LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Pacific Coast Academy

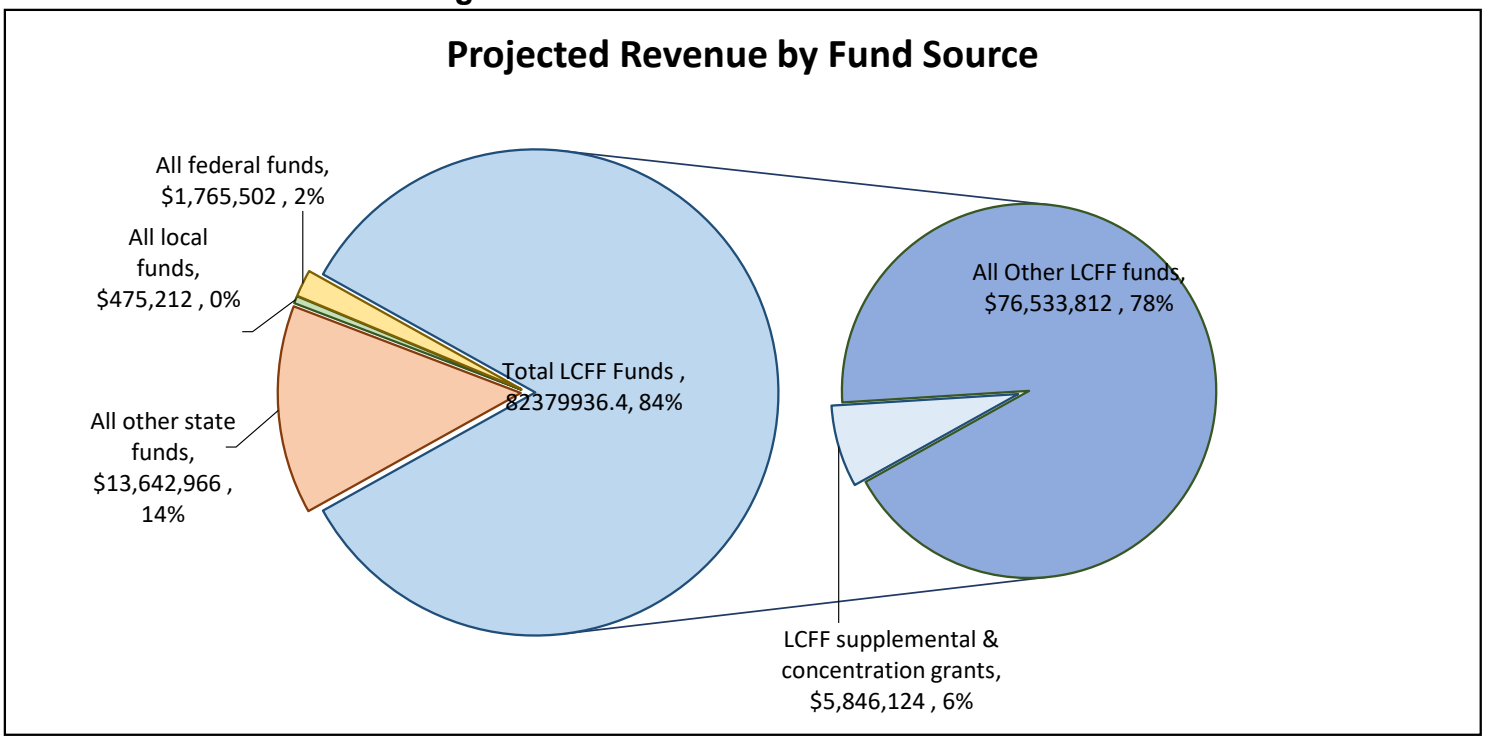

CDS Code: 37 68049 0136416

School Year: 2025-26

LEA contact information: Krystin Demofonte

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2025-26 School Year

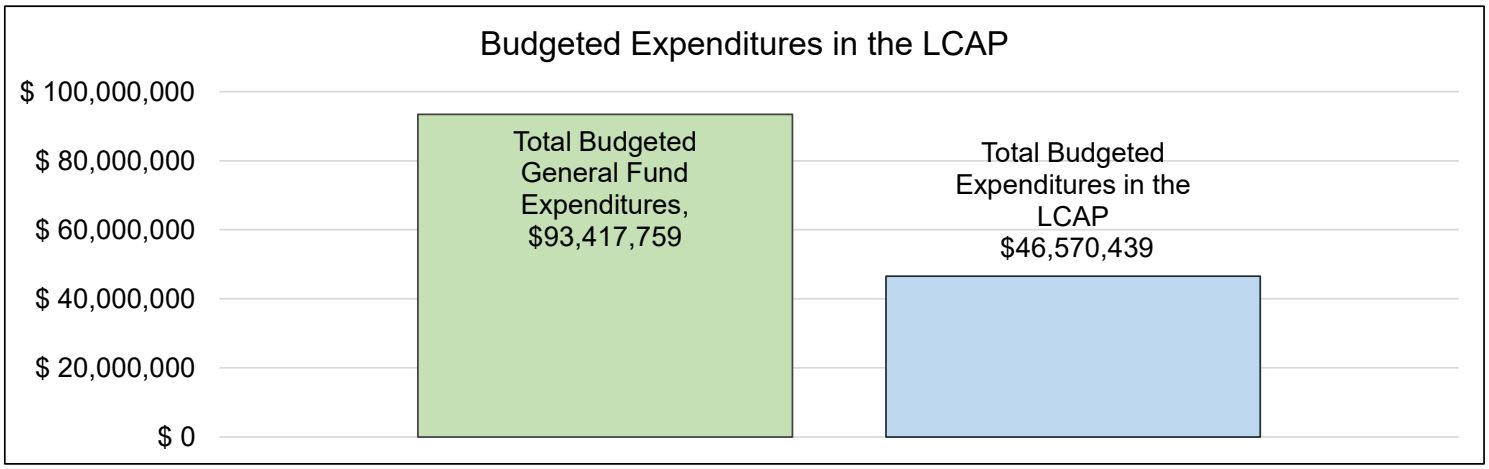

This chart shows the total general purpose revenue Pacific Coast Academy expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Pacific Coast Academy is $98,263,616.28, of which $82,379,936.40 is Local Control Funding Formula (LCFF), $13,642,965.69 is other state funds, $475,211.73 is local funds, and $1,765,502.47 is federal funds. Of the $82,379,936.40 in LCFF Funds, $5,846,124.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

LCFF Budget Overview for Parents

This chart provides a quick summary of how much Pacific Coast Academy plans to spend for 2025-26. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Pacific Coast Academy plans to spend $93,417,759.32 for the 2025-26 school year. Of that amount, $46,570,439.00 is tied to actions/services in the LCAP and $46,847,320.32 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

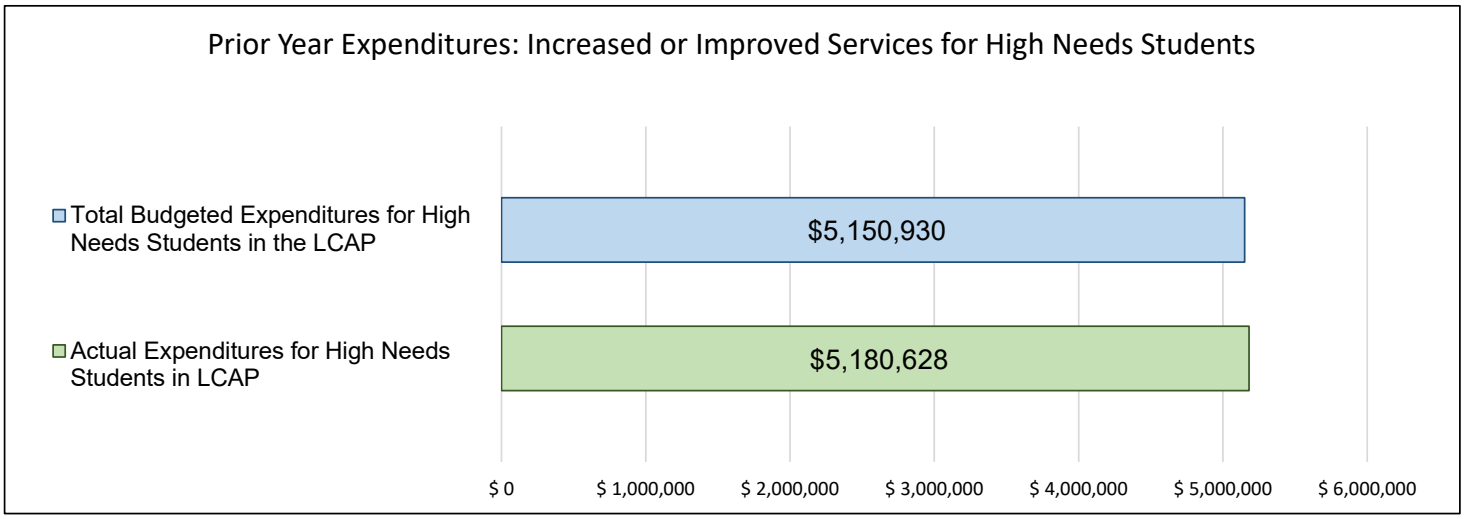

Other General Fund budget expenditures include those for cost of core services, overhead, restricted programs and Grants, some one-time and multi-year in nature allocated to the charter.

Increased or Improved Services for High Needs Students in the LCAP for the 2025-26 School Year

In 2025-26, Pacific Coast Academy is projecting it will receive $5,846,124.00 based on the enrollment of foster youth, English learner, and low-income students. Pacific Coast Academy must describe how it intends to increase or improve services for high needs students in the LCAP. Pacific Coast Academy plans to spend $5,846,249.00 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2024-25

This chart compares what Pacific Coast Academy budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Pacific Coast Academy estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2024-25, Pacific Coast Academy's LCAP budgeted $5,150,930.00 for planned actions to increase or improve services for high needs students. Pacific Coast Academy actually spent $5,180,628.00 for actions to increase or improve services for high needs students in 2024-25.

Plan Summary [2025-2026]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

The mission of Pacific Coast Academy is to develop the individual gifts of our students to become critical thinkers, responsible citizens, and innovative leaders prepared for academic and real-life success in the 21st Century. Our academic program is designed to be highly flexible and customizable.

Pacific Coast Academy is a tuition-free, public charter school serving transitional kindergarten through 12th-grade students. Of our approximately 5,612 students, 38% are eligible for free/reduced lunch, 2% are English Learners, 1% are Homeless Youth, and 0.1% live in foster care. Our unduplicated priority group percentage is 40%. About 12% of our students have exceptional learning needs. Further, 52% of our students are White, 31% are Hispanic or Latino, 8% are Two or More Races, a little over 1% are Black or African American, 3% are Asian, a little over 1% are Filipino, 0.5% are American Native or Alaskan Native, and 0.2% are Native Hawaiian or Pacific Islander.

As a non-classroom-based independent study charter school, we pride ourselves in offering our students flexible, personalized learning experiences. We assign each family an appropriately credentialed home schoolteacher (HST). HSTs collaborate with families to create an individual education plan that best suits student learning needs and interests. HSTs also facilitate, guide, and monitor educational and emotional support as needed, similar to what a case manager teacher does within an exceptional needs' education environment. HSTs analyze academic progress with students and families during regularly scheduled meetings and schedule additional support as needed virtually and in person. The role of our HSTs is essential. Research demonstrates that establishing a meaningful relationship with at least one staff member fosters a sense of belonging among students that helps them overcome various risk factors in their lives, including exposure to trauma, poverty, or foster care and those learning English.

Pacific Coast Academy supports the successful transition of preschool-aged children into our transitional kindergarten (TK) program by collaborating with families during the enrollment process and offering individualized learning plans tailored to meet developmental needs. Credentialed Home School Teachers (HSTs) are assigned to each TK student and work closely with parents to assess early learning benchmarks

and readiness skills. HSTs also provide families with guidance on how to create learning environments at home that promote early literacy, numeracy, and social-emotional development.

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Staff Engagement	Staff members contributed meaningful suggestions through advisory groups and LCAP-focused discussions (LCAP Advisory Committee meetings in October 2024 and January, March, and April 2025). Staff also provided input through LCAP Input Worksheets that they completed during regional team meetings. Feedback included: - A desire to expand access to advanced math courses, particularly Geometry and beyond, and to consider implementing the Integrated Math sequence. - Strategies to increase survey participation, such as obtaining a waiver at the start of the year to allow students to complete LCAP surveys during class.
Student Engagement	Students and Parents voice played a central role in shaping the plan. We invited parents and middle/high school students to attend and provide input during LCAP Advisory Committee meetings (October, January, March, and April). During listening sessions and through survey feedback Students expressed: - A need for more accessible information on Career Technical Education (CTE) pathways and courses. They asked for direct communication from teachers regarding CTE opportunities. - Interest in having a more formal invitation process to LCAP Advisory Committee meetings, suggesting personalized messages such as “You are cordially invited…” be sent to increase parent and student participation. - Students in grades 4-12 also complete the annual student LCAP survey to rate various aspects of our program and share feedback on school strengths and areas for improvement.
Additional Engagement	Parents, administrators, and other educational partners were consulted through school outreach meetings, LCAP advisory committees, and surveys.

Goals	Feedback already in the goal	Feedback
Goal 1: Conditions for Learning	• Credentialing and instructional materials access • Engagement survey efforts • Technology expansion (laptops, hotspots, etc.) • PD for staff growth and support	• Staff request for summer access to tech/resources • More specific mention of BrainPOP, Lexia, and Reading Horizons as new tools • Request for hands-on curriculum access during PD days • Streamlining of tech request process (not stated clearly)
Goal 2: College & Career Readiness	• Addition of new CTE pathways • Expansion of AP offerings • College credit access and support • Focus on A-G tracking and readiness	This goal was *well aligned* with the staff and student feedback

Goal 3: Family Engagement & Supports	• Parent workshops and liaison support
	• Academic and SEL support roles
	• English Learner and SPED resources
	• STAR360 and interim assessments
	• Expanded library and digital access
		• Family engagement ideas like:

		  ○ "Explore PCA" Bingo
		• Specific mention of SEL PD on anxiety
		• More breakout PD sessions by grade level

The adopted 2025–26 LCAP for Pacific Coast Academy (PCA) was developed through a collaborative process informed by robust educational partner engagement. Input was gathered through surveys, LCAP Advisory Committee meetings (held October 2024, January 2025, March 2025, and April 2025), listening sessions, and regional outreach. The school consulted with students, parents, staff, and administrators across all regions, ensuring inclusive input that influenced each goal area and corresponding actions.

Goal 1 – Conditions of Learning:
Staff and families highlighted the need for year-round access to digital resources and better technology support. In response, PCA added summer tech checkouts and enhanced Chromebook distribution protocols (Goal 1, Action 4). Teachers requested greater access to standards-aligned digital tools**,** which led to expanded integration of BrainPOP, Lexia, and Reading Horizons (Goal 1, Action 2). To streamline resource access, the school also improved supply tracking and facility inspection procedures.

Goal 2: College and Career Readiness

Students expressed a desire for more visible CTE opportunities and earlier college/career planning. In response, PCA launched three new CTE pathways, increased counselor-led A–G planning meetings, and expanded dual enrollment offerings with flexible outreach for families (Goal 2, Actions 1, 3, and 4). AP offerings were also expanded based on student and teacher requests, with training support provided to staff (Goal 2, Action 2).

Goal 3: Academic Supports and Family Engagement

Parents requested more multilingual engagement and clarity around support services. In response, PCA hired a Parent Liaison and developed new multilingual workshop series (Goal 3, Action 1). Stakeholders emphasized the need for expanded SEL and MTSS supports, leading to the hiring of a credentialed Mental Health Professional and a redesign of Tier 2/3 supports (Goal 3, Action 2). Staff also called for clearer academic growth tracking, prompting expanded use of STAR360 diagnostics (Goal 3, Action 4). Additional feedback led to new engagement strategies such as "Explore PCA" bingo cards and QR code surveys to increase parent participation.

Title I Planning:

As PCA uses its LCAP as the School Plan for Student Achievement (SPSA), input from the Title I School Site Council was reviewed. The Council confirmed that no additional Title I-funded activities were required beyond those already embedded in the plan. This is documented to clarify that all Title I-related strategies are already integrated into the broader LCAP goals.

Goal

Goal #	Description	Type of Goal
1	**Optimize Conditions for Learning:** This goal focuses on ensuring student engagement by optimizing conditions for learning by addressing the LCFF priorities 1, 5 and 6.	Broad

State Priorities addressed by this goal.

Priority 1: Basic Services: (Rate of teacher misassignment, access to standards-aligned instructional materials and facilities in good repair-Fit Survey).

Priority 5: Student Engagement: School attendance rates, Chronic Absenteeism rates, Middle school dropout rate, High school graduation and dropout rate (School Pathways/CalPads).

Priority 6: School Climate: (Student suspension and expulsion rates; student surveys, English learner advisory Committee, Title I report)

An explanation of why the LEA has developed this goal.

The Local Control and Accountability Plan (LCAP) is a three-year plan (2024-25 through 2026-27) initially informed by performance data in the 2022-2023 school year. Goal one is considered a Maintenance Goal, and relevant data suggests corresponding actions are effectively helping to meet this Goal.

In 2023-2024, ninety-nine percent of the teachers were fully credentialed and appropriately assigned based on California Education Code 44865. All students had access to instructional material aligned with state academic standards. The student attendance rate was 98%, the chronic absenteeism rate is 0.8% (Blue on Dashboard), and the suspension and expulsion rate were 0% (both were Blue on Dashboard). The climate surveys indicate that most of our students and parents feel safe and connected to the school.

The 2023-2024 high school graduation rate is 92%, higher than the state rate of 86.7%. Numerically significant subgroups' graduation rates are as follows: Socioeconomically disadvantaged group was 94.4%, Students with Disabilities 78.6%, Hispanic students 93.1%, and White students 90.6%. The overall graduation rate improved by 0.6% from the previous year. The California School Dashboard color was green for schoolwide and all student groups except for White student group. White student group received a yellow color on the dashboard due to a slight decrease (1%) in graduation rate, The focus continues to be on improving the quality of engagement data related to student, staff, and family engagement.

Goal 1 Analysis for [2024-25]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

During the 2023–24 school year, Pacific Coast Academy implemented the planned actions related to ensuring students had access to credentialed teachers, instructional materials, appropriate facilities, technology, and engagement tools. While most actions were carried out as intended, there were some differences in timelines and resource delivery, particularly regarding technology distribution and in-person engagement events, which varied across regions. Nonetheless, all students were assigned appropriately credentialed teachers and had access to core materials. Expanded professional development opportunities and increased tech access supported overall implementation success.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In reviewing expenditures for Goal 1, there were minimal differences between the budgeted and actual costs, with most planned actions executed as expected. For instance, Action 1.4 (Technology), budgeted at $378,798, had an actual expenditure **of** $342,914, reflecting cost savings from lower-than-anticipated hardware and software pricing. Action 1.5 (Monitor Student Engagement), while budgeted at $500**,** had no reported expenditures, due to survey tools were integrated into existing platforms at no additional cost. All other Goal 1 actions, including credentialed staffing and instructional materials, were implemented on budget, and no changes in percentage of improved services were noted.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The actions under this goal were largely effective in supporting student access and success. Credentialing compliance remained high, and the implementation of online platforms (e.g., IXL, Reading Eggs) helped support student achievement, especially among priority groups. The professional development offerings increased staff knowledge of curricular tools and engagement strategies. However, feedback from staff noted a need for more personalized PD, extended tech access into summer, and a streamlined process for tech checkout.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

In response to feedback and implementation review: Access to tools such as BrainPOP and Lexia will be expanded; New supports will be added to streamline tech checkout for students and staff; Summer access to instructional materials and technology will be promoted; More customized PD offerings, including SEL and grade-span focused sessions, will be introduced; Family engagement strategies tied to survey incentives and QR outreach cards will also be implemented. In addition, the following metrics were added: Middle and High School student dropout rate, and school wide attendance rate.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	**Improve College and Career Readiness:** Goal 2 is a Focused Goal intended to increase/improve college and career readiness. Research indicates that the skills needed to succeed in the modern workforce overlap significantly with those needed to succeed in college. This Goal is essential to offering high school students a quality opportunity to prepare for and demonstrate college and career readiness, particularly those living in poverty or foster care and those learning English. This Goal addresses LCFF priorities 4 and 7.	**Broad**

State Priorities addressed by this goal.

Priority 4: Student Achievement: Performance on Standardized Tests, College- and -Career Readiness Indicator: Graduation rate, EAP indicating percentage of students prepared for College, English Leaner Progress toward English proficiency (Title III), English Leaner Reclassification rate, Students pass AP exams with 3 or higher (AP results & College Board online reports).

Priority 7: Course Access: Students have access and are enrolled in all required areas of student (Student Learning Contract, School Pathways).

An explanation of why the LEA has developed this goal.

This Focused Goal and corresponding Actions were developed in collaboration with our educational partners based on related student performance data and interests. Students indicated they enjoy increased opportunities to participate in career-related programs and want to continue taking an increased number and variety of apprenticeships. Families have clearly expressed their desire to ensure that their children/teens are ready for their choice of college or a career immediately following high school. During meetings, we have shared research indicating that the skills needed to succeed in the modern workforce overlap significantly with those needed to succeed in college. Additionally, staff (teachers/classified/administrators) reviewed our related performance data (see below) and have suggested the four specific Actions we have adopted to meet this Goal. The Actions were intentionally aligned to the state's metrics to assess college and career readiness.

In 2023-2024: A review of College and Career Readiness Indicator (CCRI) demonstrates a need to improve the number of students who graduate meeting prepared on the CCRI, meet A-G requirements, increase enrollment in at least two Advanced Placement (AP) course and score 3 or higher on two AP examinations, and increase the percentage of students who complete a CTE pathways prior to graduation. The following examples indicate that the Actions in Goal 2 are beginning to improve college and career readiness indicator among students. For example, 45.6% of high school students graduating were prepared

for College and Career Indicator. Of the 45.6% students who were identified as prepared on the College and Career Readiness Indicator (CCRI), 76.4% of the students completed college coursework with a grade of C- or better in academic/Career Technical Education (CTE) subjects where college credits are awarded and 3.6% of the students scored 3 or higher on two Advanced Placement courses, who were identified as being prepared on the College and Career Indicator. met UC/CSU requirements upon graduation. The graduating cohort had 58.8% met A-G course requirements. In 2024, 43.8% Earned a Golden Seal Merit Diploma. We continue to add CTE courses to support students' interest and career path.

Goal 2 Analysis for [2024-2025]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Goal 2 focused on increasing student access to college and career readiness opportunities. Actions were implemented as planned, including expansion of dual enrollment options, career pathway awareness, and support for A–G aligned coursework. Additional AP course offerings were introduced, and several students participated in community college programs. While the Fast Track A–G Summer Program was piloted successfully, participation varied across regions due to awareness and scheduling. One challenge was ensuring consistent student understanding of CTE pathways; however, teacher and counselor involvement helped bridge this gap.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Goal 2 actions were closely aligned with the budget, with most actuals falling within expected ranges. Action 2.1 (CTE Pathways**)** was budgeted at $124,369 and slightly exceeded projections at $127,418, reflecting additional costs in instructional materials. Action 2.2 (AP courses and exams**)** came in under budget at $345,824 versus $393,044, due in part to fewer students than expected registering for multiple AP exams. Action 2.3 (A–G Readiness) and Action 2.4 (College Credit Courses) were both slightly over budget **(**$282,311 vs. $273,095 and $51,574 vs. $30,000**,** respectively), likely due to increased dual enrollment materials and counselor support. Overall, these differences were modest and did not materially affect the implementation or proportional services.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

The actions taken under this goal were effective in expanding student options and increasing alignment with college/career goals. Students reported greater awareness of CTE and AP offerings, and staff supported the development of A–G aligned Individual Graduation Plans (IGPs). Staff also helped students access virtual and in-person dual enrollment. Early outreach and pathway exposure at the middle school level still need further development, and students expressed interest in clearer CTE communications.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Based on reflections: Three new CTE pathways will launch through SkyRocket, with no cost to families; Early CTE exposure will be expanded for middle school students; More AP courses will be added (e.g., Human Geography, Pre-Calculus), and lab kits and AP summer training will be provided; The Fast Track A–G Summer Program will be expanded and better promoted; IGP forms will be revised to emphasize A–G planning,

and a Spanish Heritage track will be explored; Professional development for counselors and staff supporting CCRI and CTE will be expanded. In addition, the metric for the statewide science assessment was added.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	**Improve Access and Success in a Broad Course of Study** This Goal is a Broad Goal and focuses on providing each student with the support they need to attain the expected learning outcomes for each class, particularly those required (per state or district policy). Each student has different needs related to learning, including academic specific needs and social-emotional needs. This Goal addresses LCFF priorities 2, 3, 4 and 7.	Broad

State Priorities addressed by this goal.

Priority 2: CCSS Implementation (Teacher participation in training/workshop regarding CCSS) for all students, including English Learners.

Priority 3: Parent Involvement: Efforts to seek parent input (WASC, LCAP, Surveys, LCAP Advisory, English Learner committee) and Promotion of parent participation (committees, school enrichment, field trips, student clubs, etc.,)

Priority 4: Student Achievement: Performance on Standardized Tests, College- and -Career Readiness Indicator: Graduation rate, EAP indicating percentage of students prepared for College, English Leaner Progress toward English proficiency (Title III), English Learner Reclassification rate, Students pass AP exams with 3 or higher (AP results & College Board online reports).

Priority 7: Course Access: Students have access and enrollment in all required areas of student (Student Learning Contract, School Pathway).

An explanation of why the LEA has developed this goal.

Goal 3 and corresponding Actions identify and address various needs of students to mitigate learning loss and accelerate learning, particularly those living in poverty or foster care, those learning English, those experiencing homelessness, and those with exceptional needs.

To improve student engagement and thus academic success, the Goal 3 Actions mirror California's multi-tiered system of support framework (MTSS), an inclusive model for meeting all students' needs, including those with exceptional needs. For example, Action 3.2 focuses on increasing and improving support beyond the initial instruction (Tier 2) to help students access and succeed academically. The designed metrics measure the success of the Actions. For example, one of the metrics involves monitoring the percentage of parents/guardians of English Learners, those in foster care, and those living in low socio-economic conditions (priority groups) who meet with a counselor/coordinator once per school year. These meetings play a pivotal role in reviewing academic progress, including identifying challenges, and needed support to maximize student learning. We believe student disengagement affected student performance outcomes. We made a concerted effort to identify students in need of support beyond Tier 1, particularly those in foster care, and those living in low socio-economic conditions (priority groups). However, a low percentage participated in Tier 2 services with fidelity.

Thus, indicating the need to maintain Goal 3 while there are indications that our Goal 3 Actions are affecting positive change. For example, according to the 2024 California School Dashboard 2024 English Learner Progress Indicator (ELPI), 48.5% of the students were making progress toward English Language Proficiency which is slightly higher than the state rate of 45.7%. In 2024, 23.53% of the English Language Learners

(ELLs) scored At Proficient on the English Language Proficiency Assessment for California (ELPAC), higher than the state rate of 14.63%. The success of the ELL progress is attributed to Goal 3 Actions, including Action 3.3 (hiring an English Language Development (ELD) Director to provide related professional learning).

Goal Analysis for [2024-2025]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Goal 3 focused on expanding academic supports, improving family engagement, and strengthening services for students with exceptional needs. The majority of planned actions were implemented successfully. Key supports included increased outreach through newsletters, social media, and school events; expansion of tiered academic support; and improved communication about special education and English learner services. One challenge was consistently reaching families across diverse regions, though efforts such as park days, parent workshops, and staff outreach helped mitigate this. Virtual and in-person supports were adapted based on family needs and feedback.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Spending under Goal 3 remained largely consistent with planned expenditures, though some actions did experience some adjustments. Action 3.2 (Academic and Social-Emotional Supports) was originally budgeted at $2,681,950 and had a higher actual expenditure of $2,900,970**,** due to expanded staffing needs and increased support service costs. Action 3.1 (Parental Involvement**)** also slightly exceeded its budget **(**$191,737 actual vs. $170,244 planned) due to increased outreach activities and workshops. Conversely, Action 3.3 (English Learner Support) came in under budget **(**$140,310 actual vs. $153,351 planned**),** as some professional development costs were absorbed through other funding sources. These variations were expected and consistent with evolving student and family needs across regions. All contributing actions remained within the parameters of proportional services required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

These actions were generally effective in supporting student academic and social-emotional needs while increasing family connection to the school. Staff reported improved use of resources such as the digital library and academic interventions. Parent participation in workshops and advisory meetings increased slightly. However, staff and families requested more structured SEL training, family incentives, and tools to help families understand academic programs and assessments more clearly

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Informed by feedback and outcomes: Additional outreach strategies will be used (e.g., “Explore PCA” bingo cards, QR code survey incentives); SEL support will expand to include guest speakers and mental health-focused workshops for both staff and families; Staff roles were updated (e.g., replacing SEL Coordinator with Mental Health Professional) and new positions proposed (e.g., SLP, Program Specialist); More visual and multilingual communication tools will be used to support family understanding of assessments and services; SPED and EL-specific events (e.g.,

biliteracy park days) will be introduced; and Continued focus on personalized academic supports such as pacing guides, enrichment access, and home learning resources. In addition, a metric for the English Learner Reclassification rate will be added and monitored.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #(s)	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.4	Student surveys and demographic analysis show that many unduplicated students including English Learners, low-income students, and foster youth, lack consistent access to updated technology and reliable internet. Given that PCA operates in an online instructional model, tech access is essential for equitable participation and learning success.	Devices and internet hotspots are distributed schoolwide, but they principally benefit unduplicated students who lack resources at home. Updated devices and internet access ensure these students can access core content and digital platforms effectively.	Graduation rate, percentage of students with device access, tech support data, attendance rates
1.5	Many unduplicated students report low levels of school connectedness or disengagement. This may be due to environmental stressors such as economic hardship, housing instability, or limited access to emotional/academic support at home.	A research-based engagement survey is implemented schoolwide to diagnose reasons for disengagement. The results guide supports and interventions that disproportionately benefit unduplicated students by identifying barriers and needs.	Survey metrics: student connectedness, family perceptions, staff feedback on safety and support.
2.1	CCRI data indicates only 1.5% of students completed a CTE Pathway. Many unduplicated students lack access to career exploration, internships, or industry certifications due to financial limitations or geographic isolation.	CTE offerings and internships are expanded schoolwide to provide equitable access, but they address a major gap for unduplicated students who often do not have these opportunities outside of school.	CTE pathway completion, CCRI scores, participation in internships
2.2	Low AP exam success (only 1.5% scored 3+ in 2024) indicates a lack of access and readiness, particularly for unduplicated students. These students often lack access to AP prep tools, tutoring, or home support to succeed in rigorous coursework.	Expands AP offerings and staff training to increase access and support for all students. Principally benefits unduplicated students by reducing cost and readiness barriers.	AP pass rate (3+), CCRI indicator, AP course enrollment.
2.3	A little over half (58.8%) of PCA graduates met UC/CSU A–G eligibility. Unduplicated students are often unfamiliar with A–G requirements and lack guidance to select and succeed in required courses.	Adds academic counselors to reduce caseloads and improve A–G tracking and course selection. Helps unduplicated students stay on path to 4-year college eligibility.	A–G completion rate, counselor meeting logs, UC/CSU eligibility data

2.4	In 2024, 52.9% of college credits earned are from students marked 'Prepared' on the CCRI, overall preparedness remains low (45.6%). Unduplicated students often lack exposure to college environments, can't afford course materials, and face barriers to counseling access.	Supports dual enrollment access by paying fees, materials, and offering flexible parent support hours. Removes access and equity barriers for unduplicated families.	College course enrollment and completion, CCRI preparedness, parent engagement logs
3.1	Family engagement data shows low awareness of academic and SEL supports. Families of unduplicated students are least likely to receive or understand this information, often due to language, time, or work-related constraints.	Funds a parent liaison and workshops to increase communication and awareness. Designed schoolwide but targets unduplicated families who benefit most from outreach.	Workshop attendance, follow-up surveys, % of students identified for Tier 2/3 supports
3.2	Survey results and MTSS data show a need for increased Tier 2/3 interventions. Unduplicated students are more likely to face academic and social-emotional challenges, exacerbated by economic stress and post-pandemic effects.	Provides intervention coordinators, SEL staff, and behavior supports. These services help unduplicated students access core instruction and SEL care in a structured MTSS model.	Tier 2/3 service counts, staff caseloads, parent-counselor meetings
3.3	Unduplicated students experienced the greatest learning loss during school breaks. There is a continued need for diagnostics to monitor recovery and adjust supports.	Implements STAR360 for all students, enabling regular growth tracking. Principally benefits unduplicated students who need timely, data-informed intervention.	STAR360 growth, subgroup performance gaps, CCRI "Prepared" rate

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
3.3	Only 48.5% of English Learners are making progress toward English proficiency (ELPI), and 24% scored Proficient on the ELPAC, despite being above the state rate of 15%.	This action funds an English Language Development Director and integrated ELD professional learning. These supports address the unique needs of ELs by ensuring access to core instruction while building English proficiency and providing professional development to core teachers.	English Learner Progress Indicator (ELPI), ELPAC proficiency levels, reclassification rate
3.7	Significant achievement gaps exist among English Learners, students with disabilities, Latino students, and socioeconomically disadvantaged students. For example, only 5% of ELs and 28% of students with disabilities met standards in ELA according to the CAASPP data in 2023-24.	Funds a School Support Lead who provides direct, personalized academic monitoring and support for unduplicated students. This mitigates learning barriers linked to poverty, language needs, and other environmental factors.	Percentage of unduplicated students scoring “Met” or “Exceeded” on CAASPP ELA and Math assessments.

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

In addition to the school-wide (we are a single-school charter school) actions described in Prompt 1 (previous prompt), we will provide the following Actions on a Limited basis (not school-wide) to improve or increase services for priority groups. For all Actions (schoolwide and limited) identified as Contributing, we determine the percent contributing to our required increased or improved percentage by using a quantitative metric (an LCFF dollar amount) --We will ***not*** use a qualitative methodology for any Actions. Our **r**equired percentage to increase or improve services is 7.1% ($5,846,124). The planned quantitative increase in services is 7.1% ($5,846,124**)** for actions listed below.
The following **school-wide** Action (please see the previous prompt) contribute to meeting our required percentage to increase or improve services—please see Action/Expenditure tables for details:
• Action 1.4- Technology
• Action 1.5- Monitor Student Engagement
• Action 2.1- Career Technical Education (CTE) Pathways
• Action 2.2- Advanced Placement (AP) courses and exams
• Action 2.3- A-G Readiness
• Action 2.4- College Credit Courses
• Action 3.1 -Parent Involvement.
• Action 3.2- Academic and Social-Emotional Support.

