submitted and it's good to go.

We discussed teachers certification with regards to teachers being certified for the area in what they teach.

**C. Closure Policy**

We spoke about the school's closure policy due to weather-related closures and whether we should still follow DPS school policy or do we want a different policy.

The administration would like it to be clarified so it's clear for the parents and the school. Moving forward we will stick with the policy to follow DPS for weather-related closures.

J. Hensler left.

**D. Board of Directors and PTSO**

Discussed working more closely with the PTSO.

**V. Executive Director Report**
