LCAP Actions and Drivers

Summary of Focus Areas for LCPS:

- Build Academic Systems around Instructional Development and Support (Instruction Partners), Data and Assessment, and A-G Completion and College Readiness.
- Effective Execution of Support Systems for English Language Development (ELD) and Multi-Tiered Systems of Support (MTSS)
- **Strengthen Family Engagement** in three areas: Understanding our Academic program and student performance measures, access to our technology platforms and communication tools, and decision making through SSC and ELAC

	DRAFT - 2021-22: Our Organizational Alignment Priorities and LCAP Goals	Explanation of why the LEA has developed this goal
QUALITY All Students, every day.	Priority #1: Educational Justice and Excellence: Dramatically improve the quality of our academic program, address disproportionate performance by student subgroups and achieve non-racialized outcomes of our academic program through System-Wide Tools and Processes and Teacher, Leader, and Staff Development.	LEA's California School Dashboard Academic Performance falls below CA State Averages: Orange for ELA and Math. (with the exception of LH K-8 Orange for ELA and Yellow for Math), with disproportionality for some student groups. Students, staff, and families are invested in shifting these outcomes and have identified system-wide tools and processes and teacher, leader, and staff development as two important levers to improve academic outcomes for students. For 21-22, LEA is prioritizing the instructional development of staff using progress on Student Achievement Partner's Instructional Practice Guide in ELA and Math. LEA will focus on the range of coaching, planning, observation/feedback, and structures that support teachers and leaders in implementing rigorous, standards-aligned instruction across all of our classrooms.
CULTURE All Belong. All take responsibility for equity.	Priority #2: Culture of Shared Responsibility for Equitable Outcomes: Create a high performing team culture grounded in equitable outcomes and develop yearly Action Plans grounded in our Diversity, Equity, and Inclusion Pillars and Commitments and LCPS Board Resolution to Promote Equity and Anti-Racism and combat Anti-Blackness.	LEA's California School Dashboard Suspension rates are currently Red (with the exception of Lode Yellow) with disproportionality for some student groups. Students, staff, and families have given input on the wide range of work needed to build a culture that is affirming, welcoming, and inclusive of the diverse students and families served by the LEA. For 21-22, LEA is planning for robust SEL supports for the return to in-person schooling, alignment in restorative/discipline practices across schools, and investment in MTSS systems as key levers in creating a learning-focused school culture for all students at our site.
IMPACT	Priority #3: Powerful Community Engagement: Build stronger relationships and political presence in our Oakland Community, shared leadership in our students and families through effective School Site Councils (SSC/ELAC), and follow through on our material revision to serve our community's students and families that qualify for McKinney Vento.	LEA believes that community engagement is key in elevating the voices of our students, families, and broader community. These voices are essential in continuing to provide quality educational experiences to our students and families. For 21-22, LEA is increasing family voice at sites through our SSC/ELAC. LEA has also made a commitment to unhoused students with an enrollment preference in our charter and is working on building support systems to wrap around our unhoused students.
IMPACT All in. In Oakland.	Priority #4: Strong and Sustainable Operational, Technology, and Financial Models: Ensure strong, sustainable support of LCPS schools, staff, and families.	LEA believes that strong systems support successful schools. Operations, technology, and finance are three key components that support and contribute to the academic success of our students. For 21-22, specific work is focused in Operations/Facilities to ensure a safe return to in-person learning and continuing to support students in families with access to technology at home (internet and devices) to extend digital learning opportunities to the home.
	Priority #5: College and Career Readiness: Dramatically increase the number of College and Career ready students as measured by A-G completion, 4 year college acceptance, dual credit completion, and cohort college persistence/6 yr graduation rates.	Preparing students for College and Career is a central feature of the LEA's mission and a reason why students and families continue to send students to LCPS schools. While the LEA's college persistence rates are strong within the Oakland context, LEA aims to continue to increase college persistence and graduation rates in continued pursuit of achieving its mission. For 21-22, specific work is focused on building out new dual-enrollment options for students and re-organizing high school coursework to ensure that students are both meeting A-G requirements and having the coursework needed to apply to competitive universities.