• Action 3.4- Interim Assessments

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

N/A. We do not qualify for concentration funds (our unduplicated percentage is less than 55%).

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [*EC*] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.

- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (*EC* Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.

- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:

    - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (*EC* Section 52064[b][4-6]).

- Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (*EC* sections 52064[b][1] and [2]).
    - **NOTE:** As specified in *EC* Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to *EC* Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, *EC* Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.
- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

> Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as "Not Applicable."

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

School districts and COEs: *EC* sections 52060(g) (California Legislative Information) and 52066(g) (California Legislative Information) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) (California Legislative Information) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that

support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the CDE's LCAP webpage.

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see Education Code Section 52062 (California Legislative Information);
    - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).
- For COEs, see Education Code Section 52068 (California Legislative Information); and
- For charter schools, see Education Code Section 47606.5 (California Legislative Information).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.

- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.

- For the purposes of this prompt, this may also include, but is not necessarily limited to:

    - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
    - Inclusion of metrics other than the statutorily required metrics
    - Determination of the target outcome on one or more metrics
    - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
    - Inclusion of action(s) or a group of actions
    - Elimination of action(s) or group of actions
    - Changes to the level of proposed expenditures for one or more actions
    - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
    - Analysis of effectiveness of the specific actions to achieve the goal
    - Analysis of material differences in expenditures
    - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
    - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
    - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The *LCFF State Priorities Summary* provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

(A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and

(B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.

- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
    - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
    - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
    - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).

- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: *EC* Section 42238.024(b)(1) (California Legislative Information) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.

- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.
- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
    - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals**: For each Equity Multiplier goal, the LEA must identify:
    - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or

- The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
  - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
  - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
  - Indicate the school year to which the baseline data applies.
  - The baseline data must remain unchanged throughout the three-year LCAP.
    - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.
    - If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
  - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
    - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
    - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. "Effective" means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as "Not Applicable."

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
    - Include a discussion of relevant challenges and successes experienced with the implementation process.
    - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. "Effectiveness" means the degree to which the actions were successful in producing the target result and "ineffectiveness" means that the actions did not produce any significant or targeted result.
    - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
    - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.

- Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
    - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
        - The reasons for the ineffectiveness, and
        - How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.
    - For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
    - As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.

- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No.

  - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496 in the Increased or Improved Services section of the LCAP.

***Actions for Foster Youth*:** School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:

  - Language acquisition programs, as defined in *EC* Section 306, provided to students, and

  - Professional development for teachers.

  - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.

- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:

- The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.

- These required actions will be effective for the three-year LCAP cycle.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the "minimum proportionality percentage" or "MPP." The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero ($0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 *CCR* Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.

- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
    - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
    - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year**: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

  See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 *CCR* Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #**: Enter the LCAP Goal number for the action.
- **Action #**: Enter the action's number as indicated in the LCAP Goal.
- **Action Title**: Provide a title of the action.

- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.

- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.

- If "Yes" is entered into the Contributing column, then complete the following columns:

    - **Scope**: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

    - **Unduplicated Student Group(s)**: Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.

    - **Location**: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.

- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."

- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.

- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds**: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).

    - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.

- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.

    - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the

LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

- **Local Funds**: Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds**: Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds**: This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services**: For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
    - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

      For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost $165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of $165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures**: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions**: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
    - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been $169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of $169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant**: Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 *CCR* Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
    - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**
    - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
    - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
    - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
    - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).

- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
    - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
    - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
    - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
    - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**
    - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
    - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
    - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

      The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**

- This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

Resolution of Pacific Coast Academy Board of Directors
2025-04

RESOLUTION REGARDING EMPLOYEE RETENTION STIPENDS

WHEREAS, the Pacific Coast Academy Board of Directors ("Board") governs the Pacific Coast Academy ("Charter School"), a nonprofit public benefit corporation, within the confines of both federal and state statutes governing charter schools and nonprofit corporations;

WHEREAS, California is experiencing a severe teacher shortage, which has been exacerbated by the COVID-19 pandemic;

WHEREAS, all Charter Schools employees have endured tremendous hardships during the months following the pandemic due to the additional stresses and demands resulting from the COVID-19 pandemic, creating, at times, low employee morale making employee retention a focus of the Charter School;

WHEREAS, Charter School has experienced a higher than typical employee resignation rate during and following the existence of the COVID-19 pandemic;

WHEREAS, Charter School understands and believes that high staff morale is in the best interest of educating its students, since it leads to increased staff retention, creating a positive learning environment for children served by the Charter School;

WHEREAS, it has been an accepted practice to expend public funds to maintain operations and continuity of services and to continue to employ existing staff in the aftermath of the COVID-19 pandemic;

WHEREAS, Charter School believes that an employee retention stipend of $5,000.00 for each classified hourly staff member and 12% of the base salary (minimum of $7,500) for each certificated and/or salaried staff member, to be paid at the conclusion of the 2024-25 school year for each employee serves the public purposes of the Charter School in that employees who are financially incentivized to stay employed with the Charter School further the mission and vision of the Charter School in educating children;

WHEREAS, Charter School wishes to provide an employee retention stipend of $5,000.00 for each classified hourly staff member and 12% of the base salary (minimum of $7,500) for each certificated and/or salaried staff member that were hired as of December 31, 2024, and wishes to provide an employee retention stipend of $2,500.00 to those hourly classified staff members and 5% of the base salary (minimum $3,750) for certificated and/or salaried staff members that were hired between January 1, 2025 and March 31, 2025. Staff members hired after March 31, 2025 are not eligible for the employee retention stipend.

WHEREAS, to be eligible for the employee retention stipend, staff members must commit to return to work at the Charter School for the 2025-26 school year by signing an employment contract and must work for the entire first semester of the 2025-26 school year. In addition, to be eligible for the employee retention stipend, staff members must have actively worked for the Charter School during some portion of the 2024-25 school year.

NOW, THEREFORE BE IT RESOLVED, that the Pacific Coast Academy Board of Directors:

Authorizes the Executive Director to pay each employee of the Charter School an employee retention stipend of $5,000.00 to each hourly classified staff member and 12% of the base salary (minimum of $7,500) for each certificated and/or salaried staff member at the conclusion of the 2024-25 school year for the purpose of retaining staff to further the public purpose of providing a high-quality education to the students of the Charter School.

To be eligible for an employee retention stipend, the employee must commit to return to work at the Charter School for the 2025-26 school year by signing an employment contract and must work for the entire first semester of the 2025-26 school year. In addition, to be eligible for the employee retention stipend, staff members must have actively worked for the Charter School during some portion of the 2024-25 school year.

The Executive Director shall pay an employee retention stipend of $5,000.00 each hourly classified staff member and 12% of the base salary (minimum of $7,500) for each certificated and/or salaried staff member that were hired as of December 31, 2024, and wishes to provide an employee retention stipend of $2,500.00 to those hourly classified staff members and 5% of the base salary (minimum $3,750) for certificated and/or salaried staff members that were hired between January 1, 2025 and March 31, 2025. Employees hired after March 31, 2024, are not eligible for the employee retention stipend.

The Executive Director, or designee, is authorized to seek repayment of the employee retention stipend from any employee who fails to remain employed by the Charter School for the entire first semester of the 2025-26 school year.

Resolution of Pacific Coast Academy Board of Directors
2025-03
OPPOSITION TO AB 84 (MURATSUCHI) AND SUPPORT FOR SB 414 (ASHBY)

WHEREAS, charter public schools in California serve more than 700,000 students across the state and are committed to providing high-quality, innovative, and student-centered public education options; and

WHEREAS, AB 84 (Muratsuchi) proposes sweeping changes to charter school law that would impose costly, burdensome, and compliance-driven mandates on all charter schools, regardless of performance, size, or model; and

WHEREAS, AB 84 would triple authorizer oversight fees, impose rigid credentialing requirements, restrict school growth, and reduce funding for schools that offer flexible or nontraditional instructional models—without regard to student academic achievement; and

WHEREAS, these provisions would significantly undermine the operational flexibility and autonomy that allow charter schools to meet the diverse needs of their students and communities; and

WHEREAS, SB 414 (Ashby) offers a balanced and reasonable alternative that addresses fraud prevention and improves fiscal transparency through targeted reforms based on recommendations from the Legislative Analyst's Office, FCMAT, and the State Controller's Office; and

WHEREAS, SB 414 was developed in collaboration with charter school leaders and provides thoughtful improvements to vendor oversight, auditing practices, and authorizer accountability—without penalizing high-performing schools or reducing access to public school options;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of Pacific Coast Academy formally opposes AB 84 (Muratsuchi) in its current form as an overreaching and harmful policy that threatens the quality, innovation, and sustainability of California's charter schools;

BE IT FURTHER RESOLVED, that the Board of Directors of Pacific Coast Academy expresses its strong support for SB 414 (Ashby) as a more effective, fair, and collaborative approach to ensuring fiscal accountability and protecting students;

BE IT FURTHER RESOLVED, that the Executive Director or designee is authorized to take appropriate action to communicate this position to policymakers, stakeholders, and the broader public, and to participate in advocacy efforts consistent with this resolution.

ARTIFICIAL INTELLIGENCE (AI) POLICY

PURPOSE AND SCOPE

Pacific Coast Academy ("School") is committed to facilitating the responsible and effective use of artificial intelligence ("AI") technology. The School recognizes that AI-powered technology has the potential to enhance student learning experiences and support staff, but AI-powered technology also presents significant risks and challenges.

This policy serves to provide guidelines for School staff on the appropriate use of AI in School activities and operations. Given the rapidly changing nature of this landscape, the School's Executive Director will review this policy regularly and may update it at any time and for any reason in School's sole discretion.

Feedback and input from School staff or other stakeholders about School use of AI-powered technology is welcomed and may be submitted to the Tech Department via https://pca.incidentiq.com/ at any time. School may also provide and require AI-related training opportunities for School staff from time to time and as needed.

DEFINITIONS

AI

Computer systems or software that perform tasks typically requiring human intelligence, including but not limited to learning, decision-making, and language processing. Examples include chatbots, automated assistants, image recognition tools, generative tools for text and images, automated grading systems, or content creation tools that can generate lesson materials or feedback.

AI Notetaker

A software tool that uses AI technology to automatically transcribe, summarize, or organize notes from meetings or conversations. It may record audio, generate transcripts, create to-do lists, summarize key points, create bullet points, and/or otherwise create, maintain, and/or circulate notes from meetings and conversations.

AI Assistant

An AI-powered tool that helps perform tasks including calendaring, scheduling, attending meetings, responding to emails, preparing emails or reports, answering questions, and/or other administrative tasks.

PROHIBITION ON USE OF AI NOTETAKERS AND AI ASSISTANTS

School prohibits the use of any AI Notetakers and/or AI Assistants including, not limited to, Otter AI, Zoom Notetaker, Fathom, Fireflies, and any other similar tools, including both paid and free versions that are

available online, as follows:

- No use of AI Notetakers or AI Assistants **during work hours**;
- No use of AI Notetakers or AI Assistants **for any work-related purposes**;
- No use of AI Notetakers or AI Assistants **on work equipment or work digital platforms**; and
- No use of AI Notetakers or AI Assistants **on personal devices for any School-related purposes**.

This prohibition is necessary to safeguard sensitive information, uphold student and staff privacy, encourage open dialogue during meetings and conversations, ensure a common understanding of meeting protocols, comply with applicable laws, and prevent unintended consequences.

- AI Notetakers and/or AI Assistants often store, generate, and process data externally, increasing the risk of data breaches and regulatory non-compliance.
- AI Notetakers and/or AI Assistants sometimes transcribe or record meetings, which is not permissible except in limited types of meetings as set forth by law. For questions about whether it is permissible to record or transcribe a meeting, reach out to the Tech Department via https://pca.incidentiq.com/.

For notetaking and administrative assistance, all staff are required to use locally managed, secure alternatives as needed, such as handwritten or typed notes.

If any member of School staff sees an AI Notetaker and/or AI Assistant being used in a School meeting, such as by a parent, an outside vendor, or another agency, School staff is required to reach out to the Deputy Executive Director.

- Unless specifically authorized, School employees may not consent on the School's behalf to the use of an AI tool in school meetings.

REQUESTS, DILIGENCE, AND POTENTIAL APPROVAL PROCESS FOR AI NOTETAKERS AND/OR AI ASSISTANTS

To the extent any member of School staff seeks to use a specific AI Notetaker and/or AI Assistant during work hours, for any work-related purposes, on work equipment or work digital platforms, or on personal devices for any School-related purposes, School staff must:

- Request pre-approval prior to any use (including demos) from the Tech Department by submitting a written request via https://pca.incidentiq.com/.
- The Executive Director evaluates all prospective AI tool usage to ensure compliance with School policies and grants approval for AI tool usage only for educational and administrative purposes. The evaluation process ensures that approved AI tools and their approved usage(s) comply with relevant privacy laws, including but not limited to the Family Educational Rights and Privacy Act and the Children's Online Privacy Protection Act.
- The Technology Department will inform School staff if the use of any specific AI Notetaker and/or AI Assistant is permitted. Until and unless the use of any AI Notetaker and/or AI Assistant is

expressly permitted, School staff shall comply with the prohibition herein.

School will conduct regular assessments of approved AI Notetaker and/or AI Assistant tools to, e.g., safeguard against security vulnerabilities and evaluate for continued compliance with School policies and goals. School may withdraw its approval of AI Notetaker and/or AI Assistant tools in its discretion at any time and will notify staff who may be using previously approved AI tools of the change.

DATA PRIVACY AND SECURITY

School staff are required to protect and safeguard all confidential, privileged, and sensitive information of School and its students and staff ("Confidential Information"), which includes <u>not</u> sharing any Confidential Information with any third-party AI system unless approved in advance by the Executive Director.

SECTION 1 – WELCOME

Welcome to Pacific Coast Academy!

We are happy to have you join us at Pacific Coast Academy (PCA or School). We believe our School is truly unique. We serve a diverse group of talented and hardworking students. We regard the work we do as being of utmost importance. Therefore, we have very high expectations for professionalism and performance for each one of our employees. All employees should treat all individuals, including students, teachers, administrators, volunteers, and family members, with respect, and approach all situations as opportunities to learn.

This handbook has been written to provide you with an overview of PCA, its personnel policies and procedures, and your benefits as a PCA employee.

This handbook is intended to explain in general terms those policies that most often apply to your day-to-day work activities. This handbook cannot anticipate every situation or answer every question about employment, and it is not an employment contract. Employees are expected to read this handbook thoroughly upon receipt, to know and abide by the policies outlined herein, and as revised over time, throughout their employment. No PCA guideline, practice, manual or rule may alter the “at-will” status of your relationship with PCA.

In order to retain necessary flexibility in the administration of its policies, procedures and benefits, PCA reserves the right to change, deviate from, eliminate, or revise the handbook, except for the at-will provisions, at any time, without notice, whenever PCA determines that such action is warranted. For these reasons, we urge you to check with your supervisor to obtain current information regarding the status of any particular policy, procedure or practice. This handbook supersedes and replaces all previous personnel policies, practices and procedures.

We welcome you and wish you great success and fulfillment at PCA.

SECTION 2 – GENERAL

This handbook serves as a guide for the employer/employee relationship. This handbook applies to faculty and staff at PCA.

This handbook contains only general information and guidelines. It is not intended to be comprehensive or to address all the possible applications of, or exceptions to, the general policies and procedures described. For that reason, if you have any questions concerning eligibility for a particular benefit, or the applicability of a policy or practice to you, you should address your specific questions to your supervisor or Human Resources. You are responsible for reading, understanding, and complying with the provisions of this handbook. Our objective is to provide you with a work environment that is constructive to both personal and professional growth.

Neither this handbook nor any other PCA document confers any contractual right, either express or implied, to remain in PCA's employ, nor does it guarantee any fixed term or condition of your employment. Except as otherwise provided in an executed employment agreement, your employment is not for any specified period of time and may be terminated at will, with or without cause and without prior notice, by PCA or you may resign for any reason at any time.

No supervisor or other representative of PCA except the Executive Director, with the approval of the Board of Directors, has the authority to enter into any agreement for employment for any specified period of time, or to make any agreement contrary to the above. Further, the procedures, practices, policies and benefits described herein may be modified or discontinued from time to time with or without advance notice. We will try to inform you of any changes as they occur.

SECTION 3 – PHILOSOPHY

CORE PURPOSE

PCA exists to inspire children to realize their potential to become extraordinary and active members of society.

CORE VALUES

The following three core values are what distinguish PCA from other schools:

- Mentoring – to inspire students to forge their paths in the world
- Passionate – to strive for excellence
- Collaborative – to be active, engaging, and contributing team members

PERMISSION-TO-PLAY VALUES

The following Permission-to-Play values are minimum behavioral standards that all employees must exhibit consistently:

- Innovative
- Dynamic
- Results-oriented
- Data-driven
- Extraordinary
- Confident
- Energetic

STRATEGIC ANCHORS

To ensure success of our core purpose and core values, PCA will use the following two strategic anchors to inform every decision the School makes and the basis for how decisions and actions will be evaluated:

- Academic achievement through relevant curricula, clear expectations, and shared accountability
- Relationship building through mentorship and consistent communication

SCHOOLWIDE LEARNER OUTCOMES

At Pacific Coast Academy, we have goals for our students that are known as Schoolwide Learner Outcomes (SLOs). SLOs are a part of our School culture: they reflect our School vision, the College and Career Readiness standards, and the education of the whole child.

Pacific Coast Academy's Students are:

- **Inquisitive Learners -** Inquisitive learners are investigative, inquiring, ask probing questions, and desire to learn more.
- **Navigators of the Digital World -** Navigators of the digital world who are proficient in the use of technology, media, and online resources.
- **Self-Directed -** Self-directed and motivated students who are able to set attainable goals to achieve academic success.
- **Personalized Learners -** Personalized learners who are able to thrive in the style of education that best fits their individual needs.
- **Independent Critical Thinkers -** Independent critical thinkers who have the ability to problem solve, take ownership, and apply their knowledge to a variety of problems.
- **Responsible Citizens -** Responsible citizens who demonstrate integrity and respect while actively seeking knowledge of local and global issues.
- **Effective Communicators -** Effective communicators who can thoughtfully articulate their thinking with confidence while collaborating with peers.

SECTION 4 – EMPLOYMENT

EMPLOYMENT APPLICATIONS

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment. Certificated applicants are required to provide prospective employers with a complete list of every local educational agency by which the applicant had been employed. Failure to provide a complete and accurate list, or receipt by the School of information from a prior employer, may result in exclusion of the individual from further consideration for employment, or if the person has been hired, termination of employment.

AT WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both you and PCA will have the right to terminate your employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, PCA may eliminate or change any term or condition of your employment (including but not limited to your job assignment, duties, or salary) at will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called “employment at will,” and no one other than the Executive Director of PCA with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict PCA’s right to terminate at-will.

EQUAL EMPLOYMENT OPPORTUNITY

PCA is an equal opportunity employer. In accordance with applicable law, PCA prohibits discrimination against any employee or applicant for employment on the basis of an individual’s protected status, including race (which includes historically associated traits, such as hair styles and protective hair styles, e.g., braids, locks, and twists), color, religious creed (which includes, without limitation to religious dress and grooming practices), gender, gender identity, gender expression, transgender identity whether or not the employee is transitioning or has transitioned, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability (including HIV and AIDS), mental disability, medical condition (including cancer and genetic characteristics), genetic information, age (forty (40) and over), sexual orientation, marital status, registered domestic partner status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), reproductive health decision-making (including but not limited to a decision to use or access a particular drug, device or product or medical services for

reproductive health), military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical and other protected leaves, domestic violence victim status, political affiliation, refusal to participate in an employer-sponsored meeting(s) or employer communications, the purpose of which is to communicate the employer's opinion about religious or political matters, or any other consideration protected by applicable law, or a combination of any of those characteristics. These categories include a perception that the individual has any of these characteristics or a combination thereof is associated with a person who has (or is perceived to have) any of these characteristics or a combination thereof. PCA will ensure that applicants and employees are treated in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, PCA will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to PCA. An applicant or employee who believes they require an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation they need to perform the job. PCA will analyze the situation, engage in an interactive process with the individual, and respond to the individual's request.

If you believe you have been subjected to discrimination, please follow the complaint procedure outlined below.

HARASSMENT

It is the policy of PCA to ensure equal employment opportunity without harassment on the basis of race (which includes, but is not limited to, traits historically associated with race, including, but not limited to, hair texture and protective hairstyles), religious creed (which includes, without limitation, to religious dress and grooming practices), gender, gender identity, gender expression, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, genetic information, age, sexual orientation, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), reproductive health decision-making (including but not limited to a decision to use or access a particular drug, device or product or medical services for reproductive health), military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical leaves, domestic violence victim status, political affiliation, or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics.

PCA prohibits any such harassment in the workplace. In addition, we prohibit abusive conduct/workplace

bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying and that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors or other third parties, who have workplace contact with our employees. This policy applies to all applicants and employees (or other listed individuals), whether related to conduct engaged in by fellow employees or someone not directly connected to PCA (e.g., an outside vendor, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or School-related social events.

What is Harassment?

Harassment can take many forms. As used in this Employee Handbook, the term "harassment" includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:

- Offensive remarks, comments, jokes or slurs pertaining to an individual's race, religion, sex, sexual orientation, gender or gender identity or gender expression, age, national origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages

- Offensive pictures, drawings or photographs or other communications, including email, text messages, or other forms of electronic communication
- Holding work functions in inappropriate venues, such as a strip-club

    - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment
    - Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual
    - Such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile or offensive working environment

What Is Abusive Conduct/Workplace Bullying?

    - Use of derogatory remarks, insults and/or epithets.
    - Verbal or physical conduct that sabotages or undermines a person's work performance that is threatening, humiliating or intimidating.
- Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt School operations and interfere with the privacy of others.

What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination, or for participating in an investigation of a claim of such conduct is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

As used in this policy, "retaliation" means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected activity may include, but is not necessarily limited to, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an "adverse employment action" means conduct or an action that materially affects the terms and conditions of the employee's employment status or is reasonably likely to deter the employee from engaging in further protected activity. Adverse employment actions may include, but are not limited to, the following: demotion; suspension; reduction in pay; denial of a merit salary increase; failure to hire or consider for hire; refusing to promote or consider for promotion because of reporting a violation of this policy: harassing another employee for filing a complaint:, denying employment opportunities; changing an employee's work assignments for identifying harassment or other forms of discrimination in the workplace; treating an employee differently such as denying an accommodation; not talking to an employee (the "cold shoulder") when otherwise required by job duties; or otherwise excluding the employee from job-related activities because of engagement in activities protected under this policy.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes they have been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

Responsibility

All PCA employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

Reporting

PCA encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender's identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, the Executive Director or Human Resources. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint. In addition, PCA encourages individuals who believe they are being subjected to such conduct to promptly advise the offender their behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. PCA recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although confidentiality cannot be guaranteed. PCA is serious about enforcing its policy against harassment; however, PCA cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to PCA's attention so it can take whatever steps are necessary to correct the problems.

All employees who witness potential violations of this policy, and particularly supervisors, are required to immediately report such incidents to their immediate supervisor, the Executive Director, or Human Resources. Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Human Resources, the Executive Director or the Chair of the Board of Directors, if appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination.

All complaints submitted pursuant to this policy can be done in writing or verbally. Your complaint should be specific and should include the names of the individuals involved, the names of any witnesses, and any supporting documentation. Employees may choose to submit their complaints anonymously.

Investigation/Complaint Procedure

All complaints of harassment, discrimination, retaliation or abusive conduct will be promptly investigated.

PCA encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

PCA's investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter.

All employees are required to fully cooperate with PCA's investigation. which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including

termination.

During the investigation, PCA will provide regular progress updates, as appropriate, to those directly involved. PCA will strive to complete its investigation as efficiently as possible in light of the allegations and will reach any conclusions based on the evidence collected and credibility of the witnesses.

PCA may investigate conduct in the absence of a formal complaint if PCA has reason to believe that an individual has engaged in conduct that violates PCA policies or applicable law. Further. PCA may continue its investigation even if the original complainant withdraws their complaint during the course of the investigation.

Any conduct which PCA believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as PCA believes appropriate under the circumstances. Due to privacy protections, PCA may not be able to fully disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

Conclusion

This policy was developed to ensure that all employees work in an environment free from harassment, discrimination, abusive conduct and retaliation. PCA will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with Human Resources or the Executive Director. Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of PCA prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibitions against harassment, discrimination, abusive conduct, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

If you believe you have experienced discrimination, harassment, or abusive conduct you may file a Civil Rights Department (“CRD”) or Equal Employment Opportunity Commission complaint. For information contact the CRD or EEOC. You may find their phone numbers online at www.eeoc.gov and, http://www.calcivilrights.ca.gov respectively.

TRAINING REQUIREMENTS

PCA requires all employees to abide by California's training requirements, which includes training within six months of hire and retraining every two years thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

WHISTLEBLOWER POLICY

PCA is committed to maintaining a workplace where employees are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of PCA policy, specifically the policies contained in PCA's Employee Handbook.

An employee who wishes to report a suspected violation of law or PCA Policy may do so by contacting the Executive Director, Deputy Executive Director, or Human Resources.

PCA expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of PCA policy. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes they have been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: the Executive Director, Deputy Executive Director, or Human Resources. Any supervisor, manager, or human resources staff member that receives complaints of retaliation must immediately inform the Executive Director or Chair of the Board of Directors, if appropriate.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality as much as possible (although confidentiality cannot be guaranteed) and consistent with a full and fair investigation. Human Resources and a member of PCA's administration will conduct the investigation or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings as appropriate.

OPEN COMMUNICATION POLICY

We want to hear from you. PCA strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our School and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. PCA is interested in all our employee's success and fulfillment. We welcome all constructive suggestions and ideas.

Employees who have work-related concerns or complaints are encouraged to discuss them with their supervisor or the Executive Director. Employees are encouraged to raise their work-related concerns as soon as possible after the events that cause concern. PCA will attempt to keep the employee's concerns and complaints and any resulting investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this

Handbook.

LACTATION ACCOMMODATION POLICY

PCA provides a reasonable amount of break time to accommodate an employee's need to express breast milk for the employee's infant child.

A private location to express breast milk will be provided in close proximity to the employee's work area. The employee's normal work area may be used if it allows the employee to express milk in private. In certain circumstances, a temporary location, multipurpose room, or shared space may be provided in accordance with applicable law. The location will also meet the following requirements: not be a bathroom; be free from intrusion; be shielded from view; be safe, clean, and free of hazardous materials; contain a surface to place a breast pump and personal items; contain a place to sit; and have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump. In addition, the School shall provide access to a sink with running water and a refrigerator suitable for storing milk in close proximity to the employee's work area. If a refrigerator cannot be provided, the School may provide another cooling device suitable for storing milk, such as a School-provided cooler.

Employees requesting an accommodation under this policy should comply with the following requirements:

- The employee should complete an accommodation request form and contact the employee's supervisor or Human Resources to request designation of a location and time to express breast milk under this policy.
- The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

The School will engage the employee in an interactive process with the employee to determine when and where lactation breaks will occur, and will respond accordingly, generally within two business days. The School reserves the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes they have been retaliated against it should be reported immediately to their supervisor, Human Resources or Executive Director. Discrimination against and harassment of lactating employees in any form is unacceptable, a form of prohibited sex/gender discrimination, will not be tolerated at PCA and will be handled in accordance with PCA's policy on discrimination and harassment.

If any employee believes they have experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may also file a complaint with their supervisor and/or the Labor Commissioner's Office. For more information, contact the Labor Commissioner's Office by phone or visit a local office by finding the nearest one on the website: www.dir.ca.gov/dlse/DistrictOffices.htm. The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

PUBLIC RELATIONS

The success of a school depends upon the quality of the relationship among the school, its employees, students, parents and the general public. The public impression of PCA and its interest in our School will be formed in part, by PCA employees. Our employees are ambassadors. The more goodwill an employee promotes, the more employees, students, parents and the general public will respect and appreciate the employee, PCA, and our School's services.

Below are several things employees can do to help leave people with a good impression of PCA. These are the building blocks for our continued success:

- Communicate with parents regularly
- Act competently and deal with others in a courteous and respectful manner

- Follow up on requests and questions promptly, provide business-like and personable replies to inquiries and requests, and perform all duties in an orderly manner

SECTION 5 – THE EMPLOYMENT PROCESS

EMPLOYEE STATUS AND CLASSIFICATIONS

Each PCA employee is either a "full-time," "part-time," or "temporary" employee and either an "exempt" or "non-exempt" employee. Some of the policies and benefits described in this handbook depend on whether the employee is full-time or part-time. Full-time employees are those employees regularly scheduled to work 35 or more hours or more each week. Part-time employees are those regularly scheduled to work less than 35 hours each week. Temporary employees are those employed for short-term assignments or in connection with a specific project or event. Temporary employees are not eligible for employee benefits, except those mandated by applicable law.

Every member of the team is designated as a "Certificated employee" or "Classified employee." Some of the policies and benefits described in this handbook depend on how the employee is designated.

Exempt

This category includes all employees who are determined by the School to be exempt from certain wage and hour provisions of state and federal laws. Exempt employees are paid a fixed salary that is intended to cover all of the compensation to which they are entitled. Exempt employees will be expected to work the number of hours necessary to complete their assigned responsibilities. Because they are exempt, such employees are not entitled to additional compensation for extra hours of work. Typically, full-time Teachers and Administrators are exempt employees.

Non-Exempt

This category includes all employees who are covered by certain wage and hour provisions of state and federal laws. Non-exempt employees are entitled to overtime and double time pay as well as meal and rest breaks, as prescribed by law. Typically, all part-time and temporary employees are non-exempt. Additionally, most Classified staff are typically non-exempt employees.

Certificated Employee

Certificated Employees are teachers and administrators and work according to specified days on their board approved staff calendar.

Classified Employee

Classified Employees include those employees hired by PCA that do not primarily instruct students, nor require state certification, such as maintenance, assistants and other operational employees.

WORK SCHEDULES

All employees will be assigned a work schedule suitable for their job assignment and will be expected to begin and end work according to the schedule. Please note that schedules may vary depending on a variety of factors including whether you work during the academic year or on an annual basis. The Executive Director or your supervisor will assign your individual work schedule. In order to accommodate

the needs of our business, it may be necessary to change individual work schedules on either a short-term or long-term basis. All employees are expected to be at their desks or workstations at the start of their scheduled shift, ready to work. If you need to modify your schedule, request the change with Human Resources or your supervisor. All schedule changes or modifications must be approved by the Executive Director.

PCA reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment.

Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. Non-exempt employees are not allowed to work "off the clock." Attendance at School-sponsored functions is not compensated unless the supervisor has required you to attend. Employees violating these rules may be subject to disciplinary action up to and including termination.

The conditions of remote work include, but are not limited to the following:

Employee Expectations

For designated meetings and as requested by the supervisor, staff will be required to have their cameras on, be engaged in the conversation, and be prepared to respond when asked. Unless expressly authorized by their supervisor, non-exempt employees do not have permission to work at any time outside of their scheduled hours. If an employee will not be available for work during their normal hours, the employee must notify and obtain advanced approval from their supervisor.

Timekeeping Requirements

Non-exempt employees working remotely must comply with the School's timekeeping and meal and rest period policies while working remotely. Specifically, employees must accurately record all hours worked remotely in the School's timekeeping system. This means employees must record all times the employee begins, stops, or resumes working remotely. Non-exempt employees are also required to take a meal period while working remotely in accordance with School policies and must accurately record the start and stop times of each meal period. Employees are not required to record the times of any rest periods. All School property, unless otherwise specifically authorized by a supervisor, must be returned to the School's primary location upon the employee's conclusion of the remote work period. Employee is expected to ensure the protection of student and personnel privacy concerns, including, but not limited to ensuring that no private student information requiring protection by FERPA is disclosed to third parties without the parent's/guardian's consent, protecting School computers from access by third persons, keeping confidential information in locked

cabinets and any other protective measures in light of your particular position.

Travel

Employees must remain available to be physically present at the work site as needed by School operations. Employees may not work remotely from other states or locations which prevent physical presence without written permission.

Remote work is not a substitute for dependent care. Employees shall remain available during agreed upon work hours to work for the School.

Workspace Safety

- While working from home, Employee shall maintain a clearly defined workspace that is kept clean, orderly and free from hazardous conditions.
- The work area shall have adequate light so the Employee may successfully perform the requirements of the Employee's job.

- Employee acknowledges that all School provided equipment and tools required for Employee to perform that Employee's job remain the property of the School. The School will provide for repairs to School equipment and tools only. The Employee is responsible for repairs to any Employee-owned equipment or tools used by Employee. The Employee is financially responsible for School owned equipment and tools if any are lost, stolen or damaged because of that employee's intentional conduct, gross negligence, misuse or abuse.
- No one other than Employee shall use any School provided equipment or tools for any purpose and Employee shall only use School provided equipment and tools for business purposes.

- Unless otherwise required by law, remote working is voluntary.
- Employee understands that Employee is responsible for tax consequences, if any, of this arrangement.

ATTENDANCE AND PUNCTUALITY

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. Employees are expected to report to work as scheduled, on time, and prepared to work. Employees also are expected to remain at work for their entire work schedule, except meal periods, rest periods or when required to leave on authorized School business. Late arrivals, early departures or other unanticipated and unapproved absences from scheduled hours are disruptive and must be avoided. If you are unable to report for work on any particular day, you must call your supervisor at least one hour before the time you are scheduled to begin working for that day. If you call in less than one hour before your scheduled time to begin work, you will be considered tardy for that day. Absent extenuating circumstances or a medical provider's order excusing you from work for a period of time, you must call in on any day you are scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify your supervisor personally at the earliest possible moment. In some circumstances, you may be required to provide verification of the reason or documentation for your absence.

More than three instances of non-illness related tardiness by any employee during any twelve-month period are considered excessive. Any unexcused absence is considered excessive.

If you fail to report for work without any notification to your supervisor and the absence continues for a period of three business days, the School will determine that you have abandoned your job and voluntarily terminated your employment.

Absences protected by local, state and federal law do not count as violations of this policy. Paid sick time protected under California law does not count as a violation of this policy.

PROFESSIONAL DEVELOPMENT

Employees are expected to attend and participate in all professional development sessions and other School sponsored training that may be scheduled. While we understand that scheduling conflicts may arise, consistent tardiness, absenteeism and early departures may result in disciplinary action. Mandatory professional development or other mandatory staff meetings that are missed are required to be made up

by the employee at the School's sole discretion and at a time scheduled solely in the School's discretion. Failure to participate in mandatory professional development or other mandatory staff meetings may result in disciplinary action.

