A. Record Attendance

B. Call the Meeting to Order

Caitlyn Scales called a meeting of the board of directors of Laureate Academy Charter School Board of Directors to order on Monday Mar 16, 2026 at 5:46 PM.

C. Prove What's Possible

II. FINANCE

A. Updates re Current Financials (through March 2026)

**Finance discussions were considered first and out of order, awaiting quorum. Voting members present included: Caitlyn, Toyanne, and Bria. The Agenda was followed in order after the Finance and arrival of voting members were marked accordingly.

- Board Chair reported that the March 2026 finance meeting went well.

B. Upcoming Financials & Budget Timeline

- Discussion of [2026-2027 Budget Prep Timeline](#) as shared in working doc.
- FYI: The upcoming budget will show a significant increase to cover the need for more SPED teachers.
 - This is expected, however, and in line with the Board's finance priorities as expressed at the 2026 Annual Board Retreat
- @Claire will request that the timelines are more definitive, removing the "TBD" labels.

III. GOVERNANCE

A. Updates re Building Purchase

Jordan Whittenburg arrived.

Closing for the building purchase is tentatively scheduled for Wednesday, March 25, 2026. Board members are invited to participate, if available.

- The church (included in the purchase) has a number of items with resell value that are not needed by Laureate. The items includes large slabs of marble and a huge crucifix. Board discussed whether such items should be donated or sold.

B.

Updates re Board Recruitment

- Recruitment is currently a two-tier process: 1) review of resumes and qualifications (basic outreach) and 2) in-person meeting with Claire, Caitlyn, and/or another Board Member
- @Caitlyn plans to get through the first tier within the coming weeks, starting with the list of potential members provided by Board Members.

C. Fundraising Efforts

Next board meeting (after Closing) would be a better time to discuss capital campaign ideas.

Monique Handy arrived.

D. 2026-2027 Compensation & Benefits Program

- Stated Goal: Laureate must remain competitive, not just with other schools but with other industries.
- St. Charles Parish has one of the highest paid teacher salaries, ranked third in Louisiana.
- Sliding Scale Teacher Roles:
 - Associate
 - Bachelor's (Non-Certified)
 - Certified (Certified via Louisiana Department of Education [website](#); NOT including Practitioner Licenses)
 - Special Education (SPED)
 - SPED teachers require particular certifications, so their salaries should reflect the additional trainings-- as shown on the working doc, a sliding scale is proposed.
 - Historically, teachers were categorized together and SPED teachers were not compensated any differently.
 - Charter schools have the discretion to define priorities for qualifications for most roles; however, SPED certification is required for teachers in charter schools.
- Support & Operational Roles:
 - Instructional support staff (i.e. paraprofessional, interventionists, in-house substitutes) are paid based on their qualifications
 - Support staff are considered to be competitively paid; however, some staff have not passed the PRAXIS, so they are paid closer to the District's average.
 - The pay scale for operational, nursing, and facilities staff roughly remained the same.
- Performance Pay and Growth:
 - Proposed change: Staff will be rewarded for school-wide achievement and growth and not necessarily based on LEAP and DIBELS growth.

- Time Off:
 - Time off is about the same.
 - Historically, Laureate pays out up to five days.
 - Issue is whether Laureate can afford the pay outs, which currently costs ~25k/year.
 - @Claire will update the Board with the "math," enumerating pay outs, time off statistics, proposed cap on rollover days, etc.
- Education Reimbursement Program (Teacher/Staff Incentive)
 - Issue: Teachers/Staff do not have the resources to pay the upfront costs of education. Laureate promotes growth in students as well as teachers/staff. Parameters for qualifications and retention agreements needs to be narrowed.
 - PRAXIS
 - Board agrees with Jahquille's suggestion to pay for the PRAXIS tutoring, which would come from the PD budget.
 - The issue remains the whether the staff member should be commit to Laureate once they complete the PRAXIS program.
 - In addition to certifications, teachers/staff are further incentivized to earn certifications or continued education because their salary and benefits also increase.
