The committee **VOTED** unanimously to approve the motion.

II. New Business

A. Review and discuss March AAC Dashboard: School overview

enrollment at 570. Transfers out of district for causing decrease- but this will not effect budget for remainder of SY.

Chronic absenteeism is a statewide indicator and we are on track to exceed our target 1 staff departure in April

B. Review and discuss MTSS District wide update

We are excited to have successfully completed Cycle 3 of 4 for this school year. We spoke about the validity of the data, CFUs and MAP is stronger than ever and scholars see the direct connect between showing what they know, and receiving the needed support for that which you need to learn next.

We are holding our third of four School Improvement Team meetings tomorrow and will have key take aways for the May AAC meeting. We mentioned the importance of working to build in times in our HS schedule where intervention in ELA/Math can happen in blocks 1-5- this schedule is currently in the works and we will have updates in the coming weeks/ months to finalize what additional support can be provided to those that need this.

C. Discussion of 3 budgets for FY 2025 - 2026

Salary is a top priority for staff on budget considerations

Management has drafted 5 budget iterations.

Governor's budget came out at a 4.9% increase

We will be asking for a vote accounting for a 2% increase

favorable would be 3% or higher- if that were to happen, the salary increase could happen for teaching staff

We need to ensure we are competitive in salary

Question arose as to what our base salary is (\$50K for bachelors and \$52K for masters) but Fall River public is higher

Question arose of if we have considered possible federal grant allocation disruptions
We don't want to wait to post essential positions/ compensation meetings (hope to do after April board meeting)

General concerns of federal funding as it relates to the school budget arose.

D. Discussion and Vote of staffing plan for 2025 - 2026 SY

Staffing plan is drafted.

Yellow= 2 new positions because we are doubling the number of scholars on BCC campus next year. It is labeled as assistant dean, but this will be more unique in that the job description will also need to include more academic component more aligned with liaison work. The other position is a second school psychologist so each can be campus specific and focus more on social emotional learning (SEL).

Blue positions are tabled until the final budget comes in

HS math teacher

HS ELA teacher

HS math interventionist

HS reading interventionist

Emmanuel Echevarria made a motion to Emmanuel Echevarria.

Chandra Orrill seconded the motion.

The committee **VOTED** unanimously to approve the motion.

III. Closing Items

A. Chair's Remarks

Diana messaged her great satisfaction in the AAC committee and the team Sunil and Kristen have built.

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 2:18 PM.

Respectfully Submitted,