When an employee attends a School sponsored professional development and/or training, the time spent in attendance shall be counted as time worked. All employees are required to sign-in and out for the purpose of record keeping. These records will serve as the official roster of attendance.

PCA will pay hourly employees for attendance at mandatory training, lectures and meetings outside of regular working hours at the employee's hourly rate. As exempt employees, salaried staff may be required to attend training seminars that may be outside of PCA's normal business hours with no additional pay, including missed professional development or other mandatory staff meetings.

In the event that an employee must leave early or is unable to attend a scheduled training (i.e., Professional Development sessions), during their normal work hours, an employee MUST put in a time-off request according to the time-off policy. Employees will be required to attend make-up sessions of any missed training.

Failure to comply with this policy may result in disciplinary action.

TIME RECORDS (NON-EXEMPT EMPLOYEES)

Non-exempt employees must accurately complete time records within the School's time keeping system on a daily basis. Each time record must show the exact time each work period began and ended, and the meal periods taken. Absences and overtime must be accurately identified on your time record. Any work performed before or after any regularly scheduled work shift must be approved in advance by the employee's supervisor or School leadership. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. This includes the use of laptops, computers, PDAs or cell phones to check work email, voicemail or to send text messages after hours. You cannot record time and/or submit a time record for another employee. Any errors on an employee's time record should be reported immediately to the employee's supervisor or Human Resources. Submission of your electronic timecard indicates you have certified the hours entered are accurate and you have adhered to all policies and procedures.

Exempt employees must report full days of absence from work. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

WORKWEEK AND WORKDAY

PCA's workweek is from Sunday at 12:00 A.M. through the following Saturday at 11:59 P.M. PCA's standard workday is 12:00 A.M. to 11:59 P.M. (midnight) each day.

OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or double time. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

OFF THE CLOCK WORK

PCA prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee's timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not combine required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to School policy or you must begin your meal period more than five hours after your work period began, you must notify Human Resources in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken.

Failure to comply with the School's policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

Meal Periods

Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are given a 30-minute duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin their meal period no later than 11:59 a.m. The supervisor may schedule the employee's meal periods. The employee may waive this meal period if their workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from their supervisor and complete a "Meal Period Waiver" form. This needs to be completed in advance or immediately as the situation occurs, but in no event after the meal period has been missed. If you are a part-time employee who consistently works 5-6 hours a day and would like to waive your meal break on a regular basis, please note that you will have to fill out a new form every 90 days to continue to waive your meal break. Reach out to HR to receive a copy of the "Meal Period Waiver" form.

If an employee's day exceeds ten hours of work time, the employee is entitled to an additional 30-minute duty-free meal break. The employee may only waive this second meal period if they have taken the required first meal break of at least 30 minutes and their workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from their supervisor and

complete a “Second Meal Period Waiver” form.

Hours Worked	Number of Meal Periods
0 hours to 5 hours	No meal period
Over 5 hours to 10 hours	1, 30-minute meal period
Over 10 hours to 14 hours	2, 30-minute meal periods

Non-exempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days’ time record and to the employee’s supervisor immediately. The meal period must be accurately recorded on the employee’s timesheet. Meal periods are unpaid time and employees are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

Rest Periods

Non-exempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

Hours Worked	Number of Rest Periods
3.5 hours to 6 hours	1, 10-minute rest period
Over 6 hours to 10 hours	2, 10-minute rest periods
Over 10 hours to 14 hours	3, 10-minute rest periods

Non-exempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period immediately as set forth below. The meal period must be accurately recorded on the employee’s time sheet. Meal periods are unpaid time and employees are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday. Non-exempt employees are expected to return to work promptly at the end of any meal period. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

Reporting Missed, Late or Short/Interrupted Meal and Rest Periods

In addition to reporting it on their time record, any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period—for any reason—must immediately report this issue to their supervisor and complete a Non-Exempt Employee Meal Waiver Agreement. The employee must fill out all fields on the form, including providing a thorough explanation for the non-compliant meal or rest period. The employee must complete and turn in this form to their supervisor on the same workday

they experienced the non-compliant meal or rest period. If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an “authorized” meal period at the time provided by), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor 32 asked me to handle a client call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium pay. Employees must report the reason for the noncompliant meal or rest on the Non-Exempt Employee Meal Period Waiver Agreement, or to Human Resources. Non-Exempt Employee Meal Period Waiver Agreement.

PAYDAYS

Employees are paid semi-monthly on the 10th and 25th of the month in accordance with the School’s payroll schedule. The Payroll Coordinator or designee will distribute checks to those who do not have direct deposit. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be distributed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have an automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual “payday,” the School is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

If a wage garnishment order is received by PCA for one of our employees, we are obligated by law to comply with the demand. The affected employee will receive notice from their supervisor or Human Resources as soon as possible.

OVERPAYMENT OF WAGES

If the School determines a wage overpayment has been made to a School employee, the School will notify the employee of the overpayment in writing, afford the employee an opportunity to respond before commencing recoupment actions and provide the employee with notice of the employee’s rights if the employee disputes the existence or amount of the overpayment. Reimbursement shall be made to the School through one of the following methods mutually agreed to by the employee and the School:

- Cash payment or cash installment payments.
- Installment payments through payroll deduction covering at least the same number of pay periods in which the error occurred. When overpayments from the School have occurred for more than one year, the employer may require full repayment from the employee through payroll deductions over the period of one year.
- The adjustment of appropriate leave credits, provided that the overpayment involves the accrual or crediting of leave credits such as vacation leave. Any errors in sick leave balances shall only be adjusted with sick leave credits.

Installment payment amounts deducted from an employee's salary or wages shall not exceed the amounts specified in California Code of Civil Procedure section 706.050. The deductions shall not result in an employee making less than the minimum wage for that payroll period.

Absent mutual agreement on a method of reimbursement, the School will proceed with recoupment by installment payments as provided in bullet (2) above.

If an employee is separated from employment before full repayment of the overpayment amount owed, the School may deduct an amount sufficient to provide full repayment from any money owed to the employee upon separation. If the amount of money owed to the employee upon separation is insufficient to provide full reimbursement to the School, the School shall have the right to exercise any and all other legal means to recover the additional amount owed.

PAYROLL WITHHOLDINGS

PCA is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each employee's paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, PCA must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

If an employee believes an error has been made in their pay or deductions, PCA will work in good faith to resolve errors as soon as possible. The employee should notify the Payroll Coordinator or designee of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee's paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, they should ask Human Resources to explain it. The employee may change the number of withholding allowances they wish to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W4 form and submitting it to Human Resources.

SECTION 6 - CONDITIONS OF EMPLOYMENT

IMMIGRATION LAW COMPLIANCE

PCA employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 no later than the first day of work for pay and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms no later than three business days after they begin work. Former employees who are rehired must also complete the form if they have not completed an I-9 with PCA within the past three years or if their previous I-9 is no longer retained or valid.

CREDENTIAL REQUIREMENTS

If you are a credentialed team member, you must provide evidence of your credential including EL Authorization, official transcripts, and/or test scores prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your Executive Director and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided.

If a teacher fails to obtain the appropriate credential, or allows a credential, certificate, registration, or required course deadline to expire, or fails recertification, training, or testing, or otherwise fail to maintain the necessary credential for your assignment, the School reserves the right to suspend the teacher without pay until the teacher's credential is valid, or release the teacher from at-will employment as necessary. Employees' credentials must show as valid on the California Commission on Teacher Credentialing (CTC) website by the Friday before the credential is set to expire. Employees whose credential has expired will not be permitted to report to work, and will be placed on unpaid leave in increments of five (5) work days. For example, if an employee's credential expires on Tuesday, March 7, the credential renewal would need to appear as valid on the CTC website by Friday, March 3. If the employee does not have their credential showing on the CTC website as valid by Friday, March 3, the employee will be placed on unpaid leave for March 6-10. The credential appearing as valid/renewed during the 5-day unpaid leave period does not cancel the 5-day unpaid leave period.

TUBERCULOSIS RISK ASSESSMENT OR TEST

Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing they were examined within the past four (4) years and was found to be free of communicable tuberculosis. The current

physician's statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of your ability to begin work or termination.

TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the School has a valid certificate on file. As a condition of continued employment, all employees will be required to present evidence once every four (4) calendar years that they are free from active tuberculosis. Employees shall be required to provide TB clearance to Human Resources no later than the last Friday business day prior to the expiration date of their current TB clearance. Employees whose TB clearance has expired will not be permitted to report to work, and will be placed on unpaid leave in increments of five (5) work days. For example, if an employee's TB clearance expires on Tuesday, March 7, the TB clearance would be due to HR by Friday, March 3. If the employee does not submit the TB clearance to HR by Friday, March 3, the employee will be placed on unpaid leave for March 6-10. Turning in the TB clearance during the 5-day unpaid leave period does not cancel the 5-day unpaid leave period.

CRIMINAL BACKGROUND CHECK

As required by law, all individuals working or volunteering at the School will be required to submit to fingerprinting and a criminal background investigation.

Applicants and employees with adverse background information (such as certain specific criminal conviction) may be ineligible for employment with the School.

The School shall, on a case-by-case basis, determine whether a volunteer will have more than limited contact with pupils or consider other factors requiring a criminal background check for such a volunteer.

CHILD ABUSE AND NEGLECT REPORTING ACT

If, within your professional capacity or within the scope of your employment, you observe or gain possession of knowledge that a child has been a victim of child abuse or sexual abuse or neglect, or you reasonably suspect it, California Penal Code Section 11166 requires you to immediately report this information or suspicion to a child protective agency or the police. The report shall be made by phone as soon as possible and a subsequent written report must be sent within 36 hours of your knowledge or suspicion of the abuse. Failure to meet these obligations can result in a monetary fine and/or jail.

While each employee has the responsibility to ensure the reporting of any child they suspect is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Teachers or staff who become aware of suspected child abuse should report the suspicions as required.

It is extremely important that PCA's employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

Your direct supervisor is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without PCA's assistance, they are required to notify PCA of the report if it is based on incidents they observed or became aware of during the course and scope of their employment with PCA.

All employees that are mandated reporters are required to participate in approved mandated reporter training provided by the School within six weeks of the employee's hire date and annually thereafter within the first six weeks of each school year. If the employee attends an approved mandated reporter training that is not offered by the School using a sign-in sheet confirming participation, the employee is required to provide a copy of any certificate of completion to the human resources department of the School after completion. If the employee attends a training not offered by the School, and the training does not also provide training on the prevention of abuse, including sexual abuse, of children on school grounds, by school personnel, or in school-sponsored programs, the employee is required to provide proof that the employee has received this additional training within the timelines identified above.

PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of their personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to Human Resources. All requests should be put in writing preferably on the form maintained by PCA. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports, or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

CHANGES IN EMPLOYEE INFORMATION

An employee is responsible for notifying Human Resources about changes in the employee's personal information and changes affecting the employee's status (ex. name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

SECTION 7 – PERFORMANCE

PERFORMANCE EVALUATIONS

Staff will be evaluated annually or every other year per the Evaluation Policy.

Staff will meet with their direct supervisor annually to establish and review goals for the school year.

Any transfers between job titles are always at the discretion of the School and may require an interview and application. Changing positions in the School is not a guarantee. Any transfers while on a Performance Improvement Plan (PIP) will not be recommended. A PIP will follow the employee to the new position and the next school year, if applicable.

SECTION 8 – LEAVES

FAMILY MEDICAL LEAVE ACT

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the School within 75 miles.

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as possible. You should use the School's request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

- The birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child.
- The care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition."
- The "serious health condition" of the employee.
- The care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
- Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A "serious health condition" is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or registered domestic partner requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under paragraph (3) above, you must provide the School with a medical certification from your health care provider establishing eligibility for the leave, and you must provide the School with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the School in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Human Resources.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a

single 12-month period). The 12-month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any available PTO during unpaid family and medical leave (e.g., for example, any period in which you are not receiving a wage supplement through the EDD). You will also be required to use any available paid sick leave during unpaid family and medical leave that is due to your own or a family member's serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or paid sick leave.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If the employee out on leave chooses not to return to work from a leave allowed by this policy after the expiry of the leave, the employee will be required to repay the School the premium amounts it paid during leave, unless the employee does not return to work because of circumstances beyond their control or because of recurrence, continuation, or onset of a serious health condition.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any "key" employee who is not eligible for reinstatement.

Before an employee will be permitted to return from leave taken because of their own serious health condition, the employee must obtain a certification from their health care provider that they are able to resume work.

If you have any questions concerning or would like to submit a request for a family and medical leave of absence, please contact Human Resources. In some instances, FMLA leave and CFRA leave run concurrently and in some instances they do not. FMLA runs concurrently with Pregnancy Disability Leave, while CFRA does not.

CALIFORNIA FAMILY RIGHTS ACT ("CFRA")

Employees may be eligible for CFRA leave only if the School has 5 or more employees for each working day during each of the 20 or more calendar workweeks in the current or preceding calendar year. Eligible

employees may request a CFRA leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive) and have worked at least 1250 hours during the 12 months immediately prior to the CFRA leave of absence.

Ordinarily, you must request a planned CFRA leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as practicable. You should use the School's request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A CFRA leave may be taken for the following reasons:

- The birth of an employee's or a domestic partner's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth, adoption or placement of the child.
- The care of the employee's spouse, child, registered or domestic partner, domestic partner's child, parent, parent-in-law, grandparent, grandchild, sibling, or designated person with a "serious health condition."
- The "serious health condition" of the employee; or
- The qualifying exigency related to covered active duty or call to covered active duty of an employee's spouse, domestic partner, child, or parent in the Armed Forces of the United States.

The definition of child includes any adult child, regardless of the child's age or dependency status.

The definition of "designated person" includes any individual related by blood or association with the employee that is the equivalent of a family relationship. The designated person may be identified by the employee at the time the employee requests leave. Employees are limited to one designated person per 12-month period for family care and medical leave.

A "serious health condition" is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under bullet (2) above only if due to a serious health condition, your spouse, child, registered or domestic partner, domestic partner's child, parent, parent-in-law, grandparent, grandchild, sibling, or designated person requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under bullet (3) above, you must provide the School with a medical certification from your health care provider establishing eligibility for the leave, and you must provide the School with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the School in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Human Resources.

CFRA leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period. The 12-month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much CFRA leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as

CFRA will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law. Intermittent leave for baby bonding should be limited to 2-week increments but the School will permit up to 2 requests for intermittent leave in less than 2-week increments.

You will be required to use any accrued vacation during unpaid CFRA leave (e.g., for example, any period in which you are not receiving a wage supplement through the EDD). You will also be required to use any accrued paid sick leave during unpaid CFRA leave that is due to your own serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or paid sick leave.

Benefit accrual, such as PTO, PSL, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a CFRA leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If the employee out on leave chooses not to return to work from a leave allowed by this policy after the expiry of the leave, the employee will be required to repay the School the premium amounts it paid during leave, unless the employee does not return to work because of circumstances beyond their control or because of recurrence, continuation, or onset of a serious health condition.

If you do not return to work on the first workday following the expiration of an approved CFRA leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law.

Before an employee will be permitted to return from leave taken because of their own serious health condition, the employee must obtain a certification from their health care provider that they are able to resume work.

If you have any questions concerning a CFRA leave, or would like to submit a request for a CFRA leave of absence, please contact Human Resources.

PREGNANCY DISABILITY LEAVE

The School provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor and Human Resources at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider's statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to Human Resources. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, the School may require the employee to transfer temporarily to an available alternative position. This alternative position will have an equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any unused allotted sick time during any unpaid portion of pregnancy disability leave (e.g., any period in which you are not receiving a wage supplement through the EDD). Employees may also elect to use any available PTO during any unpaid portion of pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or sick leave.

Benefit accrual, such as PTO, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

Additionally, if an employee does not return to work after the expiration of the pregnancy disability leave, and the reasons for failure to return to work do not include one of the following: 1) the employee is on CFRA leave; or 2) the continuation, recurrence or onset of a health condition entitling the employee to pregnancy disability leave in the first instance, non-pregnancy-related medical conditions requiring other leave or other circumstances beyond the control of the employee, the School reserves the right to recover from the employee the premium the School paid for the employee's group health plan coverage while out on leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week's advance notice of the date they intend to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceases to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if they had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If you have any questions regarding pregnancy disability leave, please contact Human Resources.

MILITARY SPOUSE LEAVE

An eligible employee-spouse of a qualified service member is entitled to take ten (10) days of unpaid leave during a period when the spouse or domestic partner is on leave from deployment during a period of military conflict.

An eligible employee must work an average of 20 hours per week; must provide notice of their intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave from deployment; and submit written documentation certifying that the service member will be on leave during the time the leave is required.

The employee may use unused and available PSL or PTO for this leave.

WORKERS' COMPENSATION LEAVE

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration leave will depend upon the rate of recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e., FMLA/CFRA if applicable). Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If you have any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

BEREAVEMENT AND REPRODUCTIVE LOSS LEAVE

PCA provides employees who have been employed by PCA for at least 30 days prior to the commencement of leave up to three (3) days of paid bereavement leave, beyond sick or personal time, due to the death of a family member. PCA provides 2 additional unpaid days of leave due to the death of a family member. If an employee has paid sick leave or personal time, the employee may use that time during the unpaid leave. If the eligible employee travels more than 500 miles for bereavement leave, PCA will provide the 2 additional days of leave with pay. This includes a parent (including an in-law and stepparent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent or grandchild. Bereavement leave may be taken intermittently, but the leave shall be completed within three months of the date of death of the family member. PCA reserves the right, in its sole discretion, to request documentation of the death of the family member, so long as the request is made within 30 days of the first day of leave.

Bereavement leave may also be used for covered reproductive loss events as defined in statute. If an employee experiences more than one reproductive loss event within a 12-month period, the employee may not take more than 20 days within a 12-month period. Leave taken for reproductive losses must be completed within three months of the event entitling the employee to that leave, unless the employee is on other leave provided under state or federal law. In that case, the employee shall complete the reproductive loss leave within three months of the end of the other leave. Reproductive loss leave may be nonconsecutive.

JURY DUTY AND WITNESS LEAVE

All employees who receive a notice of jury duty (for an inquest jury or trial jury) or a subpoena or other court order for appearance in court or other judicial proceeding must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees may be required to provide a copy of the official jury duty notice or subpoena/court order to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Eligible employees may elect to use any available PTO during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of their employment with the School, the School will provide time off with pay.

TIME OFF TO VOTE

The School will allow any non-exempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee's regular shift, whichever provides the least disruption to the normal work schedule unless the School and the employee agree otherwise. The employee may be required to prove they are a registered voter.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Available PTO may be used for this time off.

SCHOOL ACTIVITIES LEAVE

The School encourages employees to participate in the school activities of their child(ren). If you are the parent or guardian of a child who is in school up to grade 12, or who attends a licensed daycare facility, you may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility, to find, enroll or reenroll your child in a school or with a licensed childcare provider and/or to address a childcare provider or school emergency.

The leave is subject to all of the following conditions:

- The time off for school activity participation cannot exceed eight (8) hours in any calendar month, or a total of forty (40) hours each year.
- Unless it is an emergency, employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor.
- If the School employs both parents, the first employee to request such leave will receive the time

off. The other parent will receive the time off only if the leave is approved by their supervisor.

- Employees must use existing PTO in order to receive compensation for this time off.
- Employees who do not have paid time off available will take the time off without pay.
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed childcare/day care facility.

SCHOOL APPEARANCE/SUSPENSION LEAVE

If the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert their supervisor as soon as possible before leaving work. In compliance with California Labor Code section 230.7, no discriminatory action will be taken against an employee for taking time off for this purpose. To be eligible for time off to attend a child's school, the employee must be the parent of a child in kindergarten or in grades 1-12 and must present the school's communication, which requests the employee's appearance at the school, to their supervisor at least two days before the requested time off.

This leave is unpaid but the employee may choose to use available PTO. You will not be discharged or discriminated against because of an absence protected by this law.

CRIME VICTIM LEAVE

The law provides the right for employees to take a leave of absence if the employee is a victim of a qualifying act of violence or if a family member is a qualifying act of violence under the rules described below.

For purposes of this policy, a "qualifying act of violence" means any of the following, regardless of whether anyone is arrested for, prosecuted for, or convicted of committing any crime: domestic violence, sexual assault; stalking, an act, conduct, or pattern that includes any of the following: 1) in which an individual causes bodily injury or death to another individual, 2) in which an individual exhibits, draws, brandishes, or uses a firearm or other dangerous weapon, with respect to another individual, 3) in which an individual uses, or makes a reasonably perceived or actual threat to use, force against another individual to cause physical injury or death.

As a condition of taking time off for the purposes set forth above, the employee shall give the School reasonable advance notice of the employee's intention to take time off, unless the notice is not feasible.

When an unscheduled absence occurs, the School shall not take any action against the employee if the employee, within a reasonable time after the absence, provides a certification to the School upon request of the School. Documentation may be from any of the following:

- A police report indicating that the employee or family member of the employee was a victim.

An employee must give reasonable advance notice to the School by providing documentation of the proceeding, unless advanced notice is not feasible.

This leave is unpaid but the employee may choose to use available sick, or personal time off (PTO). You will not be discharged or discriminated against because of an absence protected by this law.

The School will also, to the extent possible and allowed by law, maintain the confidentiality of an employee requesting leave under this provision.

The School will provide a reasonable accommodation for an employee who is a victim or whose family member is a victim of a qualifying act of violence who requests an accommodation for the safety of the employee while at work. A reasonable accommodation may include the implementation of safety measures, including a transfer, reassignment, modified schedule, changed work telephone, permission to carry a telephone at work, changed work station, installed lock, assistance in documenting domestic violence, sexual assault, stalking, or another qualifying act of violence that occurs in the workplace, an implemented safety procedure, or another adjustment to a job structure, workplace facility, or work requirement in response to domestic violence, sexual assault, stalking, or other qualifying act of violence, or referral to a victim assistance organization.

The School is not required to provide a reasonable accommodation to an employee who has not disclosed the employee's status, or the employee's family member's status, as a victim. The School will engage in a timely, good faith, and interactive process with the employee to determine effective reasonable accommodations. In looking at reasonable accommodations, the School will consider an exigent circumstance or danger facing the employee or their family member. The School is not required to undertake an action that constitutes an undue hardship on the School's business operations.

If circumstances change and an employee needs a new accommodation, the employee shall request a new accommodation from the School. Upon receiving the request, the School will engage in a timely, good faith, and interactive process with the employee to determine effective reasonable accommodations.

If an employee not longer needs an accommodation, the employee shall notify the School that the accommodation is no longer needed.

Certifications

The School may request an employee requesting a reasonable accommodation to provide the School with a written statement signed by the employee (or the employee's representative) certifying that the accommodation is for a purpose authorized by this policy. The School may also request certification from an employee requesting an accommodation pursuant to this policy demonstrating the employee's status, or the employee's family member's status, as a victim. If a certification is requested, the School may request recertification of an employee's status, or an employee's family member's status, as a victim, or ongoing circumstances related to the qualifying act of violence, every six months after the date of the previous certification. Any certifications provided shall be maintained as confidential by the School and not disclosed except as required by federal or state law.

An employee may use vacation, personal leave, or paid sick leave (as applicable) that is otherwise available to the employee under the applicable terms of employment.

If the employee is a victim of a qualifying act of violence, the maximum total leave time may be 12 weeks. If the employee's family member is the victim of a qualifying act of violence, the employee may take 5 days off for purposes related to relocation, and may take 10 days off, unless the family member victim is deceased, in which case the employee may take up to 12 weeks of leave. Leave taken under this policy runs concurrently with any leave taken under FMLA and CFRA, and does not provide the employee with a right to leave that exceeds that provided under FMLA.

MILITARY LEAVE

California's military leave laws, and the Uniformed Services Employment and Reemployment Rights Act ("USERRA") ensure that employees are not adversely affected in their employment after taking leave for military service. Employees who serve in the military and are entitled to a military leave of absence without pay from the School under applicable laws should notify Human Resources regarding the need for military leave.

Please see Human Resources for more information regarding job reinstatement rights upon completion of military service.

ADULT LITERACY LEAVE

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does not provide paid time off for participation in an adult literacy education. However, you may utilize available PTO if you want compensation for this time off. If you do not have any PTO available, you will be permitted to take the time off without pay.

ORGAN DONOR / BONE MARROW DONOR LEAVE

The School will provide up to five business days of paid leave within a one-year period to an employee who donates bone marrow to another person. In addition, the School will provide up to 30 business days

of paid leave within a one-year period and up to another 30 business days of unpaid leave within a one-year period to an employee who donates an organ to another person. The one-year period is measured from the date the employee's leave begins and shall consist of 12 consecutive months.

You must give as much notice as is practicable and must provide certification of the medical necessity of the procedure. You will be required to use up to ten (10) days of any available paid leave (sick and/or PTO) for organ donation and up to five (5) days of available paid leave (sick and/or PTO) for bone marrow donation. This leave does not run concurrently with FMLA/CFRA. You must have been employed for at least a 90-day period immediately preceding the beginning of the leave, if otherwise eligible.

The employee will also be given an additional unpaid leave of absence, not exceeding 30 business days in a one-year period, when that employee is an organ donor, for the purpose of donating the employee's organ to another person. The one-year period is measured from the date the employee's leave begins and shall consist of 12 consecutive months.

You may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to receive paid time off and other benefits as if they had continued working. The Employee shall be required to pay any portion of their benefits they are currently paying.

An employee shall not have any greater rights during this leave than if they had been actively working during this time, but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

DRUG & ALCOHOL REHABILITATION LEAVE

PCA will reasonably accommodate any employee who volunteers to enter an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. You may use allotted and unused sick leave. All reasonable measures to safeguard your privacy will be maintained.

This policy in no way restricts PCA's right to discipline an employee, up to and including termination of employment, for violation of PCA's Substance and Alcohol Policy.

VOLUNTEER CIVIL SERVICE LEAVE/TRAINING

In California, no employee shall receive discipline for taking time off to perform emergency duty/training as a volunteer firefighter, reserve peace officer, or emergency rescue personnel. In the event that you need to take time off for emergency duty/training, please alert your supervisor before doing so whenever possible. Time off for emergency training may not exceed 14 days per calendar year.

Emergency Duty/Training Leave is unpaid. You may choose to use your available sick, and/or PTO if you

wish to receive compensation for this time off, but you are not required to do so.

If you feel you have been treated unfairly as a result of taking or requesting Emergency Duty/Training Leave, you should contact your supervisor or any other manager, as appropriate.

CIVIL AIR PATROL LEAVE

PCA provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to (10) days of unpaid leave per calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with PCA for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or taken.

Employees are required to give the School as much notice as possible of the intended dates upon which the leave would begin and end. The School will restore the employee to the position they held when the leave began or to a position with equivalent seniority status, employee benefits, pay, and other terms and conditions of employment, unless the employee is not restored because of conditions unrelated to the exercise of the leave rights by the employee. The time off is unpaid. However, an employee may utilize accrued PTO.

SECTION 9 – BENEFITS

SCHOOL HOLIDAYS

The School observes the following holidays during the year:

- Independence Break
- Labor Day
- Veteran's Day
- Thanksgiving Break
- Winter Break
- Martin Luther King Day
- Presidents' Break
- Spring Break
- Memorial Day
- Juneteenth

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees (including, but not limited to teachers) are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays.

Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if you receive 8 hours of holiday pay on Monday and work 40 hours Tuesday-Saturday (8 hours/day), you will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid time off (PTO) if the employee has unused PTO available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- Paid time off at the Supervisor's request/approval
- Due to closure of Schools because of inclement weather

- Qualified use of Paid Sick Leave with a doctor's note verifying need for absence
- Prior to or following Jury Duty or Bereavement Leave
- Due to a previously scheduled and approved paid time off
- Or as required by law

PAID TIME OFF (PTO)

Full-time 12 month classified employees and certificated directors, and administrators are entitled to paid time off (PTO) according to this policy. PTO days may be used for vacation, personal time, illness, or time off to care for family or dependents. All other employees, including teachers, temporary employees, part-time employees are not eligible to receive or accumulate PTO.

PTO must be scheduled at least five (5) days in advance and approved by your supervisor, except in the case of an illness or emergency. In the case of illness or emergency you are required to contact your immediate supervisor at least one (1) hour before your shift begins, if possible or otherwise as soon as practicable. Employees using extended PTO time (in excess of three (3) days) must submit a request at least two (2) weeks before the extended PTO or, if used as sick time, the employee may be required to submit a doctor's release upon return to work. Your supervisor uses their discretion to approve PTO without advance notice.

Unless used for illness related purposes, PTO may not be taken the last week of the school year, or on scheduled in-service and/or training days, testing administration day, or immediately before or after holidays without supervisor's permission.

Full-time, regular Administrative/Classified employees (12-month employees) accrue ten (10) paid vacation days per year. Vacation days are accrued at a rate of 6.667 hours) per month. Once an employee's PTO balance reaches twenty (20) days (i.e., 160 hours), the employee stops receiving any additional PTO until PTO is used and the employee's balance falls below the 20-day cap. PTO days will not accumulate during any unpaid leave of absence.

The following terms also apply to PTO:

- For both non-exempt and exempt employees, vacation time may be taken in minimum increments of .25 hours. If an exempt employee absents themselves from work for part or all of a workday, they will be required to use available PTO to make up for the absence.
- In the event a non-exempt employee has exhausted their PTO, any additional time off must be approved by their supervisor and will be taken without pay.

  In the event an exempt employee requests to take an entire day off but does not have enough PTO to cover the entire time off, the time off must be approved by their supervisor and the entire day will be taken without pay. However, if the exempt employee works part of the day and has enough PTO to cover the remaining portion of the day, they will receive pay for the entire day.

- Any employee who misses three (3) consecutive days of work without notice to their supervisor

may be deemed to have abandoned their job and voluntarily resigned from employment.

- Any employee who converts from full-time to part-time status (less than 35 hours/week) will no longer be eligible for PTO. All accrued PTO will be paid out on the paycheck following the conversion.
- Upon separation of employment, eligible employees will be paid their accrued, but unused PTO based on their date of separation and their regular rate of pay. Employees are not entitled to pay in lieu of taking vacation except upon termination of employment.
- To the extent permitted by law, PTO accumulated prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave.

As with all of its policies and procedures, the School reserves the right to modify, alter, or otherwise eradicate this policy at its sole and absolute discretion to the extent allowed by law.

Limits on Use

PSL may be taken in minimum increments of 2 hours. If an exempt employee absents themselves from work for part or all of a workday for a reason covered by this policy, they will be required to use PSL to make up for the absence.

Permitted Use

Eligible employees may use their allotted PSL as follows:

- To take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee, the employee's family member or a designated person.

- For purposes related to donating the employee's bone marrow or an organ of the employee to another person or to care for or assist a person for purposes related to that person's donating

bone marrow or an organ to another person.

- For family emergencies, employees may use up to 2 sick leave days per school year.
- For covered reproductive loss events as defined in statute. If an employee experiences more than one reproductive loss event within a 12-month period, the employee may not take more than 20 days within a 12-month period. Leave taken for reproductive losses must be completed within three months of the event entitling the employee to that leave, unless the employee is on other leave provided under state or federal law. In that case, the employee shall complete the reproductive loss leave within three months of the end of the other leave. Reproductive loss leave may be nonconsecutive.

For purposes of this policy, "family member" means a child, parent, spouse, registered domestic partner, grandparent, grandchild, sibling, a designated person, the child or parent of a spouse of the employee or those related to the employee by blood or affinity equivalent to a family relationship. "Child" means a biological child, a foster child, an adopted child, a stepchild, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. "Parent" means a biological, foster, or adoptive parent, a stepparent, or a legal guardian of the employee or the employee's spouse or registered domestic partner or a person who stood in loco parentis when the employee was a minor child. The employee may only designate one person per 12-month period for sick days.

Employees may also use their PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault.

Accrual

PSL days are accrued as set forth below to eligible employees:

All employees that have worked within California for 30 days are eligible employees that will be awarded PSL beginning on their first day of employment in accordance with the details below:

employee's 200th day of employment.

Carry Over and Caps on Accrual

The maximum amount of PSL that an employee may accrue is 80 hours for the school year. Carry over into the next year is subject to a cap of 18 days or 144 hours for full-time employees. An employee will be awarded the number of hours from the above chart at the start of each semester based on their time of service unless they have already met the cap of 144 hours. Once the maximum accrual is reached, employees stop accruing until the next semester frontload and the amount of accrued sick leave is below 144 hours. Accrued and unused sick leave carries over from year to year, subject to the 144 hour accrual cap. At no time may an employee accrue more than 144 hours. Part-time employees will be capped at 80 hours.

Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable. In the event that three (3) or more consecutive work days of sick leave are used, an employee must provide medical clearance to return to work.

Termination

Employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination.

No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under PCA's health plan when a "qualifying event" would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee's hours or leave of absence, divorce or legal separation, and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at PCA group rates plus an administration fee. PCA or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under PCA's health insurance plan. The notice contains important information about the employee's rights and obligations.

SOCIAL SECURITY/MEDICARE

If you are a full-time regular employee contributing to a teacher's retirement system (PERS/STRS), your earnings from this job are not covered under Social Security. When you retire, or if you become disabled,

you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your spouse, or former spouse, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

PCA withholds income tax from all employees' earnings and, if elected, participates in FICA (Social Security), for temporary employees and Medicare withholding and matching programs as required by law.

PENSION2 403(B) AND 457(B)

Pension2 is available to all staff members, certificated and classified. Pension2 offers voluntary supplemental savings plans including 403(b) and 457(b) plans with low costs and flexible investment options. The 403(b) plan includes an employer match - 100% of your contributions are matched, up to 5% of your annual BASE contract salary.

If you would like to learn more and enroll in Pension2, South Support Site Pension2 403(b) and 457(b) informational videos provide an overview of what is available and how to enroll. For more information contact Pension2 customer service: (888) 394-2060.

STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers' compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

PAID FAMILY LEAVE (WAGE SUPPLEMENT)

Under California law, eligible employees may participate in the Paid Family Leave ("PFL") program, which is part of the state's unemployment compensation disability insurance program. The PFL program provides up to eight weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption) or participate in a qualifying event because of a family member's military deployment to a foreign country. The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided by the state concurrently while an employee takes an eligible leave of absence under PCA policy and applicable law.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.

WORKER'S COMPENSATION INSURANCE

Eligible employees are entitled to workers' compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee.

