Speakers may be called in the order that requests are received. When a member of the public utilizes a translator to address the board, those individuals are allotted 4 minutes each. When the board utilizes simultaneous translation equipment in a manner that allows the board to hear the translated public testimony simultaneously, those individuals are allotted 2 minutes each. By law, the Board is allowed to take action only on items on the agenda. The Board may, at its discretion, refer a matter to school staff or calendar the issue for future discussion.
