II. Key Agenda Items & Presentations

A. Marketing & Enrollment Report

Ms. Vargas shared the Marketing and Enrollment Report. Enrollment for 2024-25 year is at 408; 3 students withdrew, who moved out of the area. Enrollment for the 2025-26 school year is at 423 students with waitlists for grades 3 and 5. Advertising and in-person tours are continuing. The campus beautification day on April 12 was a good way to get people on campus. Bloomwell provided the outreach numbers and spending for March. While the reach has been great, the cost per lead is still high.

B. Facilities Report

Mr. Thompson provided the Facilities Report. There was a repair made to the 2nd floor Elementary School HVAC. Attorney Bowen asked about a warranty on the HVAC repair.

The problems with the gym locker room and the middle school boys' bathroom toilet and sink have been corrected. The gates on the dumpster corral have been repaired. The campus beautification day was successful. Board members extended thanks to Mrs. Jackson, Ms. Vargas, and Mr. KT for their efforts with the beautification day.

III. Operational Reports

A. Executive Director's Report

Mrs. Jackson provided the Executive Director's Report. Over 120 people attended the Campus Beautification Day; it was a successful event for engagement and facilities' projects. Based on records as of March 28, our attendance has drastically improved, but the tardy numbers have increased. There was a significant decline year over year in ISS/OSS.

For the EpiCenter report, Kestrel has 14 reports for the year that have been turned in on time and accurately (100% completion). For the Office of Federal Programs, all reports that were due have been completed. For School Nutrition, the State of NC has been actively communicating with Kestrel as the federal funding picture remains unclear. The bond report through December was also completed.

B. Monthly Budget Report

Mrs. Jackson shared the Monthly Budget Report. Mr. Patterson has been assisting the school with an updated 5-year budget for the debt service and regular expenses based on our actual enrollment instead of projected enrollment. Through March 2025, Kestrel is operating with an annual surplus and has closed the deficit gap for the current school year. The finance committee has discussed how to handle the facilities' budget items that are large expenditures. The Board will meet in-person in May to discuss the budget and 5-year plan in-depth. For the bond requirements, Kestrel met the days cash on hand and debt service coverage ratio.

C. Auditor Engagement

Mrs. Jackson shared the Auditor Engagement proposal from Rebekah Barr. S. McGarrah made a motion to Approve the hiring of Rebekah Barr to provide the auditing services for the FY 2025 for \$8,175.

D. Powe seconded the motion.

The board **VOTED** unanimously to approve the motion.