In the event of an occupational injury or illness (as defined under Workers' Compensation Law) an employee may be covered by workers' compensation insurance instead of group insurance.

If an employee should become injured or in any way disabled on the job, they must report the injury immediately to their supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

RETURN-TO-WORK POLICY

PCA strives to assist employees to return to work at the earliest possible date following an injury or illness. A return-to-work program has several benefits for both the School and employees by minimizing time lost from work.

This policy is not intended to supersede or modify the procedures applicable to employees eligible for reasonable accommodation under the Americans with Disabilities Act (ADA) or leave benefits under the Family and Medical Leave Act (FMLA) or California Family Rights Act (CFRA). Inquiries about the ADA, FMLA or CFRA should be directed to the human resource department (HR).

PCA defines "transitional work" as temporary, modified work assignments within the worker's physical abilities, knowledge and skills.

When possible, transitional positions may be made available to qualified employees to minimize or eliminate time lost from work. The School cannot guarantee a transitional position and is under no obligation to offer, create or encumber any specific position for purposes of offering placement to such a position.

Procedures

If a health care provider releases the employee to return to work on modified duty and has completed the return-to-work and job description forms, the employee should return the forms to HR within 24 hours or as soon as practicable. The employee cannot return to work without the release from the health care provider.

HR will review the return-to-work form and determine a transitional position for the employee if appropriate and transitional work falls within the School's operational needs. A transitional position job description, including physical requirements, will be prepared for review and approval by the employee's health care provider.

Transitional positions are developed based on the physical capability of the worker, the needs of the School, and the availability of transitional work. PCA will determine appropriate work hours, shifts, duration and locations of all work assignments. The School reserves the right to determine the availability, appropriateness and continuation of all transitional work assignments.

It is the responsibility of the employee to provide HR with a current telephone number and address, so the employee may be contacted. The employee must notify HR immediately of any and all changes in medical conditions.

It is the responsibility of the employee and the employee's supervisor to notify HR immediately of any work-related injuries, if the employee misses time from transitional work or of any changes to transitional work assignments.

The employee will be asked to sign the notice indicating their acceptance or refusal of the transitional work job offer and to return the notice to HR.

Any employee returning to a transitional position must not exceed the duties of the position or go beyond the restrictions indicated by the health care provider. If any medical restrictions change, the employee must immediately notify their supervisor and provide the supervisor a copy of the new medical release.

Supervisors will monitor work performance to ensure the employee does not exceed the requirements set by the health care provider.

UNPAID LEAVE

When an exempt salaried employee does not have any available PTO or PSL and there is a need for time off, they must take the whole day unpaid. Exempt salaried staff members cannot take partial days off as unpaid leave.

At the discretion of the Executive Director, an employee may request up to thirty (30) days of unpaid personal leave. Leaves of this type are typically granted for those who would not qualify for the Family Medical Leave Act or California Family Rights Act. Typically, unpaid personal leave may be granted for a serious health condition that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider of your spouse, child, parent, or registered domestic partner and requires your care or assistance as certified in writing by the family member’s health care provider.

Personal leaves, if granted, are without pay and will be considered on the basis of the employee’s length of service, performance, responsibility level, and the impact of the leave on our School. Employees will be required to use sick and/or PTO hours, if available. An extension beyond thirty (30) days may be considered on a case-by-case basis but shall not exceed ninety (90) days (90 total days in a twelve-month period).

Ordinarily, you must request a planned unpaid personal leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as possible. You should use the School’s request form, which is available upon request from Human Resources.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. Human Resources will contact employees taking personal leave regarding health and supplemental benefit continuation.

SECTION 10 – EMPLOYEE COMMUNICATIONS POLICY

COMMUNICATIONS POLICY

Every employee is responsible for using PCA's computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the employee's immediate supervisor.

The School has provided each staff member with a laptop for the purpose of performing all School related functions. It is required that all staff use School issued laptops and refrain from using personal computers for School business, unless staff receives prior written permission from their supervisor to use a personal computer for a limited period of time.

The School and technology department utilize best practices for securing and maintaining laptops. The efforts and systems used are in place to:

- Create a secure, reliable and safe computing environment
- Prevent data loss, including Personally Identifiable Information (PII), confidential or proprietary information
- Have data and management safeguards in place in the case of lost or stolen laptops
- Reduce overall risk of identity theft, work stoppage, data loss/ransoms, etc. and maintain compliance with Cybersecurity Insurance policies

School staff:

- SHOULD NOT use a personal computer/laptop to perform regular work duties
- SHOULD NOT store any PII, confidential or proprietary information to a personal device

The School acknowledges that using email and viewing/editing documents via a personal computer/laptop may occur and is allowed only in limited circumstances with prior written permission.

The School and technology department require that all staff implement MFA (multi factor authentication) wherever possible and require that any instance of a lost personal device that has ever accessed your School email/Drive/systems be reported to the technology department and your supervisor immediately so your passwords can be reset and accounts secured, especially critical in the case of saved passwords on a personal device.

Failure to adhere to this policy may result in discipline, up to and including potential termination.

The Communication Systems are the property of PCA and have been provided for use in conducting PCA business. All communications and information transmitted by, received from, created, or stored in PCA's Communication Systems are records and property of PCA. The Communication Systems are to be used for School purposes only. Employees may, however, use PCA technology resources for the following

incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with PCA business, and does not violate any PCA policies:

- To send and receive necessary and occasional personal communications.
- To use the telephone system for brief and necessary personal calls; and
- To access the internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided employees adhere to all other usage policies.

No Expectation of Privacy

PCA has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the internet, and reviewing Email, voicemails, and instant messages sent and received by users. Further, PCA may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of PCA's Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from PCA's Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish PCA's right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed PCA upon request for any reason that PCA, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send, or receive on the Communication Systems.

Notwithstanding the foregoing, even though PCA has the right to retrieve, read, and delete any information viewed, created, sent, received, or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Executive Director.

Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment, and responsibility than they would use for letters or internal memoranda written on PCA letterhead.

Offensive and Inappropriate Material

PCA's policy against discrimination and harassment, sexual or otherwise, applies fully to PCA's Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other characteristic protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or any other characteristic protected by law) may not be downloaded from the internet or displayed or stored in PCA's computers. Likewise, material or graphics political in nature are not allowed to be used or displayed during work hours. Employees encountering or receiving this kind of material should immediately report the incident to their Executive Director.

PCA may (but is not required) to use software to identify inappropriate or sexually explicit internet sites. Such sites may be blocked from access by PCA networks. Employees who encounter inappropriate or sexually explicit material while browsing on the internet should immediately disconnect from the site, regardless of whether the site was subject to PCA's blocking software.

Licenses and Fees

Employees may not agree to a license or download any material over the internet for which a registration fee is charged without first obtaining the express written permission of the Executive Director.

Games and Entertainment Software

Employees may not use a PCA internet connection to download games or other entertainment software, or to play games over the internet.

Confidential Information

Employees may not transmit information over the internet or through email that is confidential or proprietary. Employees are referred to PCA's "Confidential Information" policy, contained herein, for a general description of what PCA deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

Copyrights and Trademarks

PCA's Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from the Executive Director. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor.

Any PCA approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices. Absent prior approval from a supervisor to act as an official representative of PCA, employees posting information must include a disclaimer in that information

stating, “Views expressed by the author do not necessarily represent those of PCA.”

Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related. In addition, employees should routinely delete outdated or otherwise unnecessary voicemails, Emails and computer files. These deletions will help keep the system running smoothly and effectively, as well as minimize maintenance costs.

To ensure security and to avoid the spread of viruses, employees accessing the internet through a computer attached to PCA’s network must do so through an approved internet firewall. Accessing the internet directly by modem is strictly prohibited unless the computer you are using is not connected to PCA’s network.

Files obtained from sources outside PCA including disks brought from home; including files downloaded from the internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by students, parents, or vendors, may contain dangerous computer viruses that may damage PCA’s computer network. Employees should never download files from the internet, accept email attachments from outsiders, or use disks from non-PCA sources, without first scanning the material with PCA approved virus checking software. If you suspect that a virus has been introduced into PCA network, notify technology personnel immediately.

Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

Amendment and Modification of this Policy

PCA reserves the right to modify this policy at any time, with or without notice. PCA may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources, which shall control in the event of a conflict.

SOCIAL MEDIA AND VIDEO CONFERENCING POLICIES

PCA has adopted the following policy with regard to employees’ behavior on social networking sites including but not limited to Facebook, Twitter, LinkedIn, Pinterest, Instagram, Snapchat and YouTube. PCA has also adopted a policy regarding employees’ behavior during video conferencing. If you wish to use networking protocols or set up a social media site as a part of the educational process, please work with your administrators and technology staff to identify and use a restricted, School-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control

of, such sites.

This policy is intended to supplement, not replace, the School's other policies, rules, and standards of conduct. For example, School policies on confidentiality, use of School equipment, professionalism, employee references and background checks, workplace violence, unlawful harassment, and other rules of conduct are not affected by this policy.

You are required to comply with the following rules and guidelines when participating in social media activities that are governed by this policy:

- Comply with the law at all times. Do not post any information or engage in any social media activity that may violate applicable local, state, or federal laws or regulations.
- Do not engage in any discriminatory, harassing, or retaliatory behavior in violation of School policy.
- Respect copyright, fair use, and financial disclosure rules and regulations. Identify all copyrighted or borrowed material with proper citations and/or links.
- Maintain the confidentiality of the School's trade secrets and private or confidential information. Trade secrets may include information regarding the development of systems, processes, products, know-how, and technology. Do not post internal reports, policies, procedures, or other internal business-related confidential communications. This prohibition applies both during and after your employment with the School.
- Do not post confidential information (as defined in this Handbook) about the School, its employees, or its students. Remember that most student information is protected by the Family Educational Rights and Privacy Act, including any and all information that might identify the student. Publicizing student work and accomplishments is permitted only if appropriate consents are obtained.
- While limited and incidental social media activities at work may be tolerated, such social media activities may not interfere with your job duties or responsibilities. Do not use your School-authorized e-mail address to register on social media websites, blogs, or other online tools utilized for personal use.
- Be knowledgeable about and comply with the School's background check procedures.
- Be knowledgeable about and comply with the School's reference policy. Do not provide employment references for current or former employees, regardless of the substance of such comments, without prior approval from the School.
- We encourage you to be fair and courteous to fellow employees, students, parents, vendors, customers, suppliers, or other people who work on behalf of the School. We also encourage you to avoid posting statements, photographs, video, or audio that could be reasonably viewed as malicious, obscene, threatening, or intimidating, that disparage employees, students, parents, vendors, customers, suppliers, or other people who work on behalf of the School, or that might constitute harassment or bullying.
- Make sure you always try to be honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Please do not post any information or rumors that you know to be false about the School, fellow employees, students, parents, vendors, customers,

suppliers, people working on behalf of the School, or competitors.

- Never represent yourself as a spokesperson for the School unless authorized to do so. If you publish social media content that may be related to your work or subjects associated with the School, make it clear that you are not speaking on behalf of the School and that your views do not represent those of the School, fellow employees, students, parents, vendors, customers, suppliers, or other people working on behalf of the School. It is best to use a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of the School."
- Never be false or misleading with respect to your professional credentials.
- Do not take any photos, videos, or other media in the workplace or on the School's premises or at School functions without permission of the School. It is your responsibility to ensure that your posts do not contain any prohibited information, or Confidential Information, including, but not limited to, photos, videos, or other media referencing or relating to student information, even if the student(s) is/are not specifically identified by name but could be easily determined or may be perceived as identifying any student or group of students. Violations may result in disciplinary action, up to and including termination.
- Supervisors who "friend" subordinates on social media accounts (whether personal or School accounts) are responsible for abiding by this policy at all times and immediately reporting any violations of this policy to. Failure to do so may result in disciplinary action, up to and including termination.

Employees are not to initiate "friendships" with students or parents. Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Employees must delete any students already on their "friends" list immediately. Employees should also be aware that participation in social media, even in a private setting, may not remain private and posts may become public knowledge and/or reported to the School.

Employees should weigh whether a particular posting or explicit/implicit message puts their effectiveness as a School employee at risk. PCA encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Personal or Professional Blogs

This policy should not be construed, and will not be applied, in a manner that violates employee rights under the National Labor Relations Act.

Employees may not comment on a student's blog or a student's other social networking commentaries.

Employees may not use trade names, or logos belonging to the School without express written permission of the Executive Director.

In the event you have any questions about whether a particular social media activity may involve or implicate the School, or may violate this policy, please contact Human Resources. Social media is in a state of constant evolution, and the School recognizes that there will likely be events or issues that are not

addressed in these guidelines. Thus, each School employee is responsible for using good judgment and seeking guidance, clarification, or authorization before engaging in social media activities that may implicate this policy.

Failure to comply with PCA's social media policy will result in disciplinary action, up to, and including, immediate termination.

EQUIPMENT POLICY

PCA attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops, and any other equipment that may be assigned to them if the loss is due to willful misconduct or gross negligence.

Staff Equipment

Each staff member assigned devices and will be charged for any damages, loss or theft to the laptop caused by willful misconduct or gross negligence.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School.

Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used.
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures.
- Keep food and drinks away from all computing devices and work areas.
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee's computing device be lost or stolen, the employee must:
    - Immediately report the incident to their immediate supervisor and/or Executive Director.
    - Obtain an official police report documenting the theft or loss; and
    - Provide a copy of the police report to their immediate supervisor or Executive Director.

If the employee fails to adhere to these procedures, the employee may be held legally and financially responsible to the School for the replacement of such equipment.

The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

There is no expectation of privacy in School equipment. The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to management review, monitoring, and auditing by the School. Other audits may be performed on the usage and internal controls as deemed necessary.

Non-compliance with any policies or procedures regarding Employee Computers and Portable Computing Devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.

CELL PHONE POLICY

Generally personal cell phone use is not permitted while you are working. Cell phones should be turned off and stored with your other personal belongings while you are working.

Notwithstanding the foregoing, employees may, in the event of an "emergency condition," access their mobile device or other communications device for seeking emergency assistance, assessing the safety of the situation, or communicating with a person to verify their safety. For purposes of this policy, an "emergency condition" is defined as:

- Conditions of disaster or extreme peril to the safety of persons or property at the workplace or worksite caused by natural forces or a criminal act; or
- An order to evacuate a workplace, a worksite a worker's home, or the school of a worker's child due to natural disaster or a criminal act.

If you are required to perform business on a cell phone for PCA while driving, you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on your cell phone while driving a School vehicle or your own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages, and email.

If you are assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

Telephone Calls and Texting

While at work and during staff meetings, the employee's undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

NO SOLICITATION/DISTRIBUTION POLICY

PCA's Communication Systems may not be used to solicit for political causes, commercial enterprises,

outside organizations, or other non-job-related solicitations. Approval from the Executive Director is required before anyone can post any information on commercial on-line systems or the internet.

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, PCA has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School's business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed, or controlled by PCA.

Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks.

Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Additionally, distribution of written materials of any kind by PCA employees is prohibited at all times in all working areas on School premises.

Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by PCA.

School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. PCA must approve any postings prior to posting.

PCA reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business.

Employees are required to leave School premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on School premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their supervisor.

Definitions

School "premises": property owned, leased, operated, managed, or controlled by the School, including buildings, parking lots, and play areas that the School has the right to use exclusively or in common with others, vehicles owned or operated by the School.

Work time: any time when employees are engaged in or required to be performing work tasks or are otherwise "on the clock.". Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except, employee

break areas, and parking lots (non-work areas).

Employee Responsibility

If you have a need to solicit and/or distribute materials on School premises, it must be in compliance with this policy. If you have questions, talk with Human Resources. If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If you are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to your supervisor.

ANTI-NEPOTISM POLICY

Policy Statement

It is the policy of PCA to avoid Nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between a PCA decision-maker and their Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts in loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all PCA board members, employees, individual consultants hired or retained by PCA, and School Services Providers hired or retained by PCA.

Relationships between PCA board members, employees, consultants, or School Services Providers are permissible under the following circumstances:

- Family Members of PCA board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.
- Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be in the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or in the case of a board member, in the discretion of the PCA Board of Directors.
- Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law, and shall not create a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be in the discretion of the supervisor(s) of the employee(s), consultant(s) or School Services Provider(s), or in the case of a board member, in the discretion of the PCA Board of Directors.

Definitions

“Family Members” include an employee's parent, child (natural, adopted, or legal guardianship), spouse, domestic partner, brother, sister, grandparent, grandchild, step-relationships within the preceding categories, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, and father-in-law.

"Nepotism" describes a work-related situation in which there is the potential for favoritism toward a Family Member (such as giving a job, promotion, biased performance reviews, or more favorable working conditions) on the basis of the familial relationship.

"School Services Provider" shall mean any provider of School services to PCA, and in the case of an organization shall mean be the responsible individual at such organization that provides School services to PCA.

Procedures

When a Family Member of a current PCA board member, employee, individual consultant, or School Services Provider applies to become a board member or employee, or requests to be a consultant or School Services Provider, the Family Member's application/request must be denied if a conflict under this policy exists (*e.g.*, if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that PCA's best interests would be served otherwise.

When a Family Member of a current PCA board member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within PCA, the Family Member's application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether they have a Family Member who is presently employed by or on the board of PCA, but such information may not be used as a basis for an employment decision except as stated herein.

When a relationship that creates a conflict with this policy occurs during employment, PCA will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of agreement between the employees involved and PCA. If a mutual agreement is unattainable, the Board will determine, in PCA's best interest, which employee is to be transferred or separated.

Responsibilities

The Executive Director or designee shall coordinate with the current employee's direct supervisor to develop appropriate plans to ensure that a Family Member's employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Executive Director or designee will deny the application for employment. Special circumstances may be reviewed by the Board in the event that PCA's best interests would be served by the employment of a Family Member.

The Executive Director or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Executive Director or designee which may be covered by this policy. Supervisors may inquire about the family relationship

between employees to determine the appropriateness of the working relationship under this policy. The Board shall make the final determination concerning potential conflicts with this policy involving the Executive Director.

BUILDING SECURITY/SCHOOL KEYS

All employees who are issued keys to any building or office are responsible for their safekeeping.

You will be assigned all appropriate building keys needed to conduct your daily job responsibilities. You are responsible for all keys. Duplication of any School key is not allowed and strictly prohibited. It is against School policy to loan or distribute your assigned keys to another employee or non-employee of the School. If your School keys are lost, misplaced, destroyed, or stolen, you must report it immediately to the Executive Director.

The last employee, or a designated employee, who leaves the office and /or the School site at the end of the business day assumes the responsibility to ensure that all doors are securely locked, the alarm system is armed, thermostats are set on appropriate evening and/or weekend setting, and all appliances and lights are turned off with exception of the lights normally left on for security purposes. Employees are not allowed on School property before or after hours without prior authorization.

INTERNAL INVESTIGATIONS & SEARCHES

From time to time PCA may conduct internal investigations pertaining to security, auditing, or work-related matters. Employees are required to cooperate fully with and assist in these investigations if required to do so.

In PCA's discretion, employees' work areas (i.e., desks, file cabinets, lockers, etc.) may be subject to a search without notice. Employees are required to cooperate. Because even a routine search for PCA property might result in the discovery of an employee's personal possessions, all employees are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to reveal to PCA. PCA will generally try to obtain an employee's consent before conducting a search of work areas, but it may not always be able to do so. Employees have no expectation of privacy in their work areas.

VIOLENCE IN THE WORKPLACE

PCA has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect PCA or which occur on PCA property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

- All threats or acts of violence occurring on PCA premises, regardless of the relationship between PCA and the parties involved
- All threats or acts of violence occurring off PCA premises involving someone who is acting in the

capacity of a representative of PCA

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

- Hitting or shoving an individual
- Threatening an individual or their family, friends, associates, or property with harm
- Intentional destruction or threatening to destroy PCA property
- Making harassing or threatening phone calls
- Harassing surveillance or stalking (following or watching someone)
- Unauthorized possession or inappropriate use of firearms or weapons

PCA's prohibition against threats and acts of violence applies to all persons involved in PCA's operation, including but not limited to all personnel, contract, unpaid interns, volunteers and temporary workers, and anyone else, including parents on PCA property. Violations of this policy by any individual on PCA property will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors or to their Executive Director.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the incident to their direct supervisor, school leadership, and Human Resources.

There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

In certain circumstances, the School may seek a workplace violence restraining order on behalf of one or more employees in furtherance of its commitment to providing a workplace that is free from acts of violence or threats of violence. To obtain a copy of the School's Workplace Violence Prevention Plan, please contact Human Resources – HRHelp@pacificcoastacademy.org.

STAFF-STUDENT INTERACTIONS

Boundaries Defined

For the purposes of this policy the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher

relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behavior

Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from School
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from School or School activities without parental permission
- Being alone in a room with a student at School with the door closed
- Going into PCA students' homes during work hours unless there is a special work-related circumstance and express permission has been granted by executive leadership
- Bringing your own children into PCA students' homes
- Bringing your own children to learning period meetings or professional development meetings.
- Allowing students in your home during work hours
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students if the content is not

about School activities

Acceptable and Recommended Behaviors

- Obtaining parent's written consent for any School activity (exclusive of tutorials)
- Obtaining formal approval (site and parental) to take students off School property for activities such as field trips or competitions
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to School activities or classes (communication should be initiated via School-based technology and equipment)
- Keeping the door open when alone with a student
- Keeping reasonable and appropriate space between you and the student
- Stopping and correcting students if they cross your own personal boundaries
- Keeping parents informed when a significant issue develops about a student
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior-staff or administration if you find yourself in a difficult situation related to boundaries
- Involving your supervisor in discussion about boundaries that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in your best judgment could evolve into a more serious situation later
- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular School hours
- Prioritizing professional behavior during all moments of student contact
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career

Reporting

When any staff member becomes aware of another staff member, volunteer, guest or vendor having crossed the boundaries specified in this policy, or has a reasonable suspicion of misconduct, they must report the suspicion to their immediate supervisor or the Executive Director promptly. Reasonable suspicion means it is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The School will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as it deems

necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CUSTOMER & PUBLIC RELATIONS

The School's image in front of students, parents (i.e., our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. It is possible an employee may come into contact with a dissatisfied or hostile individual based on the nature of the employee's work. If this happens, you should immediately notify your supervisor or the Executive Director. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. If you witness conduct in violation of this policy, you should immediately bring it to the attention of your supervisor or the Executive Director.

STANDARDS OF CONDUCT AND CIVILITY

At PCA, we are committed to upholding the highest standards of personal integrity and conduct. These standards are based on our dedication to treating people with dignity, respect, and civility, and taking individual and collective responsibility for our conduct. The manner in which we conduct ourselves defines us and how we are perceived by others. As School employees, we also serve as role models to our students.

PCA employees are accountable for integrity in conduct and for the consequences of their actions or inactions. The highest of ethical standards are expected in all matters internal, as well as with students, parents, and the community at large. All employees and any individuals acting on behalf of PCA are required to conduct themselves in compliance with the essence of this Standards of Conduct and Civility policy. Any concerns must be promptly reported to a supervisor or the Human Resources. Failure to comply with this policy may result in disciplinary action, up to and including termination.

Children must have adult supervision at all times. Separate, specific supervision of staff members' children must be secured (at employee's expense) while staff members are performing work duties.

CIVILITY

- Everyone treats each other with civility, dignity, respect and professionalism at all times
- Employees exercise emotional self-control and sensitivity to feelings of others not with blame or recrimination
- Employee behavior supports an environment where everyone feels safe, secure and respected.

The School prohibits audio or video recordings in the workplace, during working hours, without authorization of the School due to privacy and confidentiality concerns and protections.

The School devotes significant time, energy, and expense to develop and acquire its trade secrets and confidential information. As an employee of the School you will, during the course of your employment, have access to and become familiar with various trade secrets and confidential information that are owned by the School. An employee shall not, directly or indirectly, disclose or use any of the foregoing information other than for the sole benefit of the School, either during the term of your employment or at any other time thereafter. This information shall not be disclosed except through normal channels and with authorization. Any and all trade secrets or confidential information shall be returned to the School during extended leaves of absence or upon termination.

During your employment with the School, you will not be permitted nor required to breach any obligation to keep in confidence proprietary information, knowledge, or data acquired during your former employment. Violations of this policy may result in disciplinary action, up to and including termination.

If you receive a request by a parent/guardian to provide a narrative about a student's participation in the School's program for purposes of a child custody dispute, inform the parent/guardian that it is not the policy of the School to provide such information without a subpoena. If the parent/guardian requests copies of a student's educational records, please refer them to the records department, which may be reached at (619) 215-0704 x430 or records@pacificcoastacademy.org. If you receive a subpoena to provide testimony or records about a particular student, please contact your administrator.

CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social, and economic relationships with competitors, suppliers, customers, parents, or co-employees that may impair an employee's ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest. For example, romantic or personal relationships between a supervisor and subordinate employee can lead to supervisory problems, claims of harassment, and morale problems.

Any employee involved in such situations or relationships must immediately and fully disclose the nature of the situation or relationship to the Executive Director so a determination can be made as to whether an actual or potential conflict exists, and if so, how to correct the situation.

Employees shall not be financially interested in any contract made by them in their official capacity.

PCA expects employees to devote their best efforts to the interests of our School. PCA recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at PCA or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with PCA whether as a regular employee or as a consultant.

If you have any questions whether an action or proposed course of conduct would create a conflict of interest, you should immediately contact the Executive Director to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including, immediate termination.

This policy is in addition to PCA's Revised Nonprofit Conflict of Interest Policy and Conflict of Interest Code.

Outside Employment

If you are a full-time employee we expect that you devote your full professional effort to your position at PCA. If you wish to participate in outside work activities you are required to obtain written approval from the Executive Director prior to starting those activities. Approval will be granted unless the activity

conflicts with PCA's interests. In general, outside work activities are not allowed when they:

- Prevent you from performing work for which you are employed at PCA.
- Involve organizations that are doing or seek to do business with PCA including actual or potential vendors.
- Violate provisions of law or PCA policies or rules.
- When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave).

Your obligations to PCA must be given priority. Full-time employees are hired and continue employment with the understanding that PCA is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the School is strictly prohibited.

POLICY REGARDING INCONSISTENT, INCOMPATIBLE OR CONFLICTING EMPLOYMENT, ACTIVITY OR ENTERPRISE BY SCHOOL PERSONNEL

Policy Statement

It is the policy of PCA that its officers and employees may not engage in any outside activity, employment, or enterprise for compensation which is inconsistent, incompatible with, or in conflict with, their duties as an officer or employee of PCA. During working hours or on School premises, officers or employees shall not engage in political or religious activities, or recruit or solicit students or members of the public for political or religious activities.

An officer's or employee's outside activity, employment, or enterprise for compensation shall be determined to be inconsistent, incompatible with, or in conflict with, their duties as an officer of employee of PCA if any of the following apply:

- It involves the use of PCA time, facilities, equipment, supplies, or the officer's or employee's position or influence with PCA, for private gain or advantage.
- It involves receipt or acceptance by the officer of employee of any money or other consideration for the performance of an act that would otherwise be required within the scope of the officer or employee's duties with PCA.
- It involves the performance of an act as part of the outside activity that involves services performed for PCA.
- It affects the officer's or employee's work hours, interferes or conflicts with the officer's or employee's job duties, raise any ethical or conflict of interest concerns, or create any conditions that impact the officer's or employee's job performance.

Officers and employees may not use PCA's name, logo, supplies, equipment or other property in connection with any outside activities.

Procedure

In the event that an officer or employee believes that an outside activity for compensation may be

inconsistent, incompatible with, or in conflict with, their duties as an officer or employee of PCA, the officer or employee shall obtain a written determination of the Executive Director or designee that the outside activity is not in violation of this policy before engaging in such activity.

EXPENSE REIMBURSEMENT POLICY

PCA will reimburse employees for certain reasonably necessary business expenses incurred in the furtherance of PCA business. In order to be eligible for reimbursement, employees must follow the protocol set forth in the School's relevant fiscal and accounting policies and procedures. In general, the immediate supervisor must have previously approved all expenses, prior to the employee spending money. All receipts pertaining to the reimbursement must be original and detailed, and should be submitted to the appropriate supervisor for review and approval, prior to submission for final approval and payment.

POLICY CONFIRMING RESTRICTION ON THE PROVISION OF FUNDS OR OTHER THINGS OF VALUE TO STUDENTS, PARENTS OR GUARDIANS

Policy Statement

It is the policy of PCA that PCA shall not provide any funds or thing of value to any student or their parent or guardian that a school district could not legally provide to a similarly situated student, or their parent or guardian. PCA does not and shall not provide, for example, "sign up bonuses" to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use their status as a student, parent or guardian with PCA in order to obtain funds or things of value from PCA. For example, this policy prohibits an individual from utilizing their status as a parent or guardian to obtain a vendor contract with PCA for compensation. It also prohibits an individual from utilizing their status as a parent or guardian to refer or encourage any students enrolled in PCA, or their parents or guardians, to select that individual or their company or their another provider of services, in connection with the student's education at PCA, resulting in the individual's receipt of funds or thing of value from PCA.

Procedures

The prior approval of the Executive Director or designee must be obtained for any of the following in order to ensure that it does not conflict with this policy:

- Any funds or thing of value provided to a student, parent or guardian which has not previously been approved. This applies in any situation in which a student, parent or guardian would any funds or thing of value, whether in their capacity as a student, parent, guardian, vendor, service provider or other circumstance.
- Any proposed incentive to be offered to students or parents.

In requesting approval, the educational purpose of any such funds, thing of value or incentive must be provided to the Executive Director or designee.

SECTION 12 – SAFETY

SUBSTANCE AND ALCOHOL POLICY

It is the intent of PCA to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees' health, efficient operations, or School success.

For purposes of this policy, "illegal drugs" includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana, and marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). "Drug paraphernalia" means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. "Under the influence" means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol during working hours, including meal and break periods, or in the presence of pupils
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School's premises
- Refusing to submit to an inspection or testing when requested by administration
- Being under the influence of illegal drugs, prescription medication that impairs cognitive or physical functions and/or alcohol during working hours, while on the School's premises and/or attending a School function or event
- Conviction under any criminal drug statute for a violation occurring in the workplace, including failure to notify the School in writing of employee's conviction for a violation of a criminal drug statute occurring in the workplace no later than 5 calendar days after such conviction; or
- Failure to keep all prescribed medicine in its original container

Employees taking physician-prescribed medications, which impairs the employee's job performance, (including medical prescribed or recreational marijuana) should not report to work. In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your ability to perform your job, you are required to report this to Human Resources. Human Resources will determine if it is necessary to temporarily place you on another assignment or take other action as appropriate to protect your safety and the safety of other employees and students. Employees taking physician-prescribed medication which will not impair their job performance may be required to present a

statement from the prescribing physician to the employee's supervisor indicating the duration of the prescription and stating that the use of the prescription will not impair the employee's ability to perform their specific job duties. This policy does not require or request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in their possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee.

This policy will not be construed to prohibit the use of alcohol at social or business functions. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. This may include desks, storage areas and rooms normally used to store employees' personal property. As a result, employees do not have an expectation of privacy in this regard.

Violation of this Substance and Alcohol Policy may result in disciplinary action, up to and including termination, at the School's sole discretion.

Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Compliance with this Substance and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by Intoxilyzer, blood test, urinalysis, medical examination of those persons whom the School reasonably suspects of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee.

Any refusal to submit to such testing will be considered a positive screen. An employee's consent to submit to such a test is required as a condition of employment, and an employee's refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.

Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee of other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

All School buildings and facilities are non-smoking facilities. This includes nicotine and non-nicotine cigarettes including (herbal cigarettes) as well as e-cigarettes, cigars, pipes, vaping and/or (both tobacco and marijuana products). Please report any problems with our security systems to your Executive Director.

SAFETY POLICY

PCA is firmly committed to maintaining a safe and healthy working environment. All employees of the School are expected to be safety conscious on the job at all times. All unsafe conditions or hazards should be corrected immediately. Report all unsafe conditions or hazards to your supervisor or Executive Director immediately, even if you believe you have corrected the problem. If you suspect a concealed danger is present on School premises, or in a product, facility, piece of equipment, process, or business practice for which the School is responsible, bring it to the attention of your supervisor or Executive Director immediately. Supervisors should arrange for the correction of any unsafe condition or concealed danger immediately and immediately contact the Executive Director regarding the problem.

PCA has invested in providing a work environment that is safe for all employees. To lessen the risk of ergonomic hazards, the School will make necessary adjustments to an individual's workstation, educate employees on ergonomic safety, and modify processes when deemed necessary to ensure the well-being and safety of our employees. You should report any ergonomic concerns to your Executive Director.

PACIFIC COAST ACADEMY
AT-WILL EMPLOYMENT AGREEMENT

This At-Will Employment Agreement ("Agreement") is entered into by and between _____ ("Employee") and Pacific Coast Academy ("School"), a California nonprofit public benefit corporation.

A. Recitals

1. The School and Employee understand and acknowledge that state budget shortcomings may significantly impact current operations and that there might be uncertainties that exist as to the ongoing or future impacts the state budget may have on all aspects of school operations.

2. Based on the above and the current anticipated operational needs for the school year beginning July 2025, the School desires to engage the services of Employee as a Homeschool Teacher.

3. Based on the above, Employee desires to perform such services for the School on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the promises and of the mutual agreements set forth herein, the parties hereto agree as follows:

B. Employment Terms and Conditions

1. Duties

Employee is employed to serve as a Homeschool Teacher and shall perform such duties as are consistent with this position either online and in person, as requested, as well as such other duties that the School may assign from time to time. The School may ask Employee to, among other things, attend meetings, supervise field trips, or participate in other extracurricular activities. Employee will devote Employee's utmost knowledge and best skill to the performance of Employee's duties. Employee will perform the duties generally described in the job description, which is available upon request. These duties may be amended from time to time at the sole discretion of the School. Employee also understands that additional or different duties may be assigned to Employee in the School's sole discretion based on impacts to operational needs and demands.

Employee shall abide by all of the School's policies and procedures as adopted, amended, or modified from time to time. To the extent any of the School's policies and procedures differ from the terms of this Agreement, the terms of this Agreement shall prevail.

Employee will not render services in person or by electronic means, paid or otherwise, for any other person or entity during scheduled work hours with the School.
Employee shall inform the School in writing if Employee accepts outside employment. Such notice shall include written assurances that Employee's outside employment shall not interfere

with Employee's duties. The School will then determine if a potential or actual conflict of interest exists.

2. Work Year

Generally, the Work Year begins on July 28, 2025. The Employee's first day to report to work is _____. Please refer to the school's academic calendar for school-related holidays and breaks.

