Enrollment remains steady at 489 with 18 pending for 2022-23. Marketing and social media campaign will kick off soon for outreach to new and returning families. Kestrel PTA is coordinating to advertise outreach events.

B. Hawks at Home Academy

Ms. Vargas reported on Hawks at Home Academy with 390 students enrolled in May. There were no changes and the program has concluded.

C. Facilities Sub Committee

Mr. Matthews provided a facilities update. Budget is in good shape, but construction is very far behind. BCCG provided the attached report.

B. End of Grade Testing (EOGs)

Ms. Villegas provided on the End of Grade Testing. She thanked Mr. Love and Ms. Callahan for their help with EOG and EOC testing. She noted that they were concerned that they wouldn't reach 95% with Hawks at Home Academy. However, Kestrel had 99% of students complete the tests. The iReady data did correlate with EOG scores.

Kestrel's scores were lower than hoped, but the administration team is waiting to see how other scores in the state scored. Further, the team will strategize on ways to improve the scores.

C. Teacher Working Conditions Survey (TWC)

Mr. Touchette shared Kestrel's teacher working conditions survey data, which is a survey required by the State of North Carolina. 100% of all teachers and staff completed the survey. Kestrel only had lower than the state average for one of the domains in the survey, which was "non-instructional time provided for teachers in my school is sufficient".

Kestrel showed marked improvement from 2020 to 2022 in the areas of teacher time (sufficient time for instruction), managing student conduct (faculty work in a school

environment that is safe), and teacher leadership (teachers encourage to participate in school leadership roles). There were areas of concern as well in safety (only 80% of teachers agreed that students are not bullied about their race) and teacher non-instructional time. Mr. Touchette noted that an additional 5 minutes are being added to teacher planning time and the school's Diversity and Inclusion Committee will continue their work on training staff. Additionally, teachers and staff will be empowered to examine curriculum options and weigh in on options when new curriculum is selected.
