**II. Executive Director General Updates & Discussion**

**A. General Executive Director Updates**

Sonya Pratt, Executive Director, directed the Committee's attention to her general updates, noting that the information would be addressed in her goals presentation and could be reviewed concurrently. The Committee acknowledged this alignment and proceeded to review the presentation outlining Pratt's progress toward those goals.

**III. Executive Director Goals Updates & Final Evaluation Discussion**

**A. Executive Director Goals Updates**

Pratt reminded the Committee of her four goals for School Year 2024-2025 and provided updates on each one:

**1. City on a Hill Operates Within Budget**

Pratt reported that, despite a few student withdrawals, enrollment remains strong. She also shared that the sale of the school building is still progressing. The organization is currently operating with a modest surplus, demonstrating financial stability despite slight enrollment fluctuations.

**2. Consistent Student Enrollment (+50)**

Pratt noted that, although a few students have left, the school is still meeting its target of enrolling at least 50 students at any given time. This ensures the financial sustainability of the school through FY25.

**3. Stabilize Hiring for Teaching Roles and Ensure Full-Year Retention**

Pratt proudly reported that the school has successfully retained 100% of its staff, keeping the organization on track to meet this goal for the year.

**4. Legacy Projects**

Pratt highlighted several projects to preserve the school’s legacy, including:  
The “Last, Last Day” celebration on June 18, marking the final day of school in City on a Hill’s history. A memorial video to celebrate the school’s most memorable moments.

Pratt opened the floor for discussion or questions, but the committee had no further inquiries regarding her updates.

**B. Executive Director Final Evaluation Discussion**

Melisa Lemire, Board Chair, noted that the final evaluation for the Executive Director will be completed in June. She informed the committee that once there is agreement on the successful completion of the Executive Directors goals, a recommendation would be made to the board for the approval of the Executive Director's bonus.

Lemire also noted that there would be no May ED Support meeting. She explained that May meetings are typically meant to set goals for the following year, but due to the closure, this will not be the case. The committee had no questions regarding the evaluation process and thanked Sonya Pratt for her efforts and dedication to the students success