Pursuant to the Employment At-Will provision of this Agreement, either the School or Employee has the right to terminate the Employee's employment at any time, with or without advance notice, and with or without cause. The Employee acknowledges and understands that Employee has entered into this employment relationship with Employer voluntarily and acknowledges and understands that there is no specific length or agreed upon period of employment.

3. Work Schedule

Homeschool Teachers are required to work Monday – Friday from 8:30 am – 5:00 pm. In addition, Employee shall attend all of the following: professional development days, parent-teacher conferences, and other school events that may occur on nights and weekends.

Workdays for the Employee shall be consistent with the applicable calendar of workdays for this position. For purposes of CALSTRS only, the work year will consist of a minimum of 196 work days.

If Employee is converted to part-time status, Employee shall work no more than eight (8) hours in any one work day or forty (40) hours in any one work week without obtaining prior written approval from Employee's supervisor. While on part-time status, Employee shall not work more than six (6) consecutive days without obtaining prior written approval from Employee's supervisor. Employee must also keep written records of all start and stop times of work, including the start and stop times of meal periods, if applicable, and provide this written log to Employer on a timely and regular basis. Part-time teachers must take all meal and rest breaks as required and provided for in the Employee Handbook. If, for any reason, Employee is unable to take meal and rest breaks as required, Employee must immediately inform Employee's supervisor in writing.

4. Compensation

Employee is an exempt employee and therefore is not eligible for overtime pay. Employee will be on Level ___, Column ___. Employee will receive an annual salary less applicable withholdings and authorized deductions. Employee's salary will be prorated in accordance with the portion of the Work Year actually worked.
Employee's salary will be paid semimonthly in accordance with the School's payroll practices beginning with the first pay period following the Employee's first day of work.

The School may adjust compensation by up to 15% in the form of a salary increase or reduction based on actual enrollment; any salary increase is contingent on enrollment and performance. Generally, salary changes, if any, may be implemented at the end of the 1st three fiscal quarters – namely September 30th, December 31st, and March 31st, although changes to compensation may be made at any time in accordance with the at-will provision in Section C of this Agreement.

The School is solely responsible for assigning students to Employee's roster. Please refer to the Compensation Policy for specific details.

5. Employee Benefits

Employee shall be entitled to participate in designated employee benefit programs and plans established by the School (subject to program and eligibility requirements) for the benefit of its employees, which from time to time may be amended and modified by the School in its sole discretion.

6. Sick Leave

Employee shall accrue sick leave as provided in the Employee Handbook.

7. Licensure

Employee understands that employment is contingent upon verification and maintenance of any applicable licensure credentials as well as any other requirements mandated by law (including, but not limited to, background/fingerprinting and tuberculosis clearances). Employee understands that requisite credentials include, but is not limited to, a CLAD credential or a California Commission on Teacher Credentialing recognized equivalent to instruct English language learners. Failure to maintain the credentials and qualifications or satisfy other requirements for the position may result in termination.

8. Confidential Information

All confidential information of the School that Employee has knowledge of or access to shall be the exclusive property of the School both during and after Employee's employment. Employee shall not, directly or indirectly, disclose or use any confidential information other than for the sole benefit of the School, either during Employee's employment or at any other time thereafter, without the prior written consent of the School, except to the extent that such use or disclosure is made by reason of Employee's job responsibilities.

Employee shall not take any confidential information that is in written form, computerized, machine readable, model, sample, or other form capable of physical delivery, upon or after termination of Employee's employment with the School without the prior written consent of the School. Upon the termination of Employee's employment with the School, Employee shall deliver promptly and return to the School all such materials, along with all other School property in the Employee's possession, custody, or control.

Materials developed by Employee for purposes of Employee's employment at the School shall be the property of the School.

For the purposes of this section, "confidential information" shall mean all information, data, or knowledge regarding the School, its operations, employees, students, parents, contractors, or vendors not known generally to the public, including, but not limited to, research and development, trade secrets, existing or proposed computer or education programs, purchases, sales, student identifying information, financial and marketing information, lesson plans, business plans, fundraising strategies, or benefits information.

Employee shall refer to and agrees to abide by the Confidential Information policy and related policies in the Employee Handbook.

9. Child Abuse and Neglect Reporting

Employee understands and acknowledges that employee is a mandated reporter as defined by California Penal Code section 11165.7. As a mandated reporter, Employee is responsible to report to an appropriate agency whenever Employee, in Employee's professional capacity or within the scope of Employee's employment, has knowledge of or observes a child whom Employee knows or reasonably suspects to have been the victim of child abuse or neglect. Employee understands and acknowledges that Employee must follow up on Employee's initial report by filing a written report with the same agency within 36 hours of receiving the information concerning, or observing, the incident.

By executing this Agreement, the Employee acknowledges Employee is a mandated reporter and is certifying that Employee has knowledge of California Penal Code section 11166 and will comply with its provisions.

10. Conflicts of Interest

Employee understands that, while employed by the School, Employee will have access to confidential and proprietary information. Employee therefore shall not maintain employment or contracts for employment, or engage in any consultant or independent contractor relationship, with any other entity or school that will in any way conflict with Employee's employment with the School. Employee agrees that Employee will not enter into any contract(s), or participate in making any contracts, in which Employee has a material financial interest. Employee also specifically agrees that Employee will not refer students to, or encourage students to utilize, any School approved vendor to which the Employee has a familial or marital connection. Employee also specifically agrees that Employee will not recommend that the School enter into a contractual relationship with a vendor to which the Employee has a familial or marital connection.

Employee shall refer to and agrees to abide by the Conflicts of Interest policy and related policies in the Employee Handbook.

11. Residency

Employee understands that, while employed at the School, they will reside and work in the State of California. It is a condition of continued employment that the employee remains a resident of the State of California.

The School is authorized to serve students in the counties of Orange, Riverside, San Diego, and Imperial. The School's primary service area is Orange County. Homeschool teachers must live in the School's primary service area unless granted prior permission from the Executive Director. If Employee lives and/or moves outside of the School's serviced counties, travel to school events within the school's primary service area that are part of the Employee's job description will be considered commute time and not reimbursed by the school, unless otherwise approved in advance by the Executive Director.

C. At-Will Employment

Employee's employment with the School is at-will. This means that either the School or Employee may terminate this Agreement and Employee's employment at any time with or without cause, and with or without advance notice.

Employee also may be demoted or disciplined and the terms of Employee's employment may be altered at any time, including, but not limited to, a change in duties and/or compensation, with or without cause, and with or without advance notice, at the discretion of the School. In that regard, Employee understands that the School may at any time, in its sole discretion and with or without advance notice or cause, terminate Employee's employment and this Agreement or alter the Employee's duties, compensation and/or other terms or conditions of employment.

.

D. General Provisions

1. Entire Agreement

Except as to subjects covered by separately signed agreements including dispute resolution, this Agreement sets forth the entire understanding of the parties hereto with respect to its subject matter, merges and supersedes any prior or contemporaneous agreements or understandings with respect to its subject matter, and shall not be modified except by another agreement in writing executed by the School.

2. Severability

If any provision of the Agreement is held to be invalid or unenforceable by any court or tribunal of competent jurisdiction, the remainder of this Agreement shall not be affected by such judgment, and such provision shall be carried out as nearly as possible according to its original terms and intent to eliminate such invalidity or unenforceability.

Employee understands that the School is required to inquire with each school district, county office of education, charter school, and state special school ("Prior Employers") that previously employed Employee as to whether Employee was the subject of any credible complaints of, substantiated investigations into, or discipline for, egregious misconduct, as defined in Education Code section 44932, that were required to be reported to the Commission on Teacher Credentialing. Employee understands that if Employee is hired before the School receives information from any of these Prior Employers, Employee's employment may be terminated based upon the receipt of information from the Prior Employers, in the School's sole discretion. Nothing in this paragraph changes the at-will nature of the employment relationship between the Parties.

3. Governing Law

This Agreement will be governed by, construed, and enforced in accordance with the laws of the State of California.

4. Successors and Assigns

Neither party shall have the right to assign this personal Agreement, or any rights or obligations hereunder, without the consent of the other party.

5. Waiver of Breach

Either party to this Agreement may specifically and expressly waive, in writing, compliance by the other party with any term, condition or requirements set forth in this Agreement. Either party to this Agreement may specifically and expressly waive, in writing, any breach of any term, condition or requirement of this Agreement by the other party. However, in the event that either party makes or gives such a waiver, such action shall not constitute a further or continuing waiver of any preceding or succeeding breach, or requirement of compliance with, the same or any other provision or contractual requirement, unless a specific statement to the contrary is contained in such waiver. The waiving party may, at any time thereafter, require further compliance by the other party hereto with the requirements or provisions of this Agreement that have been waived. The consent of one party to any act by the other party for which such written consent was required shall not be deemed to imply consent or waiver of the necessity of obtaining such written consent for the same or similar acts in the future. No waiver or consent shall be implied from the silence or from the failure of any party to act, except as otherwise specified in the Agreement.

6. Execution in Counterparts

This Agreement may be executed in any number of counterparts, each of which shall be deemed a duplicate original when all counterparts are executed, but all of which constitute a single instrument.

COMPENSATION POLICY

DEDICATION TO NON-DISCRIMINATION

It is the policy of Pacific Coast Academy not to discriminate on the basis of race, religious creed (which includes religious dress and grooming practices), color, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical leaves, domestic violence victim status, political affiliation, or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations.

IMPORTANT INFORMATION

- This summary does not alter the at-will nature of the employment relationship and nothing in this summary shall limit the School's right to terminate employment at-will or limit the School's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. This includes, without limitation, the School's right to modify the compensation of any employee at any time, with or without notice and with or without cause.
- The School Board adopts this compensation schedule for Pacific Coast Academy. Pay increases are not granted automatically each year; therefore, neither past nor future compensation can be calculated, assumed, or predicted on the basis of this schedule or any information contained herein. Compensation of any employee may also be adjusted at any time based on operational needs of the School.
- The Executive Director shall recommend compensation for all School staff, consistent with the budget approved by the School Board. An employee's regular compensation is paid on a semi-monthly basis in accordance with the School's payroll practices and policies.
- The School reserves the right to change, suspend, revoke, terminate, or supersede provisions of this compensation schedule at any time. To the extent any of provisions herein differ from the terms of an employee's employment agreement, the terms of the agreement shall prevail.

COMPENSATION PHILOSOPHY

A compensation philosophy is a statement that defines what an organization offers and chooses to reward via its compensation system. The School's compensation philosophy places emphasis on equity, transparency, excellence, and commitment. These five key values are the foundation for all School compensation structures and practices.

We Offer

- Comprehensive compensation packages for all staff, including base salary and benefits. Certain employees may be eligible for bonuses and stipends, as set forth herein.
- A dynamic culture and vibrant community of colleagues united by shared dedication to students, a commitment to innovation, and a strong growth mindset.

- Unique career pathways, growth and development opportunities, and leadership roles that encourage staff to challenge themselves.
- Equitable compensation, regardless of gender, race/ethnicity, national origin, sexual orientation, age, religion, disability or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations.
- A transparent and clearly communicated compensation system, so that staff understand what factors may determine individual compensation and how and when potential changes to compensation will be affected.

We Recognize and Reward

- Exceptional performance and contributions that enable excellent student outcomes.
- Commitment of staff who contribute to the long-term success of our students and our organization.

For Teachers

- Given the role they play in providing educational services, teachers are particularly critical to the success of our mission. As such, we offer teacher compensation to attract and retain talented educators, and we specially recognize and reward:
    - Exceptional teacher performance that leads to growth and excellence for students
    - Commitment of teachers who develop deep, high-quality educational experience (within or outside of the School) and assume critical leadership responsibilities

MEDICAL OPT-OUT STIPEND

Employees may elect not to enroll in any of the medical plans offered by the Charter School. The employee must certify that they have medical coverage for themselves and eligible dependents elsewhere that is comparable to one of the plans offered by the Charter School. They will receive an employer contribution per year prorated based on the period of service and applicable pay periods.

CERTIFICATED COMPENSATION

Certificated Definition

For the purpose of this policy, certificated is defined as any position that requires a certificate and/or credential as defined by the California Teaching Commission (CTC).

Teacher Definition

For purposes of this schedule, a teacher is defined as a person who has a valid credential or certificate that allows them to teach a specific subject matter or special education.

Salary Placement Guidelines

Upon hire, each employee's salary placement will be calculated based on the YEAR an employee fits, and in accordance with the professional and teaching experience gathered in previous years in the institutions outlined in this manual and on other factors such as prior performance (which includes a rehired employee).

The starting salary of a new employee may exceed the salary of a current employee in the same position based on the new employee's years of experience.

Deputy Executive Director

The Deputy Executive Director is the second in command and reports to the Executive Director. This person manages and handles the daily business operations of the organization, working closely with department heads and supervisors to support the day-to-day activity of all employees including certificated and classified. They work with special education and the SELPA to ensure compliance and achievement. This person supports the Executive Director in all their administrative tasks, including overseeing curriculum, instruction, testing, intervention, special populations, LCAP development, federal programs, staffing and budget plans for the School. This position may serve more than one School.

Creditable Years of Experience

- The School has the option to grant one (1) YEAR for each one (1) year of approved creditable teaching or professional experience with a maximum placement on year 5 (five).
- Additional years may be granted for employees who have School-desired experience in what the School determines to be "hard-to-staff" positions.
    - One year of creditable professional or teaching experience will be granted for full-time employment, which is employment for 100% of an institution's normal work schedule during the school year.
    - A partial year of creditable professional or teaching experience can be granted for up to a year of part-time employment, which is less than 100% of an institution's normal work schedule during the school year.

<table>
<tr><th colspan="2">Examples of Hard to Staff Positions</th><th>Based on actual number of years worked, may start at the following step:</th></tr>
<tr><td colspan="2">Occupational Therapist
Speech Language Pathologist</td><td>11</td></tr>
<tr><td colspan="2">Adapted Physical Education Teacher

<tr><td>Education Specialist-Mild/Moderate

Program Specialist

Special Education Services Coordinator</td><td>6</td></tr>
</table>

- Creditable professional or teaching experience may be earned in:
    - California and US public, charter, and private elementary and secondary schools
    - Accredited foreign public, charter, and private elementary and secondary schools
    - California, US, and foreign accredited universities and colleges
    - Non-public special education contract schools for special education teachers
    - Other regionally accredited educational institutions

- Creditable teaching experience is experience as a teacher in one of the institutions outlined above.
- Other relevant professional experience may be considered by the Executive Director or designee.

Staff who do not complete at least 50% of the school year or hired on or after the start of the 2nd semester and are receiving a contract for the following school year will remain in the same placement on the Salary Schedule and in accordance with other parameters set forth by this policy unless otherwise required by law.

The Executive Director or his or her designee may adjust a rehired teacher's placement on the Salary Schedule as appropriate based on the employee's accumulated experience following the teacher's separation from the School, which may result in a higher or lower placement on the schedule than the teacher would have otherwise been placed had the teacher been continuously employed.

In the event that an adjustment to pay scale placement is issued, adjustments made prior to 10/31 or within 30 days of hire may be applied retroactively that same school year if applicable. If the adjustment is issued outside of 10/31 or 30 days of hire, it will go into effect for eligible employees the following school year. Adjustments made due to School error will be applied to the next applicable pay period.

Credential/Certification

- Teachers holding a valid and active credential (i.e., preliminary, clear, lifetime) California teaching certificate at the time of hiring/rehiring will generally be compensated in accordance with the applicable teacher Salary Schedule (B Basis, C Basis or Special Education) for certificated teachers.
- The School may hire teachers with a bachelor's degree who do not hold a clear teaching credential. Staff holding an alternative certification (intern, emergency, or preliminary credential) are rated on the same salary teacher schedule as certificated teachers.
- A teacher is eligible to advance to the proper Salary Schedule level once they meet the requirement for that specific Salary Schedule level and group based on their creditable years of service and post bachelor's degree units, post bachelor's credential units, or completion of Advanced Placement certification coursework, if applicable. Course work is creditable for row placement and advancement if it is a course taken for credit at an accredited institution, reasonably related to the employee's assignment or future assignment, and posted as semester, quarter, or trimester units on an official transcript in the institution's graduate course number series, post bachelor's credential units, or taken from the Advanced Placement program. Points on the pay scale are the equivalent of semester units. Therefore, any eligible units not reported as semester units will be converted for proper placement on the pay scale.
- During the rate-in-process for new hires Executive Directors may approve additional units earned beyond post-baccalaureate credits equivalent to 4-semester units for each year starting with year 15. A candidate can earn a maximum of 60 credits for experience based on Executive Director approval.
- For any given school year, teachers must submit any successfully completed post-BA units no later than October 31 in order for the units to be applied to the teacher's salary in that school year. Any proof of successfully completed post-BA units submitted to the School after October 31 will not result in an adjustment to compensation until the following school year.
- Any increase in pay resulting from an advancement on the Salary Schedule based on the successful completion of post-BA units will not take effect until after the School's receipt of sufficient documentation supporting the advancement. Pay increases for post-BA units will not be paid retroactively. For illustration purposes, if a teacher completes graduate level coursework on January 15 and provides an official transcript on May 1, any advancement on the Salary Schedule and increase in pay will be effective

beginning the next school year. The teacher will not be paid at the higher rate of compensation retroactively (i.e., for the periods between January 15 and July 1).

- If a teacher completes graduate level coursework on August 15 and provides an official transcript on October 20, any advancement on the Salary Schedule and increase in pay will be effective beginning the first pay period following October 20. The teacher will not be paid at the higher rate of compensation during the periods between August 15 and October 31. The teacher would receive the advancement starting the next pay period of November 1-15.
- For teachers with less than 98 units, the maximum number of years of service that can be accumulated is 10 years. To add additional years of service, teachers must obtain 98 or more units.
    - The year in which 98 or more units is achieved, and official transcripts have been received between 7/15 to 10/31 of the current school year, the teacher will finish out that year on level H and current year placement. They will then advance in years of service the preceding school years as outlined on the salary schedule.
    - If a teacher has already completed year 10 on the pay scale and turns in 98 or more units between 7/15 to 10/31 of the current school year they will be placed at H-10 regardless of how many previous years have been completed. They will then advance in years of service the preceding school years as outlined on the salary schedule.
    - If a teacher has already completed year 10 on the pay scale and turns in 98 or more units after 10/31 of the current school year but prior to 7/14 of the next school year, they may start the new school year on H-11. They will then advance in years of service the preceding school years as outlined on the salary schedule.

If the School decides to issue signing bonuses, the following requirements shall apply:

Signing bonuses may be offered to teachers certified in an area of critical concern as defined by the School, or to address specific concerns at the School.

- The Executive Director shall designate the individuals authorized to receive the signing bonus.
- The signing bonus must be approved by the Board.
- To qualify for a signing bonus, the teacher must:

The number of stipends awarded under each category and/or the periods of service during the school year are at the sole discretion of the Executive Director or his/her designee.
- Supplemental duty stipends are authorized for the specific year assigned and are not renewed for the future years unless specifically authorized for those years. This means additional duties such as ~~High School Academic Support Coordinator~~, SPED Lead Teacher, Testing Lead, etc. are assigned on a year-by-

year basis and are not guaranteed responsibilities that carry over from year to year.

- The School, in its sole discretion, may choose not to offer certain stipends.
- Stipend amounts and requirements will be reviewed periodically and may be modified from time to time at the sole discretion of the School.

Voluntary Transfer to Lower Role Placement or Teaching Position

Employees approved to voluntarily transfer to a position in a lower placement on the Salary Schedule will be placed in the new salary placement or teacher Salary Schedule, and the salary will be calculated as it is in the new placement or schedule.

Additional Supplement Bonus ("Supplement")

The Executive Director may recommend a Supplement for teachers as set forth in this section.

- The Executive Director, in his or her sole discretion, shall determine what duties shall be Supplemented based upon the operational needs of the School.
- A Supplement is not automatic and can be provided at the discretion and approval of the Executive Director, based on additional work beyond the regular work responsibilities.
- A Supplement will be paid to the employee in accordance with the schedule provided by the School at the time of Supplement award.
- The Supplemental award shall not exceed $35,000 or 50% of annual salary.
- All Supplements listed are paid for the performance of duties beyond the regular work day and normal job responsibilities and are not approved solely on the basis of position classification or previous Supplement payment. Additional time spent fulfilling job duties does not constitute a basis for compensation beyond the teachers' regular salary.
- Teacher Supplements will be set forth in a Supplement Performance Order. The Supplement Performance Order Request shall be completed and signed by the teacher and the Executive Director prior to performing the Supplemental duties.
- Supplements will be paid in installments or one lump sum if less than $1,001. However, this option will not be available where it would cause the employee to receive compensation prior to providing the service.
- Additional Supplements may include things such as Winter Break Coverage, Extra Student Pay and Enrollment Milestones.
- To qualify for an extended duty Supplement, the following criteria must be met as requested and assigned by the Executive Director:
    - The Executive Director must first agree with the teacher on the terms.
    - The Supplemental work must be separate from the normal job responsibilities.

- The work must be completed or in the progress of being completed.

PART-TIME TEACHERS

For All Part-Time Teachers

- Part-time/Full-time Status: Compensation for part-time teachers will be ~~$32.24 per hour~~ be prorated based on the percentage of students served compared to a full-time equivalent*. This rate may increase or decrease in direct correlation to the School's operational needs and/or budget approved by the School Board. Estimated hours for part-time teachers each week includes a maximum of 10 hours per week for approved non- instructional activities (recruiting, planning, grading, parent conferences, etc.) and one (1) additional hour per week per enrolled student. Part-time teachers are pre-approved for the hours according to the chart below. This allotted time should be sufficient to complete each part-time teacher's duties. All time worked will be compensated at the part-time teacher's ~~hourly rate. Part-time teachers will work no more than the number of approved hours per week specified in the chart for the 5 floating days in July~~ percentage of FTE rate. If a part-time teacher anticipates exceeding the number of approved hours per week ~~due to the attendance in the back-to-school training sessions, the teacher must obtain prior approval~~.
- Part-time teachers must accurately record and timely submit records of all time worked and observe all lunch and rest breaks as outlined in the School's Employee Handbook. Part-time employees may not work overtime (i.e., over 8 hours in a workday or 40 hours per workweek) without written authorization from their direct supervisor.
- When a case load of less than 35 ~~20-27~~ students is granted due to accommodations approved by the Executive Director employees will receive a prorated salary or an hourly rate based on the Salary Schedule. These staff members will also be given health care benefits contingent upon the teacher's expected maintenance of a case load over ~~20~~ 28 students and averaging 30 or more work hours per week. These staff members are considered part-time and will be reported as such for STRS. Once part-time teachers reach the norm minimum standard of ~~28~~ 35 students, they will be considered full-time and rated in and placed on the Salary Schedule. ~~Carrying a caseload of less than 28 students over a course of three (3) consecutive months may result in a return to part-time status.~~

*Depending on the percentage of FTE, this may be a non-exempt position paid at an hourly rate.

SCHOOL MISSION STATEMENT

MISSION STATEMENT

The mission of Pacific Coast Academy is to develop the individual gifts of students in San Diego County and adjacent counties to become critical thinkers, responsible citizens, and innovative leaders prepared for academic and real-life achievement in the 21st Century. The mission will be accomplished through quality, personalized, standards-based education which could include online coursework, offline textbook work, project-based learning and unique hands-on and experiential learning experiences facilitated in partnership with students, parents, staff, and community.

DESCRIPTION OF THE PROGRAM

Our school respects a family's right to educate their children and strives to offer innovative, personalized learning options for all families. Our programs engage students with a truly personalized learning plan based on their own interests and specific learning needs while preparing them for success both now and in the future. Enrollment in our full-time independent study program is tuition-free. Our School is a public charter school and shall be nonsectarian in its programs, admission policies, employment practices, and all other operations.

Our programs provide students with many opportunities:

- Learn at home or on the go with options for flexible, standards-based learning pathways using choices of secular curriculum, online platforms, and or bundled textbook programs
- Receive guidance, support, and assistance in person and virtually from your assigned credentialed Homeschool Teacher
- Optional field trips and community events
- Numerous and diverse educational vendor services

SCHOOLWIDE LEARNER OUTCOMES (SLOS)

At our schools, we have goals for students that are known as Schoolwide Learner Outcomes (SLOs). SLOs are a part of our schools' culture: they reflect our school vision, the College and Career Readiness standards, and the education of the whole child.

Pacific Coast Students Are:

Inquisitive Learners - Inquisitive learners are investigative, inquiring, ask probing questions, and desire to learn more.
Navigators of the Digital World - Navigators of the digital world who are proficient in the use of technology, media, and online resources.
Self-Directed - Self-directed and motivated students who are able to set attainable goals to achieve academic success.
Personalized Learners - Personalized learners who are able to thrive in the style of education that best fits their individual needs.
Independent Critical Thinkers - Independent critical thinkers who have the ability to problem solve, take ownership, and apply their knowledge to a variety of problems.
Responsible Citizens - Responsible citizens who demonstrate integrity and respect while actively seeking

knowledge of local and global issues.
Effective Communicators - Effective communicators who can thoughtfully articulate their thinking with confidence while collaborating with peers.

WESTERN ASSOCIATION OF SCHOOLS AND COLLEGES (WASC) ACCREDITATION

The WASC process is designed to allow us to go through an in-depth self-study of our school, focusing specifically on organization, curriculum, instruction, assessment, and school culture. We take a close look specifically at our high school students and their success. In addition, we identify and reflect on our progress towards our school-wide learning outcomes (SLOs). The WASC cycle includes targeting our areas of strength and areas of growth and the creation of an action plan to address those areas to increase student achievement.

When a school becomes accredited, it:

- Certifies to the public that the school is a trustworthy institution of learning.
- Validates the integrity of a school's program and student transcripts.
- Fosters improvement of the school's program and operations to support student learning.
- Assures a school community that the school's purposes are appropriate and being accomplished through a viable educational program.
- WASC accreditation is important because the military often requires applicants to be from accredited schools and many school districts and universities will only accept credits from WASC accredited schools.
- Allows high school students' courses, grades, and units to be accepted at more colleges and universities after graduation.

ADMISSIONS, REGISTRATION, & INTAKE

Upon offering enrollment, the following required registration documentation includes: proof of age, immunization record or waiver, housing questionnaire, and proof of residence.

The student must reside within a county our school serves and provide proof of residency prior to registration. Pacific Coast Academy serves San Diego County, Imperial County, Riverside County, and Orange County. If, while attending our school, a family moves, they must submit a new proof of residence annually and within ten days of a mid-year change in residence by completing the POR Survey in the Parent Portal. If a family moves outside of the service area for the school, the student will need to dis-enroll. There are accommodations for Homeless/Foster/Migratory Youth and students of active military families.

Proof of Residency (POR)

This will be verification of a service to the home address listed on your application. The best document to upload is a current utility bill dated within the last 90 days. The document submitted must be a full copy that includes all pages. For example: a gas, water, electric or cable bill. If providing a utility bill, please make sure that your document has the "Service Address" specifically listed in addition to your name, the date, and the utility name. Just having the document addressed to you will not be enough, it must include the "Service Address" on the utility bill. You can also use your most current correspondence from a government agency - e.g., CalWORKs, Social Security, Medi-Cal, EDD, or rental property contract, lease, or payment receipt (Agreements must be current and have the signature page reflecting both the renters and owner/landlord signature). Please make sure that the name, date and address are visible on the document you provide.

If you have one of the extenuating circumstances below, you would need to complete the corresponding forms:

- Living with a friend or relative: Affidavit to Verify Residency Form
- Transitional living: Parent Residency Affidavit Form

High school transcripts are necessary for determining proper class placement and for creating Individualized Graduation Plans (IGP). Transcripts should be submitted during the registration process and can be uploaded to the registration portal, faxed, or emailed.

All information on the application must be true and correct. If misrepresentations are made or incorrect information is provided, the application may be considered as not meeting the requirements of the school and may result in the revocation or halting of registration until accurate information is provided.

Registration in our school is contingent upon the student, parent, and teacher signing an Independent Study Master Agreement Form (Master Agreement) prior to the commencement of instruction and services. Parents and students will not have access to curriculum or Planning Amounts until the Master Agreement is signed and returned.

All students will be placed in their age-appropriate grade level, unless a previous school has officially approved a retention or promotion. The School reserves the right to independently evaluate the appropriate grade level for enrolling students.

The School reserves the right to review transcripts from all institutions a student previously attended, and to request additional information in the evaluation of those transcripts. Credits from institutions previously attended will be recognized at the discretion of the School.

Our School is a full-time, general education, independent study program; not a supplemental program or a part-time program. A student may not be dual enrolled in any other private or public school.

THE PARENT/GUARDIAN/LEARNING COACH'S ROLE

- Regularly support your student in daily learning during the school day, following the educational plan you (and/or the Learning Coach) and your Homeschool Teacher agree to.
- The educational plan approved by the Homeschool Teacher, in collaboration with the parent/guardian, must include current grade level curriculum and materials that address state standards.
- Treat all Homeschool Teachers and school staff with respect and professionalism.
- Work in collaboration with your Homeschool Teacher to ensure your student participates fully in their homeschool learning journey.
- Complete and submit the monthly Student Learning Log (attendance log).
- Support student(s) in completing the school-assigned benchmark testing (STAR 360) up to 3 times per school year.
- Support student(s) in attending state mandated CAASPP testing (SBAC, CAA, CAST, ELPAC (if needed) and Physical Fitness Test) or an alternate assessment.
- Practice consistent communication to enhance collaboration through daily checks of email and phone.
- Attend scheduled Learning Period meetings as specified in the Independent Study policy (two meetings per semester in-person within 60 days, every other learning period), as well as attend any other necessary

meetings (on the phone, via web conference, or in-person), with school staff and student(s).

- Regularly support your student in their attendance and continual participation in any and all:
  - Intervention
  - Specialized Academic Instruction
  - and/or related Special Education services as written into their Individualized Education Program, if applicable.
- Ensure your student participates in online or other recommended intervention supports if needed and advised by your Homeschool Teacher, Student Support Team, 504 Team, or Individualized Education Program Team.
- Furnish your student with a learning environment that is conducive to student learning.

STUDENT BEHAVIORAL EXPECTATIONS

Learning takes place in a variety of settings. These may include, but are not limited to:

- Online classroom sessions
- Public libraries, coffee shops, parks, community locations
- School-sponsored field trips, workshops, and community events

At our school, the primary focus is on student learning. Any behaviors that prevent all students from this focus will be reviewed and discussed with all parties involved. As a diverse community of learners, students must strive to work together in a setting of civility, tolerance, and respect for each other in an environment that does not distract from the mutual commitment to academic inquiry and reflection. To that end, the following student behavioral expectations have been established.

- When participating in group dialogue, no one monopolizes discussions to the exclusion of others, either in terms of time or opinions expressed.
- Conflicting opinions among members of a group are respected and responded to in a polite and respectful manner.
- No side conversations or other distracting behaviors are engaged in during group discussions or presentations.
- No offensive comments, language, or gestures are part of the learning environment.
- Students should be fully dressed in appropriate attire by wearing clothes covering their torso.
- Impersonating another person on an online platform is prohibited.
- Use only your own username and password for online platforms and do not share these with others.
- Do not post personal information in online environments (Phone number, social media usernames, physical address, email address, passwords, etc.)

Infraction of these expectations that is deemed to be disruptive of the learning environment, is cause for removal of a student from an activity and may result in disciplinary action.

SCHOOL MEETINGS

Virtual meetings with school staff shall be held in school-maintained, school-initiated virtual meeting platforms (e.g., Zoom, Google Meet). Recording, or taking photos, screenshots, or recorded audio transcription of school

meetings, whether virtual or in-person, is not allowed by parents/guardians/educational rights holders/students, with the exception of IEP and 504 team meetings. Parents have the ability to audio record IEP and 504 team meetings with advanced notice to Pacific Coast Academy per Education Code section 56341.1(g). Participants in School meetings should be dressed appropriately by wearing clothes covering their torso. Participants in in-person School meetings should also wear shoes. School meetings with students or relating to students are considered to be confidential communications. As such, PCA staff members have an expectation of confidentiality and duty to ensure confidentiality of such communications. School staff may, on occasion, initiate recording of general information meetings, as well as live Zoom classes, intended for parents, absent students, administration, accreditation organizations, other teachers, and those with a legitimate educational interest in the materials, but in such cases, recording will be disclosed, and consent obtained by participants in advance of participation in the meeting.

ZOOM DISCLAIMER

The purpose of the Zoom Disclaimer (Student/Parent Zoom Acceptable Use) is to build trust, respect and have safeguards in place for students to abide and adhere to the guidelines set forth by the school.

The goal is to prevent Zoom violations from occurring in our school organization by:

- Protecting data, student privacy and IT Security.
- Protecting students and staff from Cyberbullying, Abuse, Threats and Sensitive Content.
- Protecting unauthorized access data loss protection against security breaches and impersonating.
- Protecting unauthorized disclosure and dissemination of data from cybersecurity attacks.

Zoom Acceptable Use

In order to create a safe, trustworthy, and respectful environment for students when taking part in online Zoom meetings, the following considerations must be observed and adhered to:

- By accepting the Zoom meeting ID and joining the meeting you agree to the terms set out in this document and Zoom Community Standards Guidelines.
- Participants should be dressed appropriately by wearing clothes covering their torso.
- The meeting ID is to remain confidential and not to be shared to anyone that it was not designated to.
- Audio and/or visual ~~Recording~~ recording, use of AI notetakers and/or AI assistants, photos or screenshots of the Zoom meeting are not allowed by participants.

- Zoom Community Standards conduct policies apply to Zoom meetings, and the teacher retains the right to terminate a meeting or a specific student's attendance in the event a violation of the above has occurred.
- A student (participant) could be in violation of the law by doing the following in Zoom Meetings:
    - Abuse - harass, intimidate, cyberbullying, silence someone else, or encourage others to do so
    - Hateful conduct - You may not promote violence against, threaten, or harass other people on the basis of race, ethnicity, national origin, caste, sexual orientation, gender, gender identity, religious affiliation, age, disability, or serious disease.

- Sensitive Content - sensitive content as content that depicts or promotes graphic violence, adult content, inappropriate content, gratuitous gore, hateful imagery, and child exploitation material.
- Violence - to threaten or call for violence, serious physical harm, death, or disease to an individual or group of people. We also prohibit the celebration of any violent act that may inspire others to replicate it or that targets people because of their membership in a protected group. Examples of violent threats are the following;
  - threatening to kill someone;
  - threatening to sexually assault someone;
  - threatening to seriously hurt someone and/or commit a violent act that could lead to someone's death or serious physical injury;
  - asking for or offering a financial reward in exchange for inflicting violence on a specific person or group of people.

