plan has largely been unchanged since 2019. It will be revised again in 2027.

One way we can be more proactive is to have school counselors engage in educational lessons on this topic at the beginning of the school year.

Best Buddies program will launch for 25-26 SY- the first in Fall River!

Will need some summer planning for initiatives and complete a school culture survey (every 4 years, 25-26 SY is next time we will survey)
The committee **VOTED** unanimously to approve the motion.

B. Vote and Approve: Tuition Reimbursement Policy Updates

Monique Campeau made a motion to accept these revisions to the tuition reimbursement program.
Michael Goodman seconded the motion.
this has been a sticking point for staff in their own development- expanding this to more courses/ certifications (cap of $2K per year)
The committee **VOTED** unanimously to approve the motion.

C. MTSS District Wide Update

balcony view of the inception and trajectory of the MTSS program we formally launched this school year.
