II. Discussion

A. Discuss Academic Updates

Kathleen Liljeberg shared overall updates, highlighting strengths in ELA and English Language Progress Indicators. Growing areas remain in MAP Math and early literacy, where LCPS hopes for the growth rates to increase, even though LCPS did rise in the achievement percentiles.

Shaina Hurley expanded upon early literacy assessments such as DIBELS and AimswebPlus as well as the new upcoming TK curriculum.

The board asked about the meaning of the data dip in early literacy, to which Shaina responded that the lead teacher was learning more of what was required on the test.

The board asked about continuing to determine root causes of wins and growth areas for MAP, ELPI, and early literacy. Shaina Hurley responded that sites will be protecting more time for teacher collaboration and will continue to determine how to replicate the wins.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:53 PM.

Respectfully Submitted,