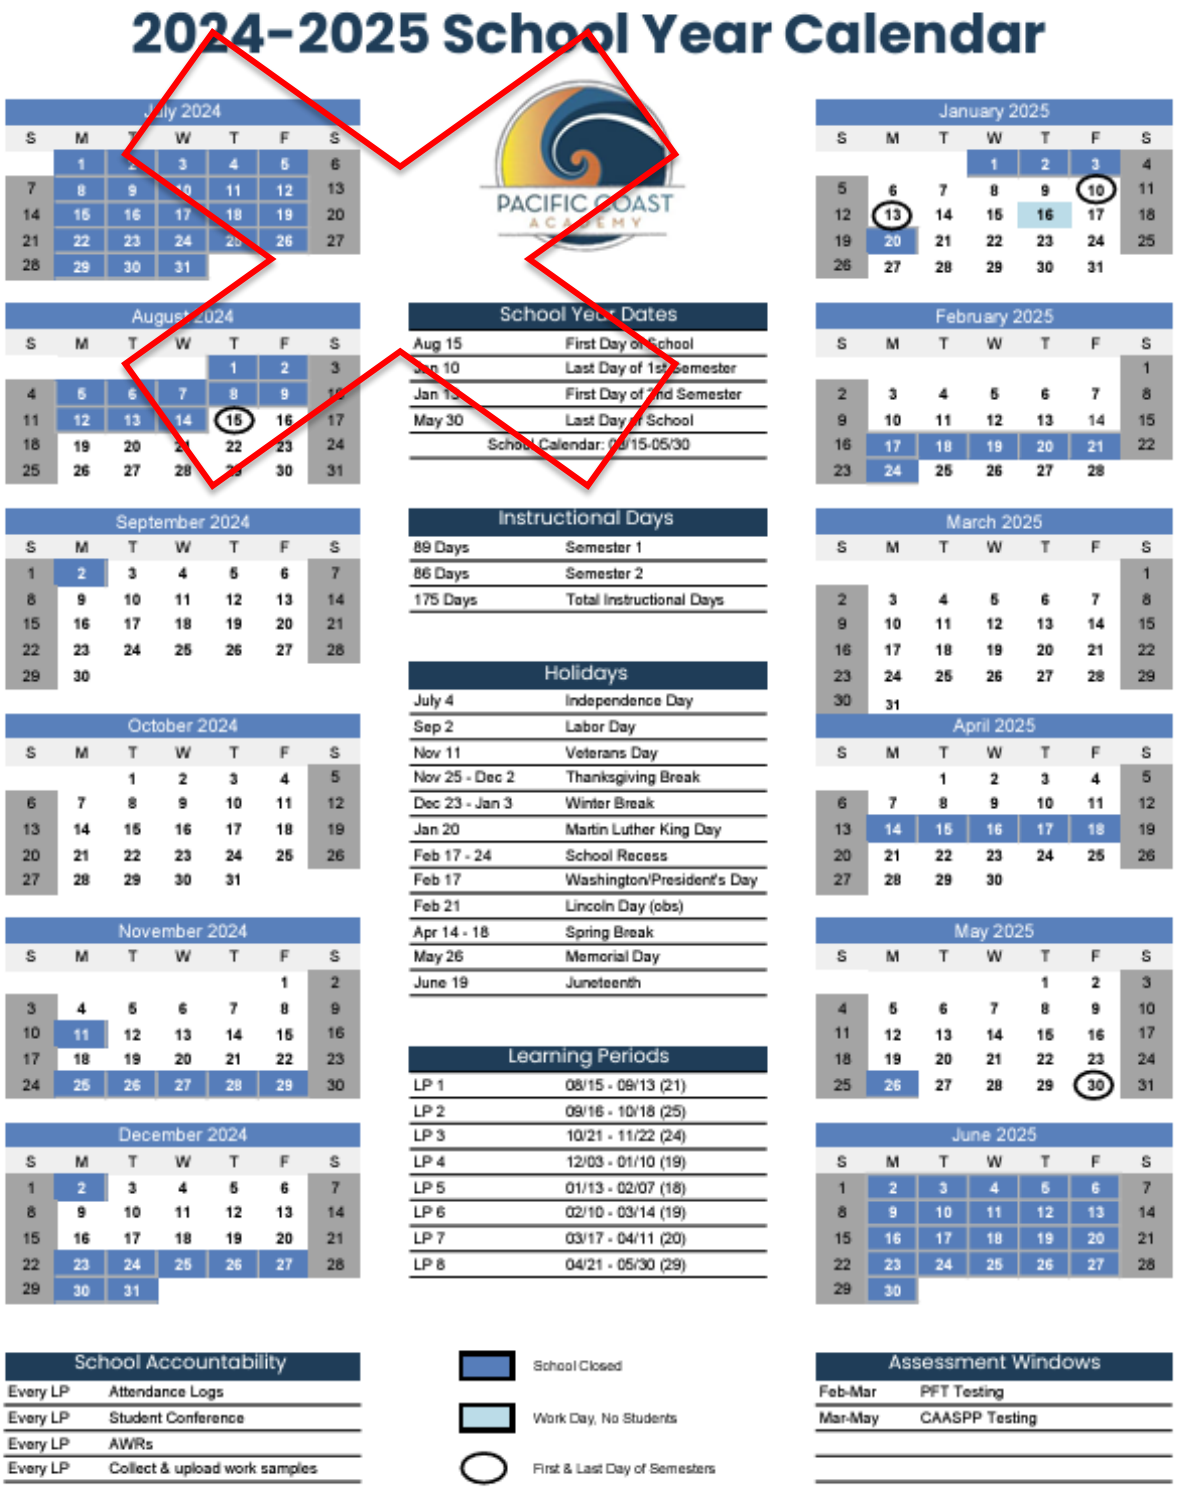

- Illegal or certain related goods and services -
  - Counterfeit goods and services;
  - Drugs and controlled substances;
  - Human smuggling or trafficking;
  - Products made from endangered or protected species;

- Copyright, trademark, defamation, right of publicity, and impersonation
  - Copyright is a form of legal protection for original works, like books, movies, photos and music. Copyright law prevents others from copying or displaying another's work without permission subject to a few exceptions, most commonly fair use. "Fair use" is typically a use for criticism, comment, news reporting, teaching, scholarship, or research.
  - A trademark is a word, logo, phrase, or design that distinguishes a trademark owner's good or service in the marketplace. Trademark law prevents someone from using a trademark to confuse others about whether a product or service is authentic, or to suggest that there is a relationship with the trademark owner when there is not.
  - Defamation (slander/libel) is to make false statements about someone that damage that person's reputation.
  - The "right of publicity" is using someone else's name, persona, or image for marketing or advertising purposes without their permission.
  - Impersonation is pretending to be someone you are not.

Consequences

Staff shall enforce disciplinary rules and procedures fairly and consistently. Discipline includes, but is not limited to, advising and counseling students, conferring with parents/guardians, and the use of behavior plans, alternative educational environments, suspension, and expulsion. Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

WORLD LANGUAGE PLACEMENT

Students will be placed in the first year of a World Language (for example, Spanish I), unless approved for a higher level. Students may be approved for a higher level (for example, Spanish II), under the following circumstances:

- Recommendation from a School-employed World Language HQT that the student advance
- Student records include a report card and/or transcript demonstrating student's completion of high school World Language courses

*Please note that a student's course sequence may not result in a student taking an AP World Language course in middle school without Director approval.

MINIMUM GRADUATION REQUIREMENTS

High school graduation requirements and college entrance requirements are not the same. Admission to competitive colleges and universities will require a rigorous course of study. Students will work with their high school counselor to develop a 4-Year Individualized Graduation Plan based on post high school goals, interests, and prior academic history.

College admission requirements vary from school to school. Students should check the admission requirements of any college(s) in which they are interested. Students should reach out to their high school counselor if they have questions about graduation requirements or the college admission process.

4-YEAR COLLEGE ENTRANCE REQUIREMENTS

Students applying to a 4-year college should plan to meet "a-g" requirements. These requirements are mandatory for students who apply to the CSU or UC systems, and strongly recommended for students who plan to apply to private and out-of-state colleges and universities. The "a-g" requirements are summarized below:

A-G	Subject Area	Subject Requirement
a	History | Social Science	2 years *(one year of World History and one year of US History, or one semester of US History and one semester of Government)*
b	English	4 years
c	Mathematics	3 years (4 years strongly recommended) *3 years through Algebra II/Integrated Math III. Pre-Algebra and Consumer Math do not count towards this requirement*
d	Laboratory Science	2 years (3 years strongly recommended) *(At least two of the three disciplines of Biology, Chemistry, and Physics)*
e	Language Other Than English	2 years (3 years strongly recommended) *(Must be the same language)*
f	Visual & Performing Arts	1 year of the same discipline
g	College-Preparatory Elective	1 year

Suggested Course Sequence

9th Grade	10th Grade	11th Grade	12th Grade
• English 9 • Algebra 1 • Biology • WLG Year 1 • VPA • Elective	• World History • English 10 • Geometry • Chemistry • WLG Year 2 • Elective	• US History • English 11 • Algebra II • Physics • WLG Year 3	• Economics and Government • English 12 • Precalculus • Elective • Elective

All “a-g” courses must be completed with a grade of C or better (please note that grades of “pass” do not meet college admission requirements). Students can check the progress of their “a-g” requirements by consulting with their high school counselor.

Subject requirements will vary for private and out-of-state colleges and universities. However, most students who are eligible for UC admission and fulfill the “a-g” requirements will also likely meet the admission requirements for most of the private and out-of-state colleges and universities.

Students should also plan to verify SAT or ACT requirements for colleges for which they are interested.

HIGH SCHOOL ELECTIVE CREDIT FOR MIDDLE SCHOOL STUDENTS

*Please see the concurrent enrollment section of the handbook for information regarding middle school students taking College courses.

Our school will grant high school elective credit for high school math, world language, and CTE pathway courses taken by middle school students. We allow middle schoolers to take high school courses, but it is important to consider how taking courses in middle school will affect high school and college before choosing this option for your student. Please contact our High School Counseling Department to discuss starting high school courses early prior to enrolling in high school level courses or using high school curriculum.

It’s important to know

- Middle school students can earn elective credit for taking high school math, world language, and CTE courses (CTE courses are open to 8th grade only).
- Students who take high school courses while in middle school will have the courses placed on their transcript at the start of 9th grade.
- Students who take high school courses while in middle school must complete the full high school standards aligned course. This means they will need to either take a course that is a-g as is, or complete a course outline (for CTE, they will need to take a CTE course with a credentialed CTE teacher). Your HST will monitor the high school course(s) with the same practices as any other high school course.

- High school courses completed in middle school will not be included in the high school GPA.
- Please keep in mind that not all high schools or districts will accept high school credits earned during middle school. Should the student transfer, it is up to the receiving school or district to grant credit.
- Students who are taking math or World Language courses must start them in the fall and take the A portion in the fall and the B portion in the spring.
- If your student is interested in playing sports in college, they may want to take NCAA approved courses so that the courses can count towards NCAA requirements. Let your HST know if your student is interested in playing sports in college.
- Students have to meet the state minimum graduation requirements while in grades 9-12. This means that even if they take high school courses in middle school, while in grades 9-12 they have to take:
    - Three years of English
    - Two years of math
    - Two years of science (one life and one physical)
    - Three years of social science (world history, US history, government, and economics)
    - One year of Visual Performing Arts or World Language

*For example, if a student takes Algebra I and Geometry in middle school, they will need to take Algebra II and PreCalculus in high school to meet the math graduation requirement

Is your student ready?

- For World Language and CTE, students do not need to demonstrate subject matter readiness, but should be ready for a high school level course in general.
- For Algebra I, students must have completed a standards aligned Math 8 course.
    - All students working above grade level in math (for example, taking Math 7 in 6th grade) must have Accelerated Math on their Master Agreement and Report Card.
    - Students who completed Math 8 with a standards aligned curriculum do not need to take a readiness exam.
    - ~~o~~ Students who did not complete a standards aligned Math 8 curriculum will be required to take an Algebra readiness exam. ~~readiness must be verified with one or more of the following:~~
    - ~~o A body of work from a state standards-aligned curriculum demonstrating a high level of quality for Pre-Algebra/Math 8.~~
    - ~~o An Algebra I readiness exam. This is required for all students who did not successfully complete a standards-aligned Math 8 curriculum.~~

When your middle school student takes a high school course

- Your HST will work with you to create an IGP so you can see how this will impact the high school sequence of courses. It is important to understand that once a student starts high school math in middle school, they must continue in the high school math sequence of courses.
- The course must be added to your student's MA
- The high school add/drop date will apply. The deadline to add or drop a high school course, or change a high school course's curriculum, is the last day of the first LP of the semester (LP1 or 5)
- If your student starts to struggle in the high school course, please contact your Homeschool Teacher right away

If you have any questions about this policy, please let your Homeschool Teacher know before signing up for the high school course(s).

ACADEMIC EXPECTATIONS

TK-8th Grade

Families choose to enroll at our school for a variety of reasons, but at the cornerstone of each decision is a supportive partnership between the family and their credentialed Homeschool Teacher. Our school provides the tools and guidance for students to experience a high-quality education by providing access to personalized curriculum and instruction. Students need to be engaged in learning each school day. Families and credentialed Homeschool Teachers work together to provide support for struggling students. Families are required to meet with their Homeschool Teacher, at minimum, once every 20 school days.

High School

All high school students enrolled at our school will discuss and create an Individualized Graduation Plan (IGP) with their Homeschool Teacher, developed to ensure graduation within four years of starting high school. Short and long term goals will be created based on the needs of each student. A high school counselor is also assigned to each student and will review the IGP each year. High School courses are assigned after the IGP is approved by the high school counselor and/or high school administrative team.

The minimum number of credits that should be earned at the end of each semester is listed below:

	Grade 9	Grade 10	Grade 11	Grade 12
Semester 1	25 credits	75 credits	125 credits	175 credits
Semester 2	50 credits	100 credits	150 credits	200 credits

Students and parents should work with their Homeschool Teacher and high school counselor if they wish to graduate high school early. Students must complete a minimum of 5 courses each semester (25 credits) to remain on track for graduation. Students must be enrolled in a minimum of four courses (20 credits) each semester. Students who fail a course will earn 0 credits for the course and could potentially no longer be “on track” for graduation. Students who become credit deficient should work with their teacher and high school counselor to adjust the Individualized Graduation Plan.

Students may take a maximum of 40 credits per semester based on HST and counselor recommendation. Any student requesting more than 40 credits in a semester will require approval by a High School Administrator. No more than 50 credits per semester will be approved.

I CAN STATEMENTS

I Can Statements are family-friendly guides that can be used to help your family and ensure your students are on track for their grade level. All learning objectives for Math, Language Arts, Science and Social Studies are provided, written in family-friendly language. I Can Statements help make grade level learning targets clear for families, and they address the standards students of the same grade learn in all public schools.

The school is committed to empowering each student to reach their full potential. Our students are engaged learners capable of deep understanding, creative thinking, and innovative approaches to problem solving. Using the I Can Statements (State Standards), the student interests, talents and learning styles profile as their guide, as well as hands-on experiential learning, field trips, park days, and activities in the local community, credentialed teachers partner with parents to develop unique Personalized Learning Plans for each student.

ACADEMIC INTEGRITY

Our school urges students to conduct themselves ethically and honorably. It is expected that the grade a student earns is based upon work that the student has completed. The school reserves the right to use plagiarism tools to verify the academic integrity of student work.

By definition, Academic Integrity is the moral code or ethical policy of academia. This includes values such as avoidance of cheating or plagiarism; maintenance of academic standards; honesty and rigor in academic work.

The following behaviors may be considered as acts that do not uphold Academic Integrity:

- Plagiarism
- Talking during a proctored exam
- Copying another student's test/assignment
- Allowing others to copy your work
- Exchanging assignments with other students (either handwritten or computer-generated)
- Using a computer or other means to translate an assignment/part of a World Language assignment to another language
- Inappropriate use of Artificial Intelligence (AI), such as generating content or answers, plagiarizing, attributing AI-generated work as one's own, or manipulating assessments. Students may only engage in authorized AI use(s) as determined by their teacher.
- Using summaries or commentaries (Cliff Notes, Spark Notes) in lieu of reading the assigned materials
- Submitting purchased papers
- Altering a grade (on a computer, on a report card, on an assignment)
- Taking an exam for someone else
- Using bribery/blackmail/threats
- Engaging a parent, sibling, classmate, or any other individual/prohibited resources to assist with a test or examination

Any student known to have acted without academic integrity will be subject to disciplinary action and/or the non-compliance policy in the following manner:

- **First offense:** For the first offense of academic dishonesty, students will receive an 'unofficial' warning. The goal is to educate students to ensure they have a comprehensive understanding of academic honesty. Students will receive a grade of F and/or 0% on the assignment/exam with a chance to resubmit within 1 week. The parent/guardian will be notified.
- **Second offense:** For the second offense of academic dishonesty, students will receive a grade of F and/or 0% on the assignment/exam with a chance to resubmit within 1 week. The parent/guardian will be notified, and students will sign an Academic Integrity contract. The offense will be documented for staff

use.

- **Third offense:** For the third offense of academic dishonesty, students will receive a grade of F and/or 0% on the assignment/exam with no option to resubmit. The Homeschool Teacher will also conference with the parent/guardian and school administrator. The offense will be documented for staff use.
- **Fourth offense:** For the fourth offense of academic dishonesty, students will receive a grade of F in the class. The school will follow the non-compliance policy, hold a required administrative conference, and the student will be placed on Academic Probation for one year. Students placed on Academic Probation may be subject to the following consequences:
    - Copy of academic dishonesty referral placed in permanent cumulative file
    - Proctored unit tests and finals by a staff member (HST)
    - Restricted from participating in school activities (field trips, prom, graduation)
    - Ineligible to receive letters of recommendation from staff and faculty
- **Fifth offense:** For the fifth offense of academic dishonesty, a disciplinary hearing will be held, with possible referral to non-compliance or expulsion from the school as a result.

REPORT CARDS

Review of Student Work

Families share all of the learning that has occurred during their monthly meetings with their teachers. Teachers work with the family to review and reflect on student learning. For TK-8th grade students, teachers will use the shared information to determine mastery of standards and match these to the I CAN statements.

AWRS - ASSIGNMENT AND WORK RECORDS

Assignment & Work Records are a digital checklist created for each student and work parallel to the I Can Statements/Standards. AWR is personalized for each student and is a strategic plan that helps ensure appropriate progress through the standards is achieved.

Each Learning Period, the homeschool teacher will work with their families to plan assignments based on the California Common Core Standards or high school course assignments. After the assignments have been completed by the student, the teacher will grade and record the work done in the Pacific Coast Academy Student Information System. These records are called AWRs and are created by the HST each learning period and available to the parent. It is important to note that assignments are assigned with the understanding that the student will complete a minimum school day each day of the LP.

REPORT CARDS - TK-8TH

At Pacific Coast Academy Charter School, students, parents, and teachers work in partnership to design personalized learning plans and goals. The credentialed Homeschool Teacher affirms the learning plan and is guided by the I CAN statements.

Report Cards are required for grades TK-8. Report cards reflect the hard work our students do each semester and are sometimes necessary for other student endeavors such as sports teams, insurance, government verifications, etc. Parents will receive a copy of their child's report card at the end of each semester. A copy of each report card will also be placed in the student's cumulative file.

REPORT CARDS - HIGH SCHOOL

All 9th-12th grade students are required to have a report card issued at the conclusion of each semester. Semester report cards will be based on quality of work and work completed in the student's assigned high school courses.

Students in high school earn letter grades. High school students need to complete requirements and lessons as outlined by their Homeschool Teacher or by the High School Content Teacher.

The chart below shows the grading rubric for high school courses:

Percentage	Grade
90-100%	A
80-89%	B
70-79%	C
60-69%	D
59% and below	F

CONCURRENT, COMMUNITY COLLEGE ENROLLMENT

~~*Please see below for our policy regarding college courses taken prior to the second semester of 9th grade.~~

- Concurrent enrollment means a high school student takes community college courses while remaining a full-time high school student. Students taking community colleges prior to the second semester of 9th grade should review the section titled "Concurrent Enrollment Prior to the Second Semester of 9th Grade."
- In order for a high school student to take a community college course, they will need to follow the instructions and meet the minimum eligibility requirements for concurrent enrollment ~~as posted on~~ at the community college, which may be posted on the community college's website.
- Students must submit completed the community college's concurrent enrollment form~~s~~ to the high school counselor for processing. Blank concurrent enrollment forms will not be approved. Some colleges do not require the listing of courses, however our School will need to approve each course in advance.
- Concurrent enrollment forms must be signed by the high school counselor and may take up to 3-5 business days to complete so please plan ahead
- The student must ensure that the signed concurrent enrollment form is returned to the college in a timely manner
- ~~High school students~~ Students must remain full-time high school students in good academic standing. Students must take a **minimum of ~~15*~~ 20 credits per semester** of high school courses. ~~in high school. The college course must be on Master Agreement for students to drop down to 15 credits.~~ See the Process to Enroll below.
- High school students can take a **maximum total of 11 college credits per semester, regardless of the college's policy. Students who enroll in more than 11 college credits in one semester (or the equivalent thereof) will be subject to immediate withdrawal from the School.**

- ~~Students may take core academic or elective courses at the college~~
- Students should consult with their high school counselor before enrolling in a community college course The counselor will advise on ~~college~~ courses to take and check the student's remaining graduation requirements
- Concurrent enrollment is limited to California Community Colleges only. Students may not enroll in/receive credits for courses taken at any other college/university. ~~High school credit will not be granted for courses taken at colleges/universities with a religious worldview, regardless of course subject~~
- ~~Courses completed through college/university extension programs are rarely transferrable and generally do not count for high school credit. Our School will accept courses taken through 4-year college/university programs for elective credit only. Contact your student's counselor before signing up.~~
- The high school counselor will approve/grant School credit for community college courses based on the student's course history, academic standing and overall GPA. Please ensure that all official transcripts from any previous concurrent enrollment in community college courses ~~have been~~ are sent promptly to the Records Department within two weeks of the end of the college's semester/grading period; **the counseling team cannot sign concurrent enrollment forms when ~~there are~~ a student has not yet provided ~~missing~~ official community college transcripts for concurrent enrollment courses from previous semesters.**
- We recommend you familiarize yourself with the college's important dates/deadlines. If your student is not enjoying the experience in the class, please be sure to adhere to the college's posted course Add/Drop deadline. Dropping an unwanted class within the allowable time frame can prevent the course from being added to the permanent academic record (transcript). Our School does not determine college deadlines and cannot assist with exceptions to missed deadlines.

CREDIT CONVERSION

- The high school counselor will help students determine how college course(s) will count towards high school graduation requirements. For example:
    - US History and World History courses must cover a comprehensive timeline. US History courses must cover Reconstruction to the present day. World History courses must cover the 1800s to present day
- We do not determine whether/which community college courses are transferable to any 4-year universities. ~~The student's future college will review the college transcript and determine any credit awarded~~
- Please check the chart below for the college credit to high school credit conversion rate:

Community College Credits	High School Credits
1 credit	2.5 credits
1.5 - 2.5 credits	5 credits
3 or more credits	10 credits

*If a student is awarded less than 1 credit at the community college, the high school will issue the same amount of credit in high school. For example, if a student completes a course worth .5 credits at a community college, the high school will award .5 credits on the high school transcript.

AG approved – means that the community college course meets A-G requirements. Students will need to earn a grade of C or better in order to fulfill an A-G requirement ("Pass" grades do not meet college admission requirements).

- Science courses will need to include a lab component in order to meet the laboratory science A-G requirement.
- ~~For more information on how community college courses can fulfill A-G requirements, please refer to this guide.~~

CC GPA boost – means that the community college course is academically rigorous (community college courses that are 3 units AND both UC and CSU transferable) and will be granted an extra point in the weighted GPA calculation on the high school transcript. Please keep in mind that while middle school students can take community college courses, this will not affect their high school GPA. The high school GPA is calculated with the classes taken during grades 9 through 12.

CONCURRENT ENROLLMENT PRIOR TO THE SECOND SEMESTER OF 9TH GRADE ~~STARTING HIGH SCHOOL~~

- Enrolling in a community college course will begin your student's official college transcript. Your student's course grade will be listed on the college's permanent academic record.
- ~~Community College policy related to tuition can vary for students in grades K-8. Please check with the college directly to see if your student is eligible for free tuition or if you will be required to pay the in-state tuition rate. Planning amounts cannot be used to pay tuition for the community college classes.~~
- ~~We recommend you familiarize yourself with the college's important dates/deadlines. If your student is not enjoying the experience in the class, please be sure to adhere to the college's posted course Add/Drop deadline. Dropping an unwanted class within the allowable time frame can prevent the course from being added to the permanent academic record (transcript). Our School does not determine college deadlines and cannot assist with exceptions to missed deadlines.~~
- Students taking concurrent enrollment courses in their first ~~prior to the second~~ semester of grade 9 will be approved for elective and world language courses only. Math courses may be approved if there is no equivalent high school course available.
- If your student wishes to continue with concurrent enrollment, a new request must be made each semester and is subject to approval by the School counselor. An official college transcript of previously completed college work will be required.
- Students can take a **maximum total of 11 college credits per semester, regardless of the college's policy. Students who enroll in more than 11 college credits in one semester (or the equivalent thereof) will be subject to immediate withdrawal from the School.**

Upon entry into grade 9, college courses taken in grades 6-8 may be added to your high school transcript as "Elective" credits only. A review of college credits earned while in grades 6-8 will be conducted by the high school counselor prior to adding courses to the high school transcript. High school credits will not be awarded for community college courses taken prior to grade 6.

PROCESS TO ENROLL

- Student picks a community college, applies, and fills out the college's concurrent enrollment form. ~~(if~~

~~college has a form).~~

- Student submits the concurrent enrollment form to their high school counselor.
    - ~~Please note, all California community colleges will provide a concurrent enrollment permission form.~~
- The high school counselor signs the concurrent enrollment form and returns the form to the family with directions for next steps. Some community colleges offer electronic forms that don't require a physical signature. In that case, the community college will notify the student once the counselor has signed the electronic form.
- If not submitted electronically, the family submits the signed form to the community college via email, fax, ~~or~~ in-person, or other appropriate means to the community college's admission office.
- Student follows the community college's process to enroll in ~~college~~ course(s).
- Student sends proof of enrollment to high school counselor within two weeks of the start of the class.
- The high school counselor reviews the community college course(s) and determines which high school graduation requirements will be fulfilled, how many credits will transfer over to the high school transcript, and whether 'a-g' requirements will be met.
- Once final semester grades are posted, family must submit an official transcript to the Records Department so that the grade can be added to the high school report card. Official transcripts must be sent directly to the high school from the college. Future requests for concurrent enrollment will not be approved if the school is missing the official transcript from the previous semester. The report card will show an "Incomplete" grade until official transcripts are received. Families can order paper or digital official transcripts, however, the school strongly recommends digital.

Please send official transcripts to: Pacific Coast Academy Attn: Records - CC Transcripts 4612 Dehesa Road El Cajon, CA 92019	Please email official digital transcripts to the Records Department: transcripts@pacificcoastacademy.org

*Please note these steps are required for courses completed during the school year:

- Family provides proof of enrollment to the HST and counselor by the high school's add/drop deadline.
- Family must sign the Master Agreement Addendum.
- Family must provide work samples for each Learning Period.
- Family must provide a copy of the community college course gradebook to their HST each Learning Period.

Pacific Coast Academy recognizes graduates in the following ways:

- Golden State Merit: Students who demonstrate a certain level of mastery are eligible to receive a Golden State Seal on their high school diploma and a gold cord for the graduation ceremony. Students must meet all eligibility criteria in at least 6 subject areas. For more information, see the Golden State Merit website
- Seal of Biliteracy: Students who have achieved a high level of literacy and fluency in one or more language(s) in addition to English will receive a California State Seal of Biliteracy on their high school diploma and a light blue cord during graduation. ATTENDANCE

- Parent/Guardian is responsible for ensuring that their child is actively engaged in learning each School day and that the student completes work with a time value equivalent to a full school day. According to the guidelines set by the California Department of Education, a full independent study school day is defined as: TK/K: 206 min/day Grades 1-3: 288 min/day Grades 4-8: 309 min/day 9-12: 371 min/day.
- Monthly Student Learning Log (Attendance Grid Log) must be completed to reflect the days the student engaged in a full school day, signed and submitted to your Homeschool Teacher at the end of each learning period. The Homeschool Teacher will communicate with individual families/students on the collection process of this document.
- The following are acceptable reasons for not logging attendance: Illness and hospitalization not to exceed three school days in a learning period, exclusive of Saturdays and Sundays, in the school year, bereavement, family emergency, and natural disaster. In such cases, the absences would be considered excused. Some instances may require verification, such as a doctor's note, to be provided to your teacher.
- Homeschool Teachers will be knowledgeable of student progress, learning, and engagement in school. This can occur at regularly scheduled meetings, calls, emails, and or other methods.
- If the Homeschool Teacher is unable to obtain knowledge of the progress, learning, and engagement in school, attempts to contact will be documented and a non-compliance letter may be sent. After multiple failed attempts to contact a family, the school may deem that enrollment in the school is not in the best interest of the student and the student may be subject to withdrawal. (Refer to Non-Compliance Policy)

WITHDRAWING YOUR STUDENT

To withdraw your student, please provide your Homeschool Teacher with the following information:

- Last date of attendance in our school
- Name of school or school district your student will be enrolling in
- Reason for withdrawal
- Submit your last attendance log and work sample
    - The last day of documented attendance is the last day of enrollment

Once this information is received your Homeschool Teacher will assist you with the materials return process. All school property must be returned upon withdrawal, with the exception of assistive technology devices required by a student's Individual Education Plan (IEP). In that instance, such materials must be returned to the School when alternative arrangements are made or until two months have elapsed from the date of withdrawal. Families may be billed for any items not returned.

Please Note: Enrichment Certificates for services beyond the student's withdrawal date will be canceled and any services attended/continued, again after the student's withdrawal date, will be at the family's expense.

EDUCATIONAL MATERIALS & RESTITUTION POLICY

This policy supports Pacific Coast Academy's efforts to remain a sound steward of public funds and ensure students continue to have access to educational materials.

The purpose of the Pacific Coast Academy Governing Board approving this Educational Materials and Restitution Policy is to accomplish the following:

- Provide an Overview for the Educational Materials and Restitution Policy
- Outline the Procedures for the Restitution Process

OVERVIEW

Students attending Pacific Coast Academy may receive access to certain school property during the course of the school year, including educational technology and textbooks, and they are responsible for ensuring the educational materials are returned (with reasonable wear and tear). California law states that the parent or guardian of a minor can be held liable to a school for all property loaned to and failed to be returned, or willfully damaged by a minor. The liability shall not exceed $10,000.

Pacific Coast Academy shall seek restitution when a student, among other things, willfully cuts, defaces, or otherwise damages any property, or loses or fails to return property, borrowed or personal belonging to Pacific Coast Academy. This includes but is not limited to, installing unauthorized software applications, modifying, adding or deleting software or any alteration to the configuration of any and all IT computing devices - such as laptops and other devices.

Once returned, some materials may not be usable in Pacific Coast Academy's school library. Once materials are returned, library staff will determine if any items are unusable and may mark those materials as consumable. Once marked as consumable, those items may be shared with either the family who is returning them or discarded according to the approved policies.

Procedures

- Pacific Coast Academy shall use inventory systems that clearly identify the student and type of school property issued to the student.
- Pacific Coast Academy shall implement a restitution process by which students are afforded the opportunity to return the missing property or pay for the damages. Assuming the student returns the missing property or pays for damages, the debt is discharged, and the full privileges of participation in

school activities shall be restored. Parents are responsible to pay out of pocket to return items that are taken out of state.

- Pacific Coast Academy shall follow the due process procedure listed below that allows the parent/guardian or student an opportunity to review and respond to the imposition of any fees or charges resulting from this policy.
    - Pacific Coast Academy shall provide the parent/guardian written notice of alleged loss or damage of school property ("Written Notice").
    - The Written Notice will inform families that Pacific Coast Academy may contact law enforcement and/or refer the debt to a collections agency.
    - If the parent/guardian disagrees with Pacific Coast Academy's Written Notice, they may appeal the Written Notice in writing to the school. The parent/guardian's appeal should explain why a fee or charge should not be imposed in response to the Written Notice.
    - After reviewing any information provided by the parent/ guardian, the Executive Director (or his/her designee) shall decide whether or not to impose the fee for damages. The parent/guardian shall be notified in writing of the decision. The written decision of the Executive Director is final. There is no appeal beyond the school level.
- Upon receiving notification of Pacific Coast Academy's decision ("Second Written Notice"), the parent or guardian must address the outstanding obligation payable to Pacific Coast Academy or return missing property.
- The purpose of this policy is to provide families a reasonable opportunity to return missing educational equipment or pay for damaged and missing school property to avoid Pacific Coast Academy having to seek a legal recourse. If the Second Written Notice is unsuccessful, Pacific Coast Academy may consider referring the debt to a collections agency as a last resort.

EARLY LITERACY SCREENING (GRADES K–2)

As part of its commitment to early identification and support for reading development, School conducts annual universal literacy screening for all students in Kindergarten through Grade 2, beginning with the 2025–26 school year. In accordance with California Senate Bill 114, this practice is designed to strengthen early identification of reading difficulties and ensure all students are on track for reading success.

These screenings are intended to identify students who may be at risk for reading challenges, including dyslexia, so that timely supports can be provided. The screener is intended solely to inform instruction and support—not for use in high-stakes decisions such as grade promotion/retention, gifted identification, special education eligibility or reclassification of English learners.

Screening Tool

School uses Amira, a state-approved, evidence-based screening tool that assesses oral reading fluency, decoding, and other foundational literacy skills. Amira is designed to be culturally and linguistically responsive and can be administered in both English and other primary languages as available. The screening, which will be administered by a staff member, typically takes 15-20 minutes to complete.

Screening Schedule

- Kindergarten: Mid-year (to allow for foundational reading instruction)

- Grades 1–2: Early fall
- New enrollees: Screened within 45 calendar days of enrollment if not already screened at a prior school

Notification and Parent Opt-Out

Parents/guardians will receive written notice at least 15 calendar days prior to screening, including the planned date and instructions for opting out.

- General Opt-Out: Any parent/guardian may opt out their child by submitting a written request.
- Exemption-Based Opt-Out: Students may also be exempted from screening if:
  - The student already has a diagnosed reading disorder or learning disability
  - The student currently receives special education or has a 504 plan

English Learners

Students who are not proficient in English will be screened using an approved tool in their primary language, if available. If no such tool exists, School will conduct an alternate review of the student's language and literacy development based on their background, language skills, and academic history.

