A. General School Updates

Melisa Lemire, Chair, called the Board's attention to the General School Updates. Sonya Pratt, Executive Director, provided an update as the School approaches the winter break. Pratt outlined the ongoing preparations for dual enrollment and the upcoming college application deadlines. She also reported that the school's enrollment remains steady as the year draws to a close and noted with confidence that the institution is fully staffed, ensuring smooth operations as the semester transitions.

Pratt then informed the Board that the principal had resigned unexpectedly due to personal reasons. During the brief interim period while the search for a new principal was underway, Laura Eduaord, Chief Academic Officer, stepped in as acting principal. Pratt announced that an interim principal has now been appointed, who will assume the role immediately and serve for the remainder of the academic year. This interim principal brings a wealth of experience, having previously served as a charter school principal and Executive Director, ensuring strong leadership during this transitional period.

Pratt assured the Board that all compliance requirements have been met as the school year reaches its midpoint, and she confirmed that the school is financially stable as it enters the second half of the year. She then opened the floor for any questions or concerns from the Board

VI. Organizational Goals Dashboard

A. Organizational Goals Dashboard

Sonya Pratt, Executive Director, presented the organizational goals dashboard to the Board. She reported that the school currently has 76 students enrolled, which leaves the school over-enrolled by one. Pratt highlighted that the chronic absenteeism rate stands at 48%. While efforts are ongoing to address this issue, progress has been challenging, as many students are over 18 and have the ability to dismiss themselves for the day.

Regarding academic performance, Pratt noted improvements in Quarter 1, particularly in math, English, and special education classes. The school is also actively cataloging assets for disposal in preparation for its closure. Parent engagement initiatives, including FAFSA Night and regular newsletters, continue to be a focus. Additionally, the school is operating within its budget and remains in good standing with regulators.

Pratt took a moment to reflect on the recent potluck celebration, underscoring the importance of fostering joy during the school's final celebrations. She also expressed excitement for the upcoming staff winter celebration scheduled for later this week.

Alekz Hirschmann, Board Member, emphasized the significance of the Board attending the school's graduation ceremony, describing it as a truly remarkable experience to witness.
