II. Key Agenda Items & Presentations

A. Enrollment Report

Mrs. Vargas provided an enrollment update. As of March 2024, there were 379 students enrolled with 1 withdrawal for the month. For the 2024-25 school year, 379 scholars are returning and 81 new scholars have accepted spots for 460 students. Grades 3-6 are full, and Kestrel is still contacting interested families.

The Bloomwell Group continues to work with the school and noted that private school vouchers, lowers population growth and an increase in homeschooling has created enrollment challenges for all public schools (charters and traditional) in NC. The Board discussed these trends. Applications decreased year over year from 241 to 213, and Bloomwell is continuing to work on social media outreach as well as a kindergarten play date, Kestrel swag for new families and translation of materials into Spanish.

B. Updates from the Facilities and Development Sub Committees

Mrs. Davis, Mrs. McGarrah and Mr. Powe provided an update on the facilities and development work. The security system has been installed and training is complete; staff seems to be pleased with the new system and shared information on time savings, efficiency, and improvements in communication as a result.

Kestrel will hold a campus beautification event on April 27 to get families involved in school improvement and to help spread mulch and plant flowers. Our community partner, Aspida, is helping to pay for snacks and will provide volunteers.

The Board discussed the new US Department of Energy rules for applying for grants for school energy upgrades. The new process would require multiple charter schools to apply together for the grant. The Board discussed prospects and Mrs. Davis and Mrs. McGarrah shared information from the USDOE webinar.

III. Curriculum & Assessment

A. ELISS Grant Award

Mrs. Jackson shared that Kestrel received an ELISS grant award with a few other charter schools that will allow Kestrel to provide math and reading tutors for our grades 3-8 scholars. The grant will be used to pay tutors \$25 per hour. The Reaching All Minds Academy (RAM) is processing the grant for Kestrel and the partner charter schools.

B. Plan for EOG Summer Retest Program 2023-2024

Mrs. Villegas shared the plan to retest for students that do not reach proficient scores for their end of grade tests. Kestrel will offer these students the opportunity to attend an 8-day camp to get remedial support and retake the test. Kestrel teachers will be paid to provide instruction for the sessions that they teach.

D. Patterson made a motion to Approve the summer programs plan as presented by Mrs. Villegas.

D. Powe seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. School Culture Report

Mrs. Villegas presented the school culture report on behalf of Mr. Touchette. Kestrel experienced sustained progress in building the school culture through advisory lessons, the school store, and musical performances. Kestrel celebrated Women's History Month through core classes and activities. Mr. McKeiver and the band achieved a superior rating at the MPA performance. Attendance has been up slightly and office referrals have been down year over year.

IV. Operational Reports

A. Executive Director Report

Mrs. Jackson presented the Executive Director's report. Given the enrollment projections for the 2024-25 school year, Kestrel may need to pull back on adding a third 2nd grade classroom, so the administration will keep an eye on that data. All EpiCenter reports have been submitted on-time and with accuracy, which is important as the school's charter is up for renewal. All Office of Federal Programs reports and requirements have been completed and are on track.

B. Monthly Budget Report

Mrs. Jackson shared the monthly budget report. The Finance Committee had a good meeting with the accountant prior to the board meeting. We are 75% of the way through the school year, and we are still trending high in a few areas of the budget. Expenses for Kestrel run at about \$16,500 per day. Kestrel remains in compliance with all bond requirements, including debt service ratios and cash on hand. The committee and staff will continue to work on cleaning up some of the budget categories.

C. Operations Report

Mrs. Gordon shared the operations report. Many repair issues have been resolved, and some preventative maintenance is ongoing. Bids for food service are coming in for review.

D. Requests for Proposal

Mrs. Jackson shared that RFPs for services will go out on April 15, 2024, and will be presented to the Board in June for their consideration. The Board discussed using a different, more cost-effective vendor for conducting background checks on staff and volunteers. Mrs. Gordon will look into vendors.

V. Committee Reports

A. Academic Sub-Committee

Mr. Powe provided an update from the Academic subcommittee. Career day has been scheduled, all slots are filled, and Aspida is providing snacks.

B. Governance Committee - Employee & Parent & Family Engagement Policy Review

Mrs. Davis noted that the governance committee is reviewing policies and they will be discussed at the next Board meeting. A Doodle poll will be released to help decide a date for the Board retreat.

VI. Closed Session

A. Enter Closed Session

S. McGarrah made a motion to Enter into closed session per NCGS § 143-318.11.