Results and Follow-Up

- Screening results will be shared with families within 45 days of administration.
- Results will include an explanation in plain language and a description of any recommended next steps.
- If a student is identified as being at risk, School will provide targeted supports, such as:
  - Access to Amira's self-paced practice activities that align with each student's specific skill areas,
  - Small-group literacy intervention,
  - Progress monitoring,
  - Consultation on curriculum choices and instructional strategies to support Learning Coaches and/or
  - Further diagnostic evaluation, if needed

SPECIAL EDUCATION

School personnel are committed to identifying and serving students who have exceptional needs and are eligible to receive Special Education supports and services. Our commitment is based on the belief that all students shall have access to a high-quality public education.

In cooperation with the El Dorado County Special Education Local Plan Area (SELPA), our school will work to ensure that a Free and Appropriate Public Education (FAPE) is provided to all eligible students with exceptional needs in the student's Least Restrictive Environment (LRE). Specifically, our school will comply with all applicable state and federal laws in serving students with disabilities, including, but not limited to the Individuals with Disabilities Education Improvement Act of 2004 (IDEA), Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, and any other civil rights enforced by the U.S. Department of Education Office of Civil Rights (OCR), and applicable Special Education policies and practices of the SELPA.

Overview of Special Education

Special Education is specially designed instruction, support, and services to meet the unique educational needs of individuals with disabilities, which cannot be met in the general education program. It is an integral part of the total public education system, and Special Education services are provided:

- In a way that promotes interaction between students with and without exceptional needs;
- At no cost to families; and
- Include a full range of program options to meet the educational and service needs in the least restrictive environment (LRE). --California Education Code Section 56031

Requesting Academic Support

When you initially have academic questions or concerns, you should discuss those questions and concerns with your Homeschool Teacher. Your Homeschool Teacher will support you with strategies, interventions, and/or accommodations to use with your child as appropriate to address your concerns.

In the event that you and your Homeschool Teacher needs additional guidance in supporting your child, you may request a Student Success Team (SST) meeting be conducted. This meeting will document the concerns of school staff and families, identify interventions attempted, and possibly recommend additional interventions. Interventions should be attempted for six to eight weeks and a second SST meeting should be held to document the student's response to intervention.

Determining Eligibility for Special Education

Pacific Coast Academy recommends that students participate in the SST intervention process to determine if a special education evaluation should be completed. Assessments are the basis for Special Education eligibility, placement, and service decisions. The assessments will be done by professionals who have had specialized training and required certification/licensure. General Education, Homeschool Teachers, and parents, who know the students well, play a critical role in understanding a student's academic strengths and struggles and are essential in the process of documenting/identifying areas of needs.

When Pacific Coast Academy receives a referral for Special Education, the child's legal guardian will be sent an assessment plan that details the types of assessments being proposed. The child will receive a full and individual initial evaluation in all areas of suspected disability to determine if the child has a disability and determine the child's educational needs. A full evaluation indicates that the child shall be assessed in all areas of suspected disability within 60 calendar days of parental consent received by Pacific Coast Academy via signature on an assessment plan (timelines adjusted for student breaks over five consecutive days).

Components of an Individualized Education Program (IEP)

An IEP is a contractual, legal obligation, on the part of Pacific Coast Academy stating how Pacific Coast Academy plans to assist a student once they have been determined eligible for Special Education supports and services. The IEP document is written following the determination of a student's need and eligibility for Special Education.

The Individual with Disabilities Education Act (IDEA) requires that an IEP include a "statement of measurable annual goals" which allow the child to be involved in and make progress in the general education curriculum and meet each of the child's other educational needs that result from the child's disability." The IEP team develops the IEP document annually and identifies the child's needs, annual goals, objectives, adaptations, services and

placement.

Role of the Parent in an IEP Meeting

Parents are encouraged to participate in the IEP meeting by providing input on appropriate goals, supplementary aids and services, and program accommodations used during the instructional day, as the parent is the primary learning coach. Please speak with your Special Education case manager regarding the structure of IEP meetings and if you have any questions or concerns.

Special Education Services Provided in an Independent Study Program

Students with IEPs are required to participate in Special Education services as indicated in their IEP documents.

- All IEP direct and related services are delivered in the least restrictive environment. PCA is a non-classroom based charter school and services are typically provided virtually. If a parent or other IEP team member believes a change in setting or service delivery method is required, this would be discussed at an IEP team meeting and would be a data-driven decision.
- Specialized Academic Instruction (SAI) is taught by experienced and credentialed Special Education Teachers. The format of these sessions are determined by the student's IEP team and based on their academic IEP goals.
- Related Special Education services, such as occupational therapy, speech and language therapy, etc. may be provided by qualified School staff or via non-public agencies (NPA) contracted with the school. NPAs have a certification with the California Department of Education to work with school-aged students and they are carefully selected by Pacific Coast Academy.

Special Education Non-Public Agency (NPA) Providers

Pacific Coast Academy regularly evaluates our students' needs and are continuing our effort to provide the most competent teams to service our students. In order to improve the ability to collaborate more effectively with related service providers, PCA enters into contracts and issues Individual Services Agreements to support students' services with provider agencies and school staff that will appropriately and effectively deliver all special education services. Each NPA oversees the scheduling and availability of their services providers. Pacific Coast Academy's Special Education Department will confirm an NPA's certification with the California Department of Education and establish a contract with that NPA to start services.

Special Education Teacher's Input Regarding the General Education Plan

Whenever possible, it is recommended that a Special Education Teacher be included in the development of a student's education plan, which is designed by the learning coach and Homeschool Teacher. While it is not a requirement, the involvement of the Special Education Teacher provides an opportunity for the team to get an additional perspective on how to help support a student's needs, challenges, and strengths.

Work Samples for Students with an IEP

Pacific Coast Academy's general education work sample policy is the same for all students.

Return of Assistive Technology Devices, OT Supports, APE Equipment, and/or Any Other Purchase Made by the SPED Department on Behalf of the Student

On a case-by-case basis, the School may purchase special education equipment for use in a child's home or other

setting if the child's IEP team determines that the child requires access to those devices in order to receive a FAPE. When a child disenrolls from the School, the School is responsible for providing a Special Education student with the continued use of special education equipment, or a comparable device. The continued access to the assistive technology device can be had for up to 60 days after the student has disenrolled from the School. If the student is provided an alternative equipment, or a comparable device from a new school, or upon expiration of the 60 day period, the student is required to return all equipment to Pacific Coast Academy.

PLANNING AMOUNTS

PROGRAM DESCRIPTION

We focus on Personalized Learning, a philosophy that truly puts every student first by supporting them in honoring and exploring their unique skills, special gifts, talents, and aspirations. In furtherance of this philosophy and Pacific Coast Academy's educational mission, PCA staff work with families to carefully select educational items and services for students to fit their goals and education plan. The Governing Board of Pacific Coast Academy adopted Educational Vendor Policies and Procedures to ensure Pacific Coast Academy funds are budgeted and expended on Pacific Coast Academy-approved educational items and services.

For the ~~2024-25~~ 2025-26 school year, the Planning Amounts are as follows*:

- Transitional-Kindergarten-8th Grades: $3,800
- 9th-12th Grades: $4,000

**All planning amounts may be adjusted to accommodate changes in the state budget that affect the school budget. Planning amounts are prorated based on period of time enrolled and the date upon which the Master Agreement is signed.*

Key requirements detailed in this policy include:

- The Homeschool Teacher and Executive Director (terms defined policy) must approve all requests for educational items or services to ensure they are aligned with the charter petition and student's personalized learning plan.
- The Charter School must approve all educational vendors before they can provide educational items or services to students. Services will not be approved for students prior to the vendor's official approval date.
- No family may spend, or obligate Pacific Coast Academy to spend, any Pacific Coast Academy monies on educational items and services. Pacific Coast Academy is responsible for making purchases of approved educational items and services.
- Parents make requests for educational items and services to Pacific Coast Academy. The Executive Director can deny any request for educational items or services in his or her sole discretion for any reason. The Homeschool Teacher and Executive Director shall ensure purchased educational items and services meet the following requirements:
    - From approved educational vendors only.
    - Support the requesting student's personalized curriculum and education plan.
    - Must be aligned with State standards, student's course of study, and student's independent study master written agreement.

- From an educational vendor who is not related to the family requesting the educational items or services and otherwise does not present conflict of interest concerns.
- A Vendor, Vendor Location, Enrichment Center, Co-Op, and/or Collective Vendor Location shall not serve a School student for more than sixteen (16) core academic hours including math, language arts, social studies, science and world language during the school week (Monday to Friday from 8:00 am to 2:30 pm) under the Vendor agreement or any other arrangement (e.g., Student participation in a Vendor program outside of School activities); except for visual and performing arts, CTE pathways, robotics, and physical activities including dance, gymnastics, karate, and other similar activities, as approved by the School.
- Services may not exceed $500 per calendar month per vendor.
- Planning amounts may not be used to pay for services or field trips when school is not in session during summer or holiday breaks.
- Individual student field trips (non-school group field trips) must take place during the normal school day (not in the evening or on weekends).
- ~~The Charter School will not approve partial payment for educational services (the cost of services cannot be split between the Charter School and parents).~~ Charter School provides each student's entire public educational program, and Charter School does not ever pay a contribution or partial payment toward private educational services. Parents are prohibited from requesting that the Charter School purchase educational services or items for their student where parents would also pay a portion of the cost.

- The Homeschool Teacher and Executive Director must ensure students have access to all necessary "core subject curriculum" – education items/services necessary for the student to complete his/her State standards-aligned course of study – before approving any extracurricular activities or supplemental educational or enrichment items.
- Pacific Coast Academy establishes a planning amount for students for educational items and services per full school year. Pacific Coast Academy developed the planning amount to help ensure the school provides educational items and services aligned with its budget and to help ensure fair and equal treatment of students, to the extent consistent with individual needs. This planning amount cannot be transferred to any other student. This planning amount does not carry over from year to year and belongs to the School, not the student.
- All educational items requested through the School's ordering system are the property of Pacific Coast Academy and must be used by the student to support their personalized curriculum and education plan at Pacific Coast Academy. Families must return all educational products upon disenrollment or upon request by the Executive Director or Homeschool Teacher. In accordance with applicable law, parents are responsible for replacing lost, stolen, damaged, or otherwise unreturned educational items. Certain items are "consumable", meaning they are not functional after use (e.g., workbooks). These items can be discarded by families after use. Students or families may not resell items purchased with School planning amounts or items purchased by the School. Selling School property in this manner is equivalent to stealing from the School and is grounds for discipline, including suspension and/or expulsion.
- All purchases of educational items by Charter School are final. Purchased items that are no longer used in student's educational program must be returned to the Charter School, and Charter School will not credit a planning amount for returned items. Parents should never contact vendors to try to facilitate the exchange or return of School property.
- Students must attend regular learning period meetings with their Homeschool Teacher to discuss

progress, turn in quality work samples, and complete their Student Activity Logs (Attendance Logs) in order to make requests for extracurricular educational activities (e.g., non-core curriculum items) through the school's ordering system.

**The Technology Acceptable Use Acknowledgement must be signed in order to receive the technology equipment. All families receive this form through email at the beginning of the year.*

HOW TO REQUEST SERVICES/PRODUCTS

- Visit the school's ordering system to request educational services and products.
- Services may only be requested through approved educational service vendors.
    - Services will only be approved after the official approval date of a new vendor.
    - Vendors that are out of compliance will not be available for services.
- The first time a family uses an educational vendor for service, they will need to sign and submit a waiver form.
- If services are approved by the Homeschool Teacher, an Enrichment Certificate will be created and sent via email to the parent. Parents can also access Enrichment Certificates through the school's ordering system. Students cannot receive educational services without an Enrichment Certificate, and backdated services will not be approved.
- Families will present the Enrichment Certificate to the educational vendor. Services must not begin prior to providing the educational vendor with an Enrichment Certificate.
- Each educational vendor will invoice the charter school for the approved educational services approved on the certificate. Parents or Guardians should not submit invoices on behalf of vendors.
- The school pays educational vendors directly. Parents must not pay educational vendors for student services as we cannot provide payment/reimbursement to families.
- Technology devices can be requested from an approved list through the school's ordering system. Please submit a ticket at the PCA Remote Ticket Form with any questions.
- The Technology Acceptable Use Acknowledgement must be signed in order to receive approved technology equipment. All families receive this form through email at the beginning of the year.

HOW TO REQUEST A NEW EDUCATIONAL SERVICE VENDOR

If you would like to suggest a new educational service vendor, please complete this form: Suggest a Vendor. This can only be filled out by the parent or the teacher. Please include as much information as possible, including a contact person and email address to reach the vendor. Typically, we have the most success when the family or teacher reaches out to the potential vendor first.

Once the Vendor Support Department receives the survey response, they will verify if we can move forward with the newly suggested educational vendor. If eligible, the vendor will receive an email requesting additional information and eventually the documents that need to be completed and returned for approval.

Once the vendor has completed the onboarding process, they will be listed as an approved vendor in our school's ordering system. Only then, the vendor will be available for families to request services. Services are still subject to approval and may not be backdated (prior to the vendor's approval date or prior to the request date).

If your vendor suggestion has been declined, the Vendor Support Department is unable to disclose to families,

teachers, or vendors the reason(s) a vendor may be ineligible.

Pacific Coast Academy is responsible for approving Educational Service Vendors and requests for educational services to ensure such services align with the charter, state law, school budget, and a student's course of study. Pacific Coast Academy may approve or reject educational vendors and parent/student requests for educational services from vendors in its sole discretion. Vendor requirements include, but are not necessarily limited to:

- Educational services must be non-sectarian and non-discriminatory. Vendors are required to execute the Charter School's Vendor Agreement as part of providing educational services to students. The Charter School may terminate Vendor agreements and partnerships in its sole discretion based on the needs of the school.
- Vendor must not be affiliated with a private school. Vendor must not be, or appear to be, a private school offering services through a part-time program (e.g., afterschool programs).
- Vendors must follow all applicable health and safety guidelines provided by both the State and County authorities and any health and safety requirements set forth by the Charter School to ensure student safety. This includes any guidelines related to COVID-19.
- Services must be available to any/all students and should not have tryouts, auditions, testing requirements, etc. to access the services.
- Vendor must have a current and functioning website that outlines services.
- Vendor must not require any additional out-of-pocket expenses for families in order to participate in services.

FIELD TRIPS & EVENTS

We believe in inspiring our community and learning through educational experiences through school-organized field trips and events. All field trips and events are optional and require Homeschool Teacher approval based on the student's educational plans. Specific information about field trip policies (e.g., chaperones, late arrivals, cancellations) can be found on the Field Trips and Events site within the Homeschool Hub.

Student Supervision and Expectations

Students are required to be accompanied by a parent and/or designated guardian for all school-organized field trips. Parents and/or guardians are responsible for ensuring the safety and behavior of their students. All animals, with the exception of service animals, are prohibited at School-organized events. If a student or their parent/guardian would like to bring a service animal to a School-organized event, please indicate this on the event sign-up and let your HST know so that students attending with known allergies, asthma, or other health conditions that may be affected by the animal's presence can be notified and the School may identify areas of the event location that are unsuitable for the service animal.

Students are required to comply with all applicable School policies while attending School-organized field trips, including disciplinary rules and procedures and behavior expectations. Any student who violates a School policy during a field trip is subject to discipline and may have their field trip privileges restricted or revoked.

Liability

All families will be required to sign a liability waiver releasing Pacific Coast Academy from any and all liability or costs associated with or arising from their participation in each field trip.

How to Request School-Organized Field Trips & Events

All school-organized field trips and events are booked through the Field Trips & Events System (FTE). Families will log into the FTE site to search for available field trips and submit their field trip requests to their Homeschool Teacher for approval.

Field Trip Cancellation Policy

All field trip purchases are final. If you are unable to attend a field trip, please notify us in advance. We cannot provide refunds for cancellation requests.

No-Call/No-Show Policy

If you are unable to attend a field trip you've booked, you must contact us at least three days prior to the field trip date. In the event of illness or a last-minute situation that will prevent you from attending a field trip, you still need to provide notification. Please contact us as soon as you know you will not be able to attend. If you have three no-call/no-show incidents, you will not be permitted to attend field trips for the remainder of the semester.

TECHNOLOGY DEPARTMENT

Requesting educational technology can be overwhelming. The Tech Department helps simplify the process by providing a curated list of qualified devices, items, and software. All items offered meet internal standards of quality, performance, value, availability, and support. These items can be obtained as part of a student's Planning Amount as it aligns with his/her learning plan.

Some technology items (e.g., computers, laptops, tablets and printers) require specific configurations, must meet certain standards or be purchased through select suppliers, channels, or agreements.

Tech Costs

These items can be requested through the school's ordering system and the Charter School may grant the request using Planning Amount funds from a student's Planning Amount. Most devices offered by the Tech Team are business-class devices and are not found in local retail stores. The cost of devices includes taxes (e.g., sales tax) and fees (e.g., shipping, CA e-waste disposal) are also included in the amounts you see deducted from a Planning Amount.

Pacific Coast Academy's provision of educational technology may include software and device licenses, school compliance features, management services, enhanced warranties and damage protection, solid state drives (SSD), protective cases, asset tagging and inventory, packaging materials, shipping both ways, and lifetime support for the device. These items are factored into the Planning Amount fund cost of educational technology items.

The following limits have been placed for tech devices assigned to students and families:

- 1 computer per student
- 1 tablet per student
- 1 printer per student (purchased through Enrichment)

Please note: Pacific Coast Academy is not obligated to grant any parent request for educational technology, as the school must ensure any such request aligns and supports a student's course of study.

How to Make a Request

Parents/guardians can make requests for educational technology through the school's ordering system and can be requested in the same fashion as other enrichment items. If a technology request is placed for a student that has already met the tech device limits outlined above, they must return that device before the new request can be fulfilled. For a read-only catalog of current offerings, you may visit the Tech Catalog https://sites.google.com/pacificcoastacademy.org/techcatalog/home

Tech Center Returns

All Tech items are the property of Pacific Coast Academy and laptop/tablet returns should be submitted to the Tech Team at the Lending Library or shipped to our Tech Office. Please submit a ticket at the PCA Remote Ticket Form for detailed directions on how to return items.

Pacific Coast Academy does not sell any enrichment/technology items to families.

Please retain any boxes that technology items were shipped in, so that materials can be returned using the same boxes. This will help avoid damage upon the items return to the school. For Tech Team assistance or questions, please submit a ticket at the PCA Remote Ticket Form with any questions. or call (619) 215-0704 and choose Option 5.

All items purchased using Planning Amount funds are Pacific Coast Academy's property and must be returned to Pacific Coast Academy. Refunds/credit for devices purchased through Planning Amounts may be given at the discretion of Pacific Coast Academy. Worn, misused, or damaged items may not qualify for refund/credit.

To return an item for full or partial credit to a student's Planning Amount, the following minimum requirements must be met:

- 100% Credit: For a Tech Order to be eligible for a full refund/credit:
    - Refund request is initiated within 30 days of receiving the device by submitting a ticket
    - Device must not be damaged and must be in the same condition as when it was received
    - Devices must be returned with all accessories
- 50% Credit: Partial credit of 50% may be given within 30 to 90 days of when the Tech Order was originally processed. After 90 days, no credit will be given. The device must be returned to Pacific Coast Academy and evaluated by a member of the Tech Department before being issued a credit. Worn, abused, misused, or damaged items may or may not qualify for credit.

Notwithstanding anything to the contrary herein, the Executive Director and/or designee retains sole discretion to determine whether a credit is applicable to a student's Planning Amount and the amount of such credit.

Return Process for Students

Upon withdrawal, students are required to immediately return all school-owned devices. The Tech Department will evaluate the device to determine if there are any damages. If damages are beyond normal wear and tear, potential out-of-pocket charges may be applied.

To return an item for any reason, please:

- Coordinate the return of the school issued tech device with your HST (Home School Teacher) or return

the tech device to the Lending Library.

- If needed request a UPS shipping label from the Tech Department by submitting a ticket at the PCA Remote Ticket Form for detailed directions on how to return items. The Charter School is not able to provide shipping labels for any return from outside the state of California. Printers are not eligible for shipping labels.
- Please pack the tech device(s) appropriately and drop off at a UPS shipping location.
- Link to instructions: "How to pack tech devices for return shipping."

Once returned, the item will be evaluated. A credit or replacement will be issued, if eligible. If an item is not returned within the allotted time, the Educational Materials and Restitution Policy will apply.

Requests to Transfer Devices

Withdrawing or graduating students may not "transfer devices" amongst enrolled family members without express permission from one of the following: Executive Director, Senior Director, Director of Technology, or IT Manager. Requests for transfers should be submitted to the Tech Dept via support ticket. Students must comply with the following guidelines to request a device transfer:

- Parent/guardian requesting to transfer their child's device must inform their assigned teacher.
- The school will only consider transfer requests between currently enrolled siblings.
- The receiving sibling must not already have a device in the same category as the device being transferred.
- Any and all damages to the device will be the responsibility of the transferee.
- No credits will be made to the previous student's account.
- Chromebook transfers are executed with no charge
- All other tech devices have a $25 instructional fund charge to re-assign the tech device to the transferee
- A helpdesk ticket must be submitted requesting to transfer a device to another student. Details must include the current student's name, assigned teacher, technology serial and asset number, and name of the sibling.

Hotspots

All school-issued hotspots are to be used for educational purposes only. Video streaming, gaming, and other forms of non-educational related entertainment is not allowed. Data service on hotspot devices is provided for the school year in which it is ordered in the school's ordering system and will be shut off after the last day of school.

A new order for data service will be required the following school year in order to reactivate the hotspot data service for that new school year.

TRAVEL PLAN

- A Travel Plan is needed for any travel longer than 2 weeks (10 school days).

- Request and receive approval for a travel plan from your teacher prior to any travel longer than 2 weeks (10 school days) ~~prior to any extended family travel~~.
- Approval for a travel plan may be contingent upon the student's ability to access the current educational programming during the travel period.
- Students will not be excused from live session attendance for their courses while on a travel plan.
- During travel time student must be attending school and parent/guardian and/or Learning Coach must be available by phone and/or internet for communication.
- Student cannot be on vacation or extended travel longer than two months per semester (61 consecutive days or 61 cumulative days throughout the semester), or they will be deemed to have lost California residency and therefore will be withdrawn.
- If you are traveling out of the state of California, Special Education services cannot be provided to your student (if applicable) due to credentialing/licensing requirements.

NON-COMPLIANCE POLICY

Homeschool Teachers partner with families to educate students enrolled in our school. The partnership is effective if students and parents/guardians are actively participating in our program and meeting enrollment requirements.

Indications that a student is not actively participating in our program include:

- Non-attendance
- Refusing to schedule meetings (or failing to hold meetings as specified in the Independent Study Policy (two meetings per semester, occur in person within 60 days, every other learning period)
- Unable to contact
- Not meeting enrollment requirements
- Not submitting requested work samples, attendance logs, and master agreement addendums
- Failure to show the body of work
- Not participating in one or more assigned benchmark tests
- Failure to fulfill approved Travel Plan
- Failure to sign and return a Master Agreement Addendum within 5 days of presentation

In these instances, the school may

- Contact the family by phone and email requesting resolution within two school days.
- Two school days later, if there is not a satisfactory resolution, the Homeschool Teacher will attempt to contact the family again by phone, email, and a letter of non-compliance will be sent electronically to the email address on file. The letter will request a resolution within five school days. Planning amounts will be placed on hold until non-compliance is resolved.
- If the issue is resolved, the parent/guardian and teacher will confer to review expectations and create a plan to maintain compliance.
- If the issue is not resolved, the Homeschool Teacher will attempt to contact the family again by phone, email, and a second letter of non-compliance will be sent electronically to the email address on file. The letter will request a resolution within five school days. In addition, an Administrative Conference Call will be scheduled to be held no sooner than six days of the date the letter was sent.

- It may be deemed, at that time, that independent study is not the best educational placement for the student and the student may be withdrawn.

WORK SAMPLES

To meet California Independent Study Guidelines, teachers are required to evaluate the student's body of work and collect work samples by the end of each learning period. Students are required to submit work samples as requested by their Homeschool Teacher to demonstrate and document student learning. Failure to provide work samples may jeopardize your child's enrollment status at the school.

Acceptable Work Sample Criteria

- Original or scanned PDF version
- Demonstrates neat and organized work
- Demonstrates a good reflection of your child's learning and abilities
- Includes student's name written by the student and date in the top right-hand corner
- The sample needs to be completed and dated within the collection Learning Period
- Must be non-sectarian (non-religious)
- Must be completed on a school day per the school's attendance calendar
- Photographs or projects without written explanations must include a summary from the student's perspective
- Samples may be typed or handwritten by the student. Younger students may dictate to the parent to write or type for them.

Non-Compliant Work Samples Include

- Missing student first and last name
- Scanned documents that are difficult to read or are very light
- A scanned or printed document of a certificate of completion or report from an online learning platform
- Samples completed and dated not within the Learning Period and/or not on a school day
- A photograph which does not include the student's summary of the project/concept
- Incomplete worksheets or work

Please contact your student's Homeschool Teacher or Case Manager for IEP accommodations and/or modifications applicable to work sample requirements.

TESTING & ASSESSMENT

Assessment data is critical to Pacific Coast Academy. Essentially, assessments are one indicator of student learning. Using assessment data is not only a healthy thing to do internally as a school community, but also a required part of the WASC accreditation process and the charter renewal process.

WASC accreditation shows that a school has met and is maintaining a high level of standards. Furthermore, having WASC accreditation validates the integrity of the school's program for transfer students and transcripts for university acceptance. Many of our families put great value on WASC accreditation. In order to receive WASC accreditation, a school must go through a rigorous process of describing, demonstrating, and evaluating its

instructional program through a school-wide action plan.

It is a wonderful accomplishment for a school to be accredited, but the work is not finished. Maintaining accreditation is an ongoing cycle of managing change and improvement through regular assessment, planning, implementing, monitoring and reassessing.

Assessment data is also an important piece in our charter renewal process. All charter schools are authorized by a sponsoring school district or county office of education. The authorizer is granting permission to the petitioning organization to make their own independent decisions and operate their own school. In return, the charter school needs to demonstrate compliance with the essential terms of the charter, which include Ed Code, student achievement, governance, reporting requirements, etc. Pacific Coast Academy must remain in good standing with its authorizer. Without authorization, we have no charter! Authorizers gauge compliance and achievement with assessment data. Scores at the individual student level are never shared, and privacy of student names is maintained according to federal laws that protect students.

It is very important to Pacific Coast Academy that all students participate in school-wide assessment. We do our very best to listen to the needs of parents and students. We hope this year there are positive changes for you and your child with the different assessments.

STATE STANDARDIZED TESTS – CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

As students of a public charter school, our students participate in the following state standardized tests:

- Grades 3 – 8 and 11: Smarter Balanced Assessment Consortium (SBAC)
- Grades 5, 8, and one time in High School during the year of their last science course: California Standards Test for Science (CAST)
- Grades 5, 7 and 9: Physical Fitness Test (PFT)
- ELPAC: English Language Proficiency Assessments for California (English Learners only)

Participation rates are critical to the success of our school. A public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its students participate in any assessment, the school receives an academic performance penalty by the state of California.

Parents have the ability to opt out their children from participating in the CAASPP in accordance with Education Code section 60615. If a parent/student opts out of participating in CAASPP, Pacific Coast Academy requires participation in an alternative local assessment to be administered by the school. This alternative assessment is selected by Pacific Coast Academy and administered at the school's office. This is not a state mandated alternative assessment.

School staff administers all state standardized tests at facilities located within driving distance of your home. A testing schedule will be provided to you from your teacher. Individual student performance results on statewide achievement testing are available to parents that would like a copy through our Parent Portal.

Often our families have questions or concerns about the CAASPP assessments. We want our families to feel informed about assessments so they are prepared and feel more comfortable partaking. We also ask that you work closely with your teacher so your student can be assigned any designated supports that would help them

during their testing session.

ELPAC: TESTING FOR ENGLISH LANGUAGE LEARNERS

California state law requires that the English Language Proficiency Assessments for California (ELPAC) be given each year to English Learners. The ELPAC is a test that measures how well a student can listen, speak, read, and write in English. The purpose of ELPAC is to ensure all students receive adequate support to succeed.

New students that have declared another language besides English on their home language survey must be assessed. This includes TK students. Students that have been previously designated as English Learners at another public school (even if it was years ago) must be tested by law every year until they reach a level of proficiency and are reclassified and there is no option to opt-out. At that point, they will no longer need to take the test.

INTERNAL DIAGNOSTIC: STAR 360

Pacific Coast Academy believes that ongoing assessments will help to inform instructional practices. The Star 360 is not designed to find flaws, but rather to build strength and skills necessary to become successful in the student's educational career.

We chose Star 360 because of its adaptive nature and the diagnostic tool pinpoints students' needs down to the sub-skill level. Star 360 provides data-driven insights and support for successful implementation of standards. Pacific Coast Academy will provide the parents with the results of Star 360, so the parent and teacher can work together to create a personalized learning plan for each student.

Assessments allow our teachers to monitor student growth and performance. The questions will automatically change the level of difficulty, thus "adaptive," based on student response patterns.

Star 360 Testing will be assigned up to three times a year during the school's assigned test administration windows.

ADVANCED PLACEMENT (AP) TESTING

The School may offer Advanced Placement testing during the testing window approved by the College Board. High School students who are taking an approved Advanced Placement course through the School are eligible to sign up for the Advanced Placement exam. High School students who are not taking an approved Advanced Placement course through the School may take an Advanced Placement exam only with Director approval.

Middle School students who are taking an approved Advanced Placement World Language course through the School may be approved to take the Advanced Placement exam (Middle School students may be eligible for Advanced Placement exams only in the subject area of World Language).

RECORDS DEPARTMENT

The Records Department supports families by maintaining student records and will process requests for various documents such as work permits, enrollment verification, report cards, and transcripts.

Document Requested	Expected Time of Processing
Work Permit	3 Business Days
Enrollment Verification	3 Business Days
Official/Unofficial Transcripts	5 Business Days
Copies of CUME (Student Records)	5 Business Days

WORK PERMITS

To be eligible for a work permit, students must have earned a weighted GPA of 2.5 or above in their most recent semester. Students must also be in compliance with all attendance requirements. There are two types of work permits: Entertainment and Non-Entertainment

Entertainment Work Permits

- Entertainment work permits are obtained from the entertainment industry employer, filled out, and sent to records@pacificcoastacademy.org

Non-Entertainment Work Permits

- To complete a non-entertainment work permit, the employer needs to provide the student a **B1-1** permit (think of this as the permit to attain a permit). Once the **B1-1** permit is sent to records@pacificcoastacademy.org, one of our Records specialists will fill it out and provide a **B1-4 a**t the same time. The **B1-4** is the actual permit.

EDUCATIONAL RECORDS

An education record is any written or computerized document, file, entry, or record containing information directly relating to a student that is compiled and maintained by Pacific Coast Academy. Such information includes but is not limited to:

- Date and place of birth, parent and/or guardian's address, and where the parties may be contacted for emergency purposes;

If you need copies of records relating to your student enrolled with the school, please request those records from the records department, not your homeschool teacher. The records department may be reached at (619) 215-0704 x430 or records@pacificcoastacademy.org. Please note that teachers cannot provide letters pertaining to your student's participation in the school for purposes of child custody matters short of receiving a subpoena.

Pacific Coast Academy shall not use any school resources or data to be used to create a registry based on race, gender, sexual orientation, religion, ethnicity or national origin. An education record does not include any of the following:

- Records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to another person except a temporary substitute for the maker of the record;
- Records maintained by a law enforcement unit of Pacific Coast Academy that were created by that law enforcement unit for the purpose of law enforcement;
- Records relating to a Pacific Coast Academy employee that are made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee; and are not available for use for any other purpose;

For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are part of the program of instruction at Pacific Coast Academy.
- Records that only contain information about an individual after he or she is no longer a student at Pacific Coast Academy.
- Grades on peer-graded papers before they are collected and recorded by a teacher.

