A. Discussion: FY27 Insurance Renewal	Discuss		
<p>The annual premium is increasing from \$97,237 to \$110,887. This is largely due to increases in the property insurance premium (replacement cost and the cost of the buildings increased) and the payroll increase for worker's compensation. The school had a number of worker's compensation claims this year and the rate increase reflects an increase in exposure. General liability increased slightly.</p>
