Renewal of Copy Machines

Ms. Buckholz shared that Kestrel has four copiers, and the lease has expired on two of them. She met with Konica-Minolta to determine the school's options. Ms. Buckholz learned that Kestrel can get new copiers with unlimited copies for a 48-month lease at a savings of almost \$200 per month or a 60-month lease at a savings of \$300 per month. The Board asked questions about the options for the lease and adding an additional color copier. The Board will revisit and vote on the issue in November after Ms. Buckholz gets additional information.

D. 2019-2020 Financial Audit

The process will be completely virtual and will not include a site visit given the COVID-19 pandemic. There will be interviews of Board members, teachers and scholars as part of the process.

E. Monthly Epi Center Report

Dr. Tracy shared the monthly Epicenter report. Epicenter is the compliance component that Kestrel works with for the NC Office of Charter Schools to submit information required by the State of NC. One document was late because there was a delay in receiving it from the State of NC; Kestrel is working to get this compliance issue resolved.

F. Kestrel Open Enrollment Period
