There were three insufficient audit findings, including teacher reviews, which Ms. Villegas discussed along with Kestrel's plan to address. Additionally, Kestrel received exceeds expectations in several areas.

C. Title I Parent & Family Engagement Policy and the School-Parent-Student Compact

Ms. Jackson discussed Kestrel's obligations as the first year of accepting federal Title I funds, which is a federally supported program that offers assistance to educationally and economic disadvantaged children to help ensure they receive an equitable, high-quality, well-rounded education. Title 1 recognizes that the involvement of the family is a significant component of a child's success; Ms. Jackson and Ms. Callahan shared Kestrel's plan to engage families and parents. The Board will have to sign off on this policy.

A. Davis made a motion to approve family and parent engagement policy for Title I program subject to board amendments.

S. McGarrah seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Accident and Medical Insurance Renewal

Ms. Buckholz provided an update on Kestrel's Accident and Medical Insurance renewal. She recommended that the school bundle its accident and medical insurance policies to save \$500 on the costs. Board members asked questions regarding the change, which Ms. Buckholz answered.

B. Paris made a motion to approve the new accident and medical insurance policy with Markel insurance company.

S. Foy-Watson seconded the motion.

The board **VOTED** unanimously to approve the motion.

E. Title IX Policies

Ms. Buckholz updated the board on our Title IX program, and she used a toolkit to modify policies that will ensure that Kestrel will be in compliance with Title IX requirements.

There are several policies that Ms. Buckholz would like the Board to review on bullying and harassment, grievances, and others that will need to be added to Kestrel's student and employee handbooks. The Board agreed to review the policies to vote on at a later date.

F. Fidelity Bond Requirement

Ms. Buckholz discussed the requirement of a fidelity bond that protects the assets of the organization from fraud. Ms. Buckholz is recommending that Kestrel acquire a fidelity bond for Kestrel to protect the assets of the organization. The options are: \$3,750 for a 3-year policy or \$1,500 for a 1-year policy. It would renew automatically.

level. He also noted that there was a parent survey and staff survey from the first week of school. Overall, parents and staff were fairly positive in their survey responses, and parents have noted that technology was more accessible at their homes than anticipated.

IV. Finance

A. Monthly Budget Report

Dr. Tracy has not received the monthly budget report from Charter School Partners. He will share at the next meeting once this information has been received.

B. Updated Budget based on Projected ADM

Dr. Tracy discussed that Kestrel will evaluate what an updated budget may look like with new ADM. The NC Legislature passed HB 1105 which has a "hold harmless" clause for school enrollment funding, which Attorney Bowens, Dr. Tracy and Ms. Villegas will review.

C. Bond Discussion

Mr. Paris discussed the work that the committee has completed on the bond process. There are four main parts that the Board needs to handle in the very near future, and Mr. Paris initiated a discussion about the role and powers of the subcommittee. The Board indicated that they were fine with the committee handling many of the tasks related to the RFP (e.g. identifying invitees, creating rubric for selection, evaluating invitees, develop recommendation for final Board approval) with Board input for major decisions. The Board asked that the committee communicate with the Board regularly to keep the non-committee members up-to-date on the committee's work.

The immediate work that needs to be done is: (1) develop an authentic scope of work by identifying what is needed in a new school; (2) pull together financials and enrollment

history; (3) identify financial partner; and (4) get information together for current leases, sales price and answer questions for Highmark.
