II. Key Agenda Items & Presentations

A. Facilities Report

Facilities report was provided by KT regarding repairs to the transportation system and sprinkler issues.

Transportation/fleet:

- The **small yellow bus** was out of service due to a **significant transmission fluid leak**.
- **Repairs are complete** and the bus is **back in rotation** (normal fleet rotation resumed).
- **Major facilities issue: fire sprinkler system failure (East wing, middle school)**
- **End of November: a significant sprinkler system failure** caused **extensive ceiling damage** and **flooding** in the east wing.
- **Additional damage: the lower portion of walls** in that section had to be **replaced**.
- **Library conversion space impact: about ¼ to ⅓ of the books** are being **cataloged** and submitted for **insurance recovery** (via Summit Fire & Safety's insurance).

Repairs/status of Sprinkler System:

- **Immediate initial repairs** to the sprinkler system were done by **Summit**.
- Over **winter break, build-back/restoration work** was completed (with added expense tied to **faulty workmanship/negligence** from prior repairs).
- **Restoration contractor** handled damaged property restoration over winter break.
- **Next steps:** Summit is scheduled to complete **system upgrades** to reduce risk of future failures.

What's still pending

- Waiting on the **return/categorization of library books** and final accounting of **damaged books**.
- Expectation: insurance will likely provide a **check for replacements**, possibly with **depreciation** applied.
- KT will update **Ms. Jackson and Ms. Davis** once insurance provides final direction.

HVAC condition (middle school)

- Nearly all middle school **RTUs** (rooftop HVAC units) are now **~20 years old** (building built 2006 → now 2026); only **two** are newer.
- Units need **retrofitted room temperature sensors and thermostats** to function properly.
- They are working to address **recurring HVAC issues** to extend unit life, but even after upgrades they'll need to **replace units individually** as components fail beyond reasonable repair—eventually leading to **full unit replacements**.

B. Marketing & Enrollment Report

Mr. Touchette presents the report on Enrollment and Marketing. The Board discussed enrollment updates and marketing strategies.

- **Current enrollment:** The school currently has **360 students enrolled**.
- **Class size breakdown:** The chart shows **class size by grade level**, including **multiple homerooms/cohorts** where applicable (the multiple numbers reflect each homeroom's count).
- **Changes since last board meeting:** There have been **two withdrawals** since the board last met, both due to **families moving out of the area**.
- **Applications received:** The school has received about **47 applications** so far (based on the totals shown). Of those 47 students that enrolled since November, more than half started in the last 12 days.
- **Need for more applications:** They **need more** applications and expect to **increase** that number.
- **Encouraging trend:** The **distribution** of applications is what they want to see:
 - Most applications are for **Kindergarten** (ideal entry point).
 - The **second-highest** number is **6th grade** (also expected as a major entry grade).

III. Curriculum & Assessment

A. Culture Report

Mr. McFadden lead the discussion around community engagement and fundraising.

- PCA monthly meeting (on the 18th)

Recent school timeline

- Students returned from **winter break** (they were out for about **18 days**).
- The school did a **culture reset** upon return: Mr. Mac met with grade levels (noted 7th/8th) to **restate expectations** and address what was seen in the first days back.

Student culture/behavior update

- Since returning, there have been **few referrals**.
- **No suspensions** reported since the new year; things have been running smoothly.

- Expect another **quick reset** after the long weekend (MLK + teacher workday) because students will be out for multiple days.

Upcoming key dates/events

- **Winter concert:** tomorrow evening
- **Virtual PTA meeting:** 15th
- **End of 2nd quarter:** 16th
- **MLK Day:** 19th
- **Teacher workday:** 20th (will be **spearheading** a lot of work/meeting content)
- **Second i-Ready Diagnostic:** coming up dates TBD
- **Testing:** upcoming dates TBD
- **APEX Fundraiser:** Jan 21–29
- **Q2 report cards:** Planning to Release on the 23rd
- **“Show What You Know” showcase:** 29th (end of month; last one had a **great turnout**, and they’re excited to do it again)
- **Essay check-in:** upcoming (he referenced this as the **second**)
- **Lotteries:** next month (26–27)

Mr. Mac opened the floor for **questions**.
