A. Swing set

Group walked the property today (5 degrees outside!). Agree to place the swings parallel to fence and tucked into the trees as close to the fence as feasible. Break into two sections if necessary. Dan will generate a map of the location to properly site it.

Need to create plan to protect trees from heavy foot traffic. Who will be in charge of this?

B. Oak Understory Plantings

Chris & Gary will spread the 4 lbs of donated native seed around the designated oaks. Plan a ceremony for students to plant some seeds--1 lb will be set aside for this. Gary to reach out to Lezlie to set up seed spreading by students during gym class.

Mission Grant awarded from FCC in Elgin. \$4k to help with plantings and signage.

Work-to-date costs being tracked by Chris. Chris has wholesaler she can work with for plugs.

C. Natural Play Areas

What are our property boundaries--Dan to determine.
Gary will check in with Dundee which built a natural play area.
