Public comment rules: Members of the public may address the Board on agenda or non-agenda items through the teleconference platform, zoom. Zoom does not require the members of the public to have an account or login. Please either utilize the chat option to communicate with the administrative team your desire to address the board or simply communicate orally your desire to address the board when the board asks for public comments. Speakers may be called in the order that requests are received. We ask that comments are limited to 2 minutes each, with no more than 15 minutes per single topic so that as many people as possible may be heard. If a member of the public utilizes a translator to address the board, those individuals are allotted 4 minutes each. If the board utilizes simultaneous translation equipment in a manner that allows the board to hear the translated public testimony simultaneously, those individuals are allotted 2 minutes each. By law, the Board is allowed to take action only on items on the agenda. The Board may, at its discretion, refer a matter to school staff or calendar the issue for future discussion.
