She also noted that the Board would review, approve, and submit a Governance Action Plan to address adequate oversight of the School to the Department of Elementary and Secondary Education (DESE) by September 30, 2020. Terry then presented an overview of the duty of care, duty of loyalty, compliance with the State Conflict of Interest Law, disclosure of financial interests, approval of new members by the State, and compliance with Open Meeting Law (OML). Following the presentation, Terry fielded questions from Board members which focused on disclosure of financial interests for members who also work in education in their full time roles at other organizations. ### **IV. SY2020-21 Planning Update**

#### **A. SY2020-21 Planning & COVID-19 Update**

Sonya Pratt, Chief School Officer, and Laura Edouard, Principal, then introduced themselves to new Board members and guests and directed the attention of the Board to the school year 2020-2021 Planning & COVID-19 Update. Pratt shared that she, Edouard, Taylor, and Pina held two Town Halls where parents and community members were invited to review the school's reopening plan, which included options for hybrid and fully remote learning, noting that a fully in-person model would not allow for social distancing due to the limited space in the School.

Pratt shared that students will return remotely through at least Indigenous Peoples' Day, when the School will review epidemiological data, guidances from the Department of Elementary and Secondary Education (DESE), and community feedback before deciding whether to begin hybrid learning or remain remote. Teachers and critical support staff will work from the School building in a socially distant manner. Board members probed on to the comfort of teachers with this model, and Pratt shared that the majority of teachers were hoping to have some kind of access to their classrooms, but that School Leadership and the Human Capital Team would work with individuals who live with, care for, or are part of vulnerable populations to address their needs.
