II. Salary Scale Review

A. Salary Scale Review

- Update website to having matching salary scales (apply now has a older scale than join our team).
- Salaries remain competitive in the Greater New Orleans area and increase based on tenure.
- Consider adding information to the notes around performance based compensation for team members that have transitioned.
- Potential to specify more around social worker position in regards to credentials.
- What has certification traction looked like this year?
- Embed certification into summer PD to help gain traction.

III. Board Items

A. Recruiting New Board Members

B. Board Meeting Dates

April Meetings:

- April 26th - Finance, Board, Governance.
 - During this time we will review the budget.

May Meetings:

- Moved up to May 17th to approve the budget for the next year.

June Meetings:

- Might want to consider this as a board retreat opportunity, as opposed to July.

- Need to confirm with Claire.

IV. Finance Committee Update

A. General Financial Update

- Financial condition remains strong on all metrics (cash ratio, debt to asset ratio, etc.)
- Original budget for this academic year had a projected surplus of \$161K for the whole year. We currently have a budget surplus that exceeds that by at least \$100K, so we have built up a cushion in our budget over the fall semester. Overall, performance is doing well up to Jan 31st.
- Only word of caution: Jefferson Parish will re-estimate reimbursements per pupil soon and will use our updated headcount (which is lower than expected), so our revenues may fall a bit during the remainder of the spring semester. This means the budget surplus may not be as large (that \$100K cushion we built up will probably drop slightly) by the end of the spring term. Overall, we should still come in at a net surplus and one that most likely exceeds the \$161K surplus we originally projected.

B. Budget Timeline Update

- Finance Committee Meeting March 22nd: Review 1st draft of budget, will give general update at the board meeting afterward.
- April 14th: Advertisement published that budget will be reviewed at next general board meeting.
- **General Board Meeting: April 26th**, for the entire board, review close-to-final draft of budget. Open to public to give comments, and open to board to give comments.
- May 5th to May 8th: Final budget posted to the website for public review
- **General Board Meeting: May 24th**, for the entire board, vote to approve/disapprove final budget
- June 1: Notice published that a new budget has been enacted.
