No questions from the board.

**D. CA State Dashboard Review**

Kathleen Liljeberg, Director of Assessment and Performance Management, reviewed the data details of the CA Dashboard, including goals for the upcoming year and how student subgroups performed.

The board asked what would be needed to connect the daily practice of teaching and learning to the summative state outcomes. The board also asked how to identify students who may provide the largest leverage to help the outcomes move.

Staff members shared analysis protocols using data tools, and many students have been identified and areas for improvement, but the next step would be getting that data into the hands of coaches and teachers.

#### **E. College and Career Update**

Josh Weintraub, Director of College and Career, discussed the overlapping programs that LCPS provides students and families. Josh reviewed CTE pathways, A-G requirements, college access, dual enrollment, and academic scheduling with counseling and support.

The board asked about the NSC college completion data. Josh responded that LCPS does follow student college completion and the partnership work with One Goal that allows students to access coaching in their first year of college.

The board asked how the LCPS college and career programs differ from other schools in the area. Josh responded that many other schools also provide pathways, but LCPS is unique in its school size, providing numerous and quality pathways and juggling dual enrollment with access to college preparation and support.

#### **F. 2025 - 26 Finance Update**

Hung Mai, Senior Director of Finance, gave a financial update, including the clean audit results, enrollment updates, cash flow, average daily attendance, and budget versus actuals. Hung reviewed the details of cash on hand, debt coverage ratio, and bond covenant days cash.