Parents and eligible students have the right to:

- Inspect and review the student's education records;
- Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
- Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA and the Code of Federal Regulations authorize disclosure without consent;
- File with the Department of Education a complaint concerning alleged failures by Pacific Coast Academy to comply with the requirements of FERPA and its promulgated regulations.
- Request that Pacific Coast Academy not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

STUDENT MENTAL & PHYSICAL HEALTH

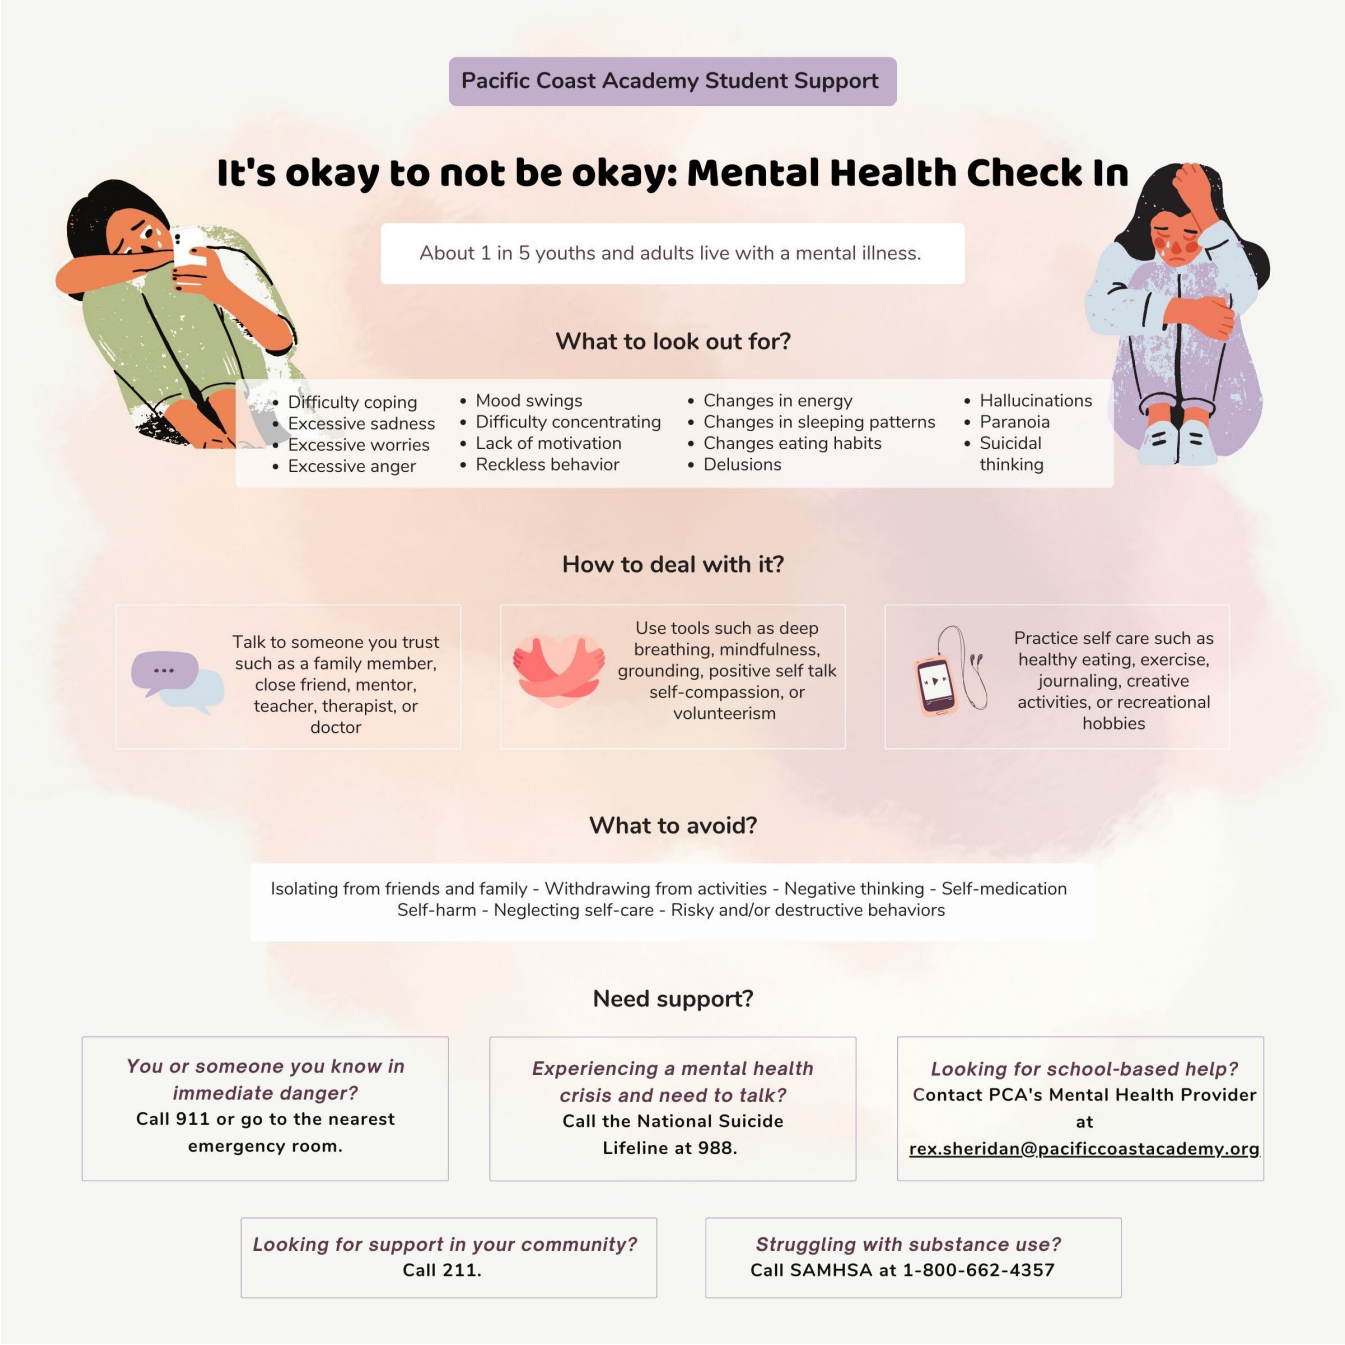

The school is committed to protecting the health and well-being of all Pacific Coast Academy students, including vulnerable youth populations, by having procedures in place to prevent, assess the risk of, intervene in, and

respond to suicide and self-harming behavior. Vulnerable youth populations include LGBTQ (lesbian, gay, bisexual, transgender, questioning) youth, youth living with mental and/or substance use disorders, youth who engage in self-harm or have attempted suicide, youth in out-of-home settings, youth experiencing homelessness, American Indian/Alaska Native youth or youth that identify with other racial minority groups, youth bereaved by suicide and youth living with medical conditions and disabilities.

Pacific Coast Academy recognizes that:

- Physical, behavioral, and emotional health is an integral component of a student's educational outcome
- Suicide is a leading cause of death among young people
- The school has an ethical responsibility to take a proactive approach in preventing deaths by suicide
- The school's role in providing an environment which is sensitive to individual and societal factors that place youth at greater risk for suicide and one which helps to foster positive youth development. In recognition of the need to protect the health, safety and welfare of its students, to promote healthy development, to safeguard against the threat or attempt of suicide among school aged youth, and to address barriers to learning, Pacific Coast Academy has adopted a policy, which corresponds with and supports other federal, state and local efforts to provide youth with prevention education, early identification and intervention, and access to all local resources to promote health and prevent personal harm or injury.

Mental Health Resource Poster

Availability of Individualized Instruction

A student with a temporary disability who is hospitalized or in a residential health facility that makes attendance in regular classes or an alternative education program impossible or inadvisable may be provided individual instruction by the school district in which the hospital or other residential health facility is located. The duration of the individualized instruction shall correspond with the student's temporary disability.

Medication Administration at School-Sponsored Activities

Please see the School's policy on the administration of medication at school-sponsored activities, which is available on the School's website to learn about administration of medication at school-sponsored activities.

HPV AND HPV VACCINATION: WHAT EVERY PARENT SHOULD KNOW

What is HPV?

Human papillomavirus (HPV) is a very common virus that 8 out of 10 people will get at some point in their lifetime. Some HPV infections can lead to cancer later in life.

HPV is estimated to cause about 37,000 cases of cancer in men and women every year in the U.S. – that's the same as the average attendance for a major league baseball game!

Only cervical cancer, one of the cancers caused by HPV, can be detected early with a Pap test. The other cancers caused by HPV (cancers of the throat, genitals, or anus) may not be detected until they are more serious. HPV vaccination prevents infections that cause these cancers.

How can I protect my child from HPV?

HPV vaccination can prevent over 90% of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks. With more than 135 million doses given in the U.S. since 2006, HPV vaccine has a long safety record that's backed by over 15 years of monitoring. Common side effects are mild and get better within a day or two. These include pain, redness, or swelling where the shot was given, similar to other vaccines.

HPV vaccination works extremely well. Since HPV vaccination was first recommended in 2006, infections with HPV types that cause most HPV cancers have dropped 88% among teen girls and 81% among young adult women.

Vaccination against HPV is recommended by the federal Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians. It's also recommended by the American Cancer Society and California's Cancer Prevention Act.

Who should get the vaccine and when should they get it?

Because the vaccine is more effective when given at younger ages, two doses of HPV vaccine are recommended for all kids between the ages of 9 to 12 years, and the second dose should be given before the start of 8th grade.

(Kids who wait until later to get their first dose of HPV vaccine may need three doses.) The HPV vaccine is often given at the same time as other adolescent vaccines, like Tdap to prevent whooping cough and meningococcal vaccine to prevent bacterial meningitis.

Where can I get the HPV vaccine for my child?

Ask your health care provider, pharmacist, or local health department to learn more about HPV vaccine and where you can get it. The vaccine is covered by most health insurance plans. If you don't have health insurance, your child can still get vaccinated. The Vaccines for Children (VFC) Program offers free vaccines to children up to age 18 years without insurance or whose insurance does not cover the cost of vaccines.

Ask your healthcare provider or local health department about VFC. Find doctors participating in VFC in your area.

For more information on HPV, the vaccine, and cancer prevention, visit the Centers for Disease Control and Prevention.

SUICIDE PREVENTION POLICY

The school's Suicide Prevention Policy can be found on the school website in the About section, under School Board and Board Policies.

With the intention of creating a safe and nurturing educational entity that minimizes suicidal ideation in students, we also recognize our duty to protect the health, safety, and welfare of our students, and aim to safeguard students and staff against suicide attempts, deaths and other trauma associated with suicide. These safeguards include ensuring adequate supports for students, staff, and families affected by suicide attempts and loss. Because the emotional wellness of students greatly impacts learning, motivation, and educational success, the current policy shall be paired with other policies that support the emotional and behavioral wellness of students.

Pacific Coast Academy's policy is based on research and best practices in suicide prevention, and has been adopted with the understanding that suicide prevention activities decrease suicide risk, increase help-seeking behavior, identify those at risk of suicide, and decrease suicidal behaviors. Empirical evidence refutes a common belief that talking about suicide can increase risk or "place the idea in someone's mind." In an attempt to reduce suicidal behavior and its impact on students and families, Pacific Coast Academy has developed strategies for suicide prevention, intervention, and postvention, and the identification of the mental health challenges frequently associated with suicidal thinking and behavior. These strategies shall include professional development for parents/guardians, caregivers, students, and school personnel who regularly interact with students or serve in a position to recognize the risk factors and warning signs of suicide.

SUICIDE AWARENESS INFORMATION

Warning Signs of Suicide

It is vital to suicide prevention that individuals are equipped to recognize the warning signs of someone who is seriously contemplating suicide. Behaviors that may mean a person is at *immediate* risk for suicide and thus prompt you to take action right away include:

- Talking or writing about wanting to die or to kill one's self and/making specific threats
- Looking for a way to kill one's self, such as a new or sudden interest in buying a gun
- Talking about feeling hopeless or like there's no point in living or carrying on
- Unusual or unexpected visits or calls to family and friends to say "goodbye" as if they will not be seen again or giving away favorite possessions
- Increased use/abuse of alcohol or drugs
- Withdrawing from social contact
- Intense mood swings
- Feeling trapped, hopeless, or helpless about a situation
- Changing normal routines including eating and sleeping patterns
- Doing risky or self-destructive things
- Personality changes or being severely anxious or agitated when experiencing the warning signs above.

The above behaviors do not necessarily indicate suicidal ideation in and of themselves. However, when combined with other factors (like a recent, painful loss or public moment of humiliation), they should take on a new sense of urgency to intervene with help.

Crisis Hotline Information

If you feel you or someone else is in imminent danger (e.g., has access to a gun, is on a rooftop, or in other unsafe conditions), a call should be made immediately to 911. If you need to talk or help working through a problem, use the resources below.

FENTANYL USE PREVENTION

The health and safety of our students and staff are a high priority. Therefore, it is important to share some concerning trends we are seeing in California regarding opioids, specifically the drug fentanyl. Fentanyl, an extremely potent and dangerous synthetic opioid, is 80-100 times more potent than morphine and 40-50 times more potent than heroin and, as a result, is a major cause of overdose for unsuspecting individuals. Social media platforms are being used as a way to market and sell synthetic drugs, such as fentanyl.

The United States Drug Enforcement Agency recently identified a new trend in which "rainbow fentanyl" appears in bright colors and in many forms, including pills, powder, and blocks that can resemble sidewalk chalk or candy. It can resemble the candy Smarties, so it's especially important to be alert around Halloween time. Please share with your children that any pill (regardless of its color, shape, or size) that does not come from a health care provider or pharmacist can contain fentanyl and can be deadly. Oftentimes, people purchasing or taking these pills are unaware that they contain fentanyl.

Things You Can Do

- If you're concerned someone in your life is at risk for opioid overdose, have on-hand the overdose reversal medication naloxone (Narcan). Narcan has no adverse side effects and is available without a physician prescription at most pharmacies.
- If you find any pills that you are unfamiliar with, do not touch them. Call local law enforcement for

removal.

- Speak with your student about this information so they know the risks of buying or sharing prescription medication or other drugs, and that fake pills are out there.
- Call local law enforcement if you or your student have seen these rainbow-colored pills. Speaking up may save a friend's life!
- Contact the 24/7 Mental Health & Substance Use Access & Assessment Hotline (888-724-7240) to get help for a friend or loved one struggling with substance abuse.
- Monitor your student's social media usage and discuss how to recognize and report being targeted for marketing of illegal substances.

According to the California Department of Public Health (CDPH) opioid-related overdose deaths in California's youth ages 10-19 years increased from 2018 (54 total) to 2020 (274 total), marking a 407 percent increase over two years, largely driven by fentanyl. Additionally, fentanyl-related overdose deaths in California's youth ages 10-19 years increased from 2018 (36 total) to 2020 (261 total), a 625 percent increase. As a school community, it's important for us all to be informed and work in partnership to keep our students safe.

HARASSMENT

The school's Harassment Discrimination, Intimidation & Bullying Prevention Policy can be found on the school website in the About section, under School Board and Board Policies.

The school is committed to maintaining a learning and working environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in Section 422.55 of the Penal Code and Education Code section 220, and disability, gender, gender identity, gender expression, nationality, immigration status, race or ethnicity, religion, sexual orientation, neurodiversity, or association with a person or group with one or more of these actual or perceived characteristics. This policy applies to all acts related to school activity or school attendance and all acts of the governing board in enacting policies and procedures of the governing board. All school personnel who witness an act of discrimination, harassment, intimidation, or bullying must take immediate steps to intervene when safe to do so. Any student who engages in acts of discrimination, harassment, violence, intimidation, or bullying of anyone in or from the school may be subject to disciplinary action up to and including expulsion. The school's policies and process for filing a complaint are publicized to pupils, parents, employees and agents of the governing board. The notice shall be in English and in the primary language of the recipient. To report an incident and/or to receive a copy of the school's anti-discrimination, anti- harassment, anti-intimidation, and anti-bullying policies or to report incidences of bullying please contact the school administration.

It is school policy to prohibit harassment by any means, including but not limited to: sexual, physical, verbal, written, electronic, mental, emotional and visual harassment, intimidation, bullying, and cyberbullying. Whether direct or indirect, such intentional acts substantially harm and interfere with a student's education, threaten the overall educational environment, and disrupt the operation of school.

Discrimination, harassment, intimidation or bullying based on the following characteristics, whether actual or perceived: race, religious creed (including religious dress and grooming practices), color, national origin (including language use restrictions), immigration status, citizenship status, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding and medical conditions related to pregnancy or childbirth), gender, gender identity, gender expression, age, sexual

orientation, military and veteran status, neurodiversity, or association with a person or group with one or more of the aforementioned characteristics or any other legally protected category is unlawful and undermines the character and purpose of the School. Such discrimination, harassment, intimidation or bullying violates School policy and will not be tolerated. Violations of this School policy will prompt an investigation and when appropriate, disciplinary action. Depending upon the circumstances, disciplinary action may include, but is not limited to, suspension and/or recommendation for expulsion. Discipline for a violation of this policy is not progressive, so a first violation of this policy may warrant suspension or a recommendation for expulsion.

Pacific Coast Academy will take measures against harassment. This includes any act that takes place on or immediately adjacent to the location of any school event, at any school-sponsored activity, on school-provided transportation, or off-campus activities that cause or threaten to cause a substantial and material disruption at school or interfere with the rights of students to be secure.

It is important to understand that jokes, stories, cartoons, nicknames, the sending or posting of inappropriate and hurtful email messages, instant messages, text messages, digital pictures or images, or website postings, including blogs and comments that violate school, state, and federal law may be offensive to others and will not be tolerated.

If you feel you have been a victim of harassment or are being bullied, inform your Homeschool Teacher or school administrator immediately.

SUSPENSION & EXPULSION

The school's Suspension and Expulsion Policy can be found on the school website in the About section, under School Board and Board Policies.

Definition of Expulsion

Expulsion shall be defined as permanent dismissal from PCA, without re-enrollment privileges, and must be approved by the PCA Charter Board or their authorized designee.

Suspensions shall be defined as a temporary leave of absence from PCA that may occur at the discretion of the individual PCA Homeschool Teacher, Regional Administrator, or the PCA Charter Board.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Notification of Rights under FERPA for Elementary and Secondary Schools

FERPA affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within 45 days after the day the school receives a request for access.
  Parents or eligible students should submit to the school Executive Director [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

  Parents or eligible students who wish to ask the school to amend a record should write to the school Executive Director [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If Pacific Coast Academy decides not to amend the record as requested by the parent or eligible student, Pacific Coast Academy will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to provide written consent before Pacific Coast Academy discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

  One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by Pacific Coast Academy as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school

would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Student information maintained in the state's CALPADS system is shared with the California College Guidance Initiative (CCGI) in accordance with Education Code section 60900.5. The CALPADS data will be used to provide pupils and families with direct access to online tools and resources, enable a pupil to transmit information shared with the CCGI to post-secondary educational institutions for purposes of admission and academic placement and to the Student Aid Commission for purposes of determining eligibility form, and increasing uptake of, student financial aid.

Upon request, Pacific Coast Academy discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [Note: FERPA requires a school to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by Pacific Coast Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

  ~~Family Policy Compliance Office~~ Student Privacy Policy Office
  U.S. Department of Education
  400 Maryland Avenue, SW
  Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(*1*) - (a)(1)(i)(B)(*2*) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. - To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the

requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))

CALIFORNIA LAW REGARDING SAFE STORAGE OF FIREARMS

Per SB 906, local educational agencies (LEAs) are required to notify parents about California's laws around storing firearms safely.

California law requires parents and legal guardians of all students to keep firearms out of the hands of children by storing firearms in a safe and secure manner, including keeping them locked up when not in use or secured with a locking device that renders the firearm inoperable, and storing firearms separately from ammunition.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.[1]
    - Note: The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor never actually accesses the firearm.[2]

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.[3]
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.[4]

- Whether the student's teacher:
  - Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;

COMPREHENSIVE SEXUAL HEALTH AND HIV PREVENTION EDUCATION (CALIFORNIA HEALTHY YOUTH ACT)

The California Healthy Youth Act (CHYA) of 2016 was extended to charter schools in 2018 (AB 2601). CHYA requires that all California public schools provide comprehensive sexual health and HIV prevention education to students at least once in middle school and once in high school. Our school offers the Rights, Respect, Responsibility (3Rs) curriculum to all 8th- and 9th-grade students.

The law requires that schools offer instruction that is inclusive of all students, encourage students to communicate with parents or guardians about human sexuality, and provide students with the knowledge and skills they need to develop healthy attitudes concerning adolescent growth and development.

The purpose of this instruction is to:

- Provide students with the knowledge and skills necessary to protect their sexual and reproductive health from HIV and other sexually transmitted infections and unintended pregnancy.
- Provide students with the knowledge and skills they need to develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family.
- Promote an understanding of sexuality as a normal part of human development.
- Ensure students receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention instruction and provide educators with clear tools and guidance to accomplish that end.
- Provide students with the knowledge and skills necessary to have healthy, positive, and safe relationships and behaviors.

We respect your right as a parent to choose what is best for your child. You can download the full curriculum here.

We selected the *3Rs* curriculum because it can be used in your home, preserving your ability to work with your child in your typical homeschool environment. We will provide families access to credentialed teachers who have been trained in the curriculum to help guide and support instruction.

The California Healthy Youth Act permits parents/guardians to excuse their child from "all or part" of comprehensive sexual health and HIV prevention instruction. If you choose to excuse your child from the entire comprehensive sexual health education curriculum, please send a note to your Homeschool Teacher (HST).

Guidelines for requesting to excuse your 8th-grade or 9th-grade child:

- Each excused child must have a letter submitted by their parent or guardian for each year you excuse them from participation.
    - The middle and high school programs are different, and we require separate excusal letters for the 8th- and 9th-grade programs.
- In the letter, please include the date and your child's full name and grade level.
    - You do not need to sign the letter, but please include your full name.
- Simply state that you are excusing your child from the CHYA instruction.
    - You do not need to provide a reason for the excusal.

You can excuse your child from specific lessons. Please provide your HST with a letter stating the lessons from

which you are excusing your child. California does not allow schools to permit parents/guardians to **selectively** excuse their child from "instruction, materials, presentations, or programming that discuss gender, gender identity, gender expression, sexual orientation, discrimination, harassment, bullying, intimidation, relationships, or family and do not discuss human reproductive organs and their functions." The following lessons are not subject to selective "opt-out":

- 8th grade: Lessons 1, 2, and 9
- 9th grade: Lessons 1, 3, and 10

NOTICES TO FAMILIES

If you do not wish for your student to be deemed a Cal Grant applicant, please email your high school counselor to opt out within 35 days of your receipt of this Handbook.

Graduation Requirements

If your student is in foster care, a homeless child or youth, a former juvenile court school student, a student who is in a military family, or a migratory child, and they transfer between schools any time after the completion of their second year of high school, or if they are a newcomer student who is in their third or fourth year of high school, your student may be eligible for an exemption from local graduation requirements. Please contact your student's high school counselor to check your student's qualification for this exemption.

Immigration Status Rights

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.

Information Required for School Enrollment

- Some schools collect and provide publicly basic student "directory information." If they do, then each year, your child's school must provide parents/guardians with written notice of the school's directory information policy, and let you know of your option to refuse to release your child's information in the directory.

Family Safety Plans if you are Detained or Deported

- You have the option to complete a Caregiver's Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

- Your child has the right to report a hate crime or file a complaint to the school if he/she/they is discriminated against, harassed, intimidated, or bullied on the basis of his/her/their actual or perceived nationality, ethnicity, or immigration status.

Parents or guardians may request prior notification of individual pesticide applications at the school site. EMPLOYEE EXPENSE POLICY

The School's policy is to reimburse its employees for all reasonable and necessary expenditures or losses incurred in direct consequence of the discharge of their duties.

TRAVEL

MILEAGE

~~While COVID-19 related restrictions and the virtual instruction platforms in place, most employees are not expected or required to travel in order to discharge any duties on behalf of the School. Accordingly, such employees are not eligible for travel reimbursements at this time (including, but not limited to, in-person attendance atconferences, mileage, etc.).~~

Team Principals, Homeschool Teachers, Senior Directors, or supervising homeschool teachers are expected to use their personal vehicles during the course and scope of their employment. As such, the School provides a mileage stipend designated in the stipend chart in the Compensation Policy to cover costs related to the use of personal vehicles. These stipends are intended to reimburse those employees for all vehicle-related expenses, including gasoline, wear and tear, and personal auto insurance for all travel required in direct consequence of the discharge of their job duties. The School does not pay for local travel to and from the office (regular commute) and will not be responsible for traffic or parking violations.

If Team Principals, Homeschool Teachers, Senior Directors, or supervising Homeschool Teachers believe the stipend amount is insufficient, the employee must provide the School with a copy of valid documentation that the employee has incurred an expense higher than the normal stipend. Employees are responsible for maintaining an accounting of their mileage. Employees who believe they will exceed the standard stipend should submit for pre-approval from the Senior Director or Executive Director. The School may periodically request follow-up documentation to verify that the employee is incurring the expense.

The School will pay the per semester stipend in a prorated manner once per month over the length of the semester. If an employee's employment terminates before the end of any month, the stipend will be prorated to reflect the employee's dates of employment.

If the School requires any other employee to drive their personal vehicles in the course and scope of their employment, the employee will be reimbursed for the reasonable andnecessary expense of using their personal vehicle on behalf of the School. Such employees will receive a reimbursement payment from the School for mileage expensesincurred after submitting an expense reimbursement form as set forth below. For those employees that are assigned to a worksite, the employee will receive a reimbursement payment for mileage expenses incurred beyond the employee's normal commute to their assigned worksite.

Employees will be paid for mileage reimbursement at the per mile rate amount designated by the Federal Internal Revenue Service at the time the miles are driven onbehalf of the School. Employees are required to accurately submit a report of miles driven on behalf of the School within 30 days of incurring the mileage.

If any employee believes that the mileage reimbursement that he or she receivesfrom the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal vehicle on behalf of the School, the employee must immediately report this expense issue to their

Direct Supervisor for review and approval then submit to the Accounting Department. Employees will be required to submit documentation to support any request for additional mileage reimbursement.

HOTELS, MEALS, AND GRATUITY

The Executive Director or designee must pre-approve all out-of-town travel which requires overnight stays.

Employees who are required to travel overnight for approved business purposes, such as attending a conference or meeting, will be eligible to receive a per diem allowance for food and incidental expenses or they can submit receipts and seek reimbursements for their actual costs. An employee can choose reimbursement or allowance but not both. To qualify for reimbursement or per diem, employees must provide evidence of approved overnight travel, including documentation of the conference, meeting, or event they are attending, and receive prior approval from management for the trip.

If choosing reimbursement, the total amount of reimbursement must not exceed the total approved per day. All food must be purchased for the employee only and will be limited to $25 for Breakfast, $35 for Lunch, and $55 for Dinner, and not to exceed $115 per day. No alcohol will be reimbursed and itemized receipts must be submitted. If an employee goes over the allotted amount, or does not have an itemized receipt, the employee will have to pay out of pocket for the expenses. Any meals provided by the conference or school will be deducted from the total allowable reimbursement amount.

If choosing per diem, the per diem will be paid through their regular paycheck and is intended to cover food and incidental costs during the trip. Reimbursement of the per diem is contingent upon adherence to company policies and prior approval processes and will follow the federal per-diem rates outlined on GSA.Gov. Any meals provided by the conference or school will be deducted from the total per diem amount received by the staff.

Hotels

Employees will be reimbursed for overnight stays at hotels/motels when the event is more than 150 miles from either the employee’s residence or the School site, or at the pre-approval of the Executive Director or designee.

- Staff may stay at the rate of up to two-times the federal per diem rate with the Executive Director or the Deputy Director's pre-approval.
- Lodging in excess of double the per diem rate (excluding room tax and mandatory additional charges) must have the Executive Director or their Deputy’s advance approval and accompanied with the use of Advance Approval for Lodging form.
- The Executive Director needs approval from the Board President and CFO or Board Secretary for anything above double the federal per diem rate. (using the Advance Approval for Lodging form)
- If any employee exceeds the lodging allowance without prior approval, PCA will only reimburse up to double the federal per diem rate.

Meals

Employees will be reimbursed for any breakfast, lunch, or dinner that is not included as part of the related event. Meals will be reimbursed up to the established federal per diem rate. This includes taxes, service charges, and customary tips (see gratuity guidelines below.) Meals in excess of the established federal per diem rate must have the Executive Director or their Deputy’s advance approval in writing. Meal reimbursements must require receipts for documentation purposes. If any employee exceeds the meal reimbursement allowance without prior

approval, the School will only reimburse up to the federal per diem rate.

- Employees cannot be reimbursed for alcoholic beverages.
- Employees will not be reimbursed for any hotel expenses of a personal nature (i.e., in-room movies or mini bar expenses).

Gratuity

Employees are allowed to tip up to ~~18%~~ 20%, rounded up to the nearest dollar, when gratuity is customary for an approved expense (such as meals or taxi fares). Any incremental excess is the responsibility of the employee. If the location or venue adds a tip to the bill for large parties that the School is not able to remove or edit, the School will pay that amount.

In order to be eligible for reimbursement employees must follow the procedures noted below:

- Fill out, print, and sign the official School reimbursement or expense form within 30 days of the expense.
- Attach backup documentation (i.e. receipts, maps for mileage, agenda of meeting or conference) to the form and make a copy of both the form and documentation for your personal records.
- Submit the signed form with all documentation (i.e. receipts, maps to support mileage, agenda of meeting or conference) to the employee's Direct Supervisor for review and approval then submit to the Accounting Department.
- Employees will be reimbursed within fifteen (15) business days of the approval of the reimbursement or expense request.

MONTHLY STIPEND FOR PERSONAL CELL PHONES, INTERNET AND UTILITIES EXPENSES

Employees who are required to use their personal cell phones, internet and utilities to perform work on behalf of the School will be provided a monthly stipend as specified in the Compensation Policy to fully reimburse employees for such use, which includes personal cell phones, internet/personal internet access (Wi-Fi), for utilities expenses and an additional amount for taxes associated therewith. The School has established this monthly stipend based on its good faith belief that the stipend will more than fully reimburse employees for any reasonable and necessary expenses incurred in using their personal cell phones, internet/Wi-Fi and utilities to perform work on behalf of the School. If any employee believes that the stipend that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal cell phone, internet/Wi-Fi or utilities expenses on behalf of the School, the employee must immediately report this expense issue to their Direct Supervisor for review and approval then submit to the Accounting Department. Employees will be required to submit documentation to support any request for additional reimbursement in excess of the monthly stipend. Employees that are eligible for this monthly stipend are required to submit a Request for Monthly Stipend form affirming that the employee uses their personal cell phone, internet/Wi-Fi and utilities to perform work on behalf of the School and that the employee will immediately notify the School if the employee no longer incurs an expense related to the personal use of their cell phone, internet/Wi-Fi and/or utilities in the discharge of their duties. The School reserves the right to request supporting documentation from employees at any time to support the employees request for the monthly stipend. Failure to provide such documentation as requested may delay or cease further payments of the monthly stipend to the employee.

**Please note that the School may establish varying stipend amounts for personal cell phones, internet expenses and utilities based on multiple factors such as workload, part-time or full-time status of the employee and other relevant factors.

OTHER EXPENSES

With the exception of those certain employees who are required to use their personal vehicles, cell phones, internet access and utilities during the course and scopeof their employment for the School, it is the School's policy to provide its employees withall necessary equipment to perform their duties on behalf of the School including laptops. The School does not require employees to purchase any additional equipment in order to perform work for the School. If any employee believes that additional equipment is reasonable and necessary to perform his or her duties on behalf of the School, the employee must immediately notify their Direct Supervisor.

Office Supplies

The purchase of printer ink, paper, miscellaneous desk supplies (e.g. staplers, paper clips, writing utensils and file folders) and/or stamps/mailing charges for School related correspondence must be pre-approved by the employee's supervisor before an employee purchases office supplies. Employees must submit receipts for all purchases directly to the Accounting Department at the end of each quarter.

If employees choose to purchase additional equipment or supplies without written authorization from the School, such expenses would not be reasonable or necessarily incurred in connection with work for the School. Those expenses would be optional expenses that employees voluntarily elect to incur and not reasonably necessary expenditures incurred by employees in direct consequence of the discharge of their dutiesfor the School.

If, however, an employee believes that he or she has been required to incur any unexpected necessary and reasonable expense in order to perform his or her duties on behalf of the School, the employee should immediately report that expense to their Direct Supervisor. Employees will be required to submit documentation to support any request for reimbursement of such expenses.

REPORTING

If any employee believes that he or she has not been fully reimbursed for all reasonable and necessary expenses he or she has been required to incur while workingfor the School, the employee should immediately inform their Direct Supervisor. All reports of possible inadequate reimbursement will bepromptly reviewed, including a review of all of the employee's expense related records and receipts. If, as a result of the review, it is determined that the employee has been inadequately reimbursed for actual and necessary business expenses, the School will promptly reimburse the employee, in full, for all actual, reasonable, and necessary business-related expenses incurred. It is every employee's responsibility to keep accurate records and receipts of all business-related expenses for the purpose ofrequesting reimbursement.

There will be no retaliation against any employee who reports an expensereimbursement issue in good faith or who honestly assists in reviewing such an issue, even if the review produces insufficient evidence that there has been a violation.

PROMOTION, ACCELERATION AND RETENTION POLICY

Pacific Coast Academy is committed to making individual decisions on grade level acceleration based on the long-term, best interest of the individual student. Staff is committed to helping all students realize their fullest potential, when high academic achievement is evident, staff may request a student for acceleration into the next grade level. The student's maturity level shall be taken into consideration in making a determination to accelerate a student.

PROMOTION POLICY

K-8

Each K-8 student will be enrolled in four core subjects: Language Arts, Mathematics, Science, Social Studies, and include enrichment opportunities like art, music, athletics, world languages, technology, field trips, and virtual and in-person community and social experiences, providing a well-rounded education. Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards.

High School

High school students can select courses from a variety of learning programs. Students will be enrolled in a minimum of 20 credits per semester (4 classes) unless considered a fifth-year senior. If the student is taking courses at a community college, they must meet with their counselor to obtain approval prior to enrolling in the community college courses.

Required Courses for All High School Grade Levels*:

- English-Language Arts
- Mathematics
- Science
- Social Studies/History

*This depends on the student's individual graduation plan and course progression.

Four-Year Plan for High School Students

Supervising Teachers develop a four-year individual graduation plan (IGP) for each high school student. The IGP will be reviewed by the Guidance Counselor and/or Regional Administrator and revisited annually (unless necessary due to mid-year course changes). The four-year individual graduation plan will include:

- Learning Program
- Student's intended courses
- Courses completed
- Course of Study
- College and/or Career path

ACCELERATION POLICY

When high academic achievement is evident, a teacher and/or parent may recommend a student for acceleration of courses. The student's social and emotional growth shall be taken into consideration in deciding to accelerate a student.

Mid-Year Grade-Level Acceleration Requests

The decision to accelerate a student mid-year will be made only after careful consideration has been given with regards to serving the academic best interests of the student. Mid-year accelerations are approved or denied during the first semester. If a student accelerates during the first semester, they should be on target to complete all courses at their promoted grade level by the end of the school year. 8th-to 9th-grade acceleration requests are only considered in the fall semester before the high school add/drop date. Students may be eligible for accelerated promotion a maximum of two (2) times during their K-8 school years.

A child who was *not age-eligible* for kindergarten (that is, the child turned five after September 1st in the 2014-15 school year or thereafter) and who attended a California private school kindergarten for a year is viewed by the CDE as *not legally enrolled* in kindergarten, pursuant to *EC* Section 48000 requirements. Therefore, this child, upon enrollment in public school, is enrolled in kindergarten, assessed, and may (but is not required to) be immediately promoted to first grade if the child meets the following State Board of Education criteria, pursuant to Title 5, Section 200:

- The child is at least five years of age.
- The child has attended a public school kindergarten for a long enough time to enable school personnel to evaluate the child's ability.
- The child is in the upper 5 percent of the child's age group in terms of general mental ability.
- The physical development and social maturity of the child are consistent with the child's advanced mental ability.
- The parent or guardian has filed a written statement with the district that approves placement in first grade.

A statement, signed by the district and parent/guardian, is placed in the official school records for these five-year-olds who have been advanced to first grade (EC Section 48011). This action prevents a subsequent audit exception for first-grade placement of an *age-ineligible* student.

Procedure

In order for the school to make sound academic decisions regarding mid-year grade-level accelerations, the following process will be followed:

Parent

Parent Request: Parents may request that the teacher promote their child one grade level during the ~~first~~ fall semester.

Teacher

If the student's teacher agrees that a review for mid-year grade-level acceleration is appropriate, the teacher will complete a request for acceleration into the subsequent grade level and take the student's maturity level and academic abilities into consideration. The request should be sent to gradelevelhelp@pacificcoastacademy.org.

Accelerated promotion requests for students in grades KN-7 are due by November 19, 2025 ~~20, 2024~~.
Accelerated promotion requests for students in grade 8 are due by August 27, 2025 ~~28, 2024~~.

- If the student's assessment results are not above grade level, the teacher needs to provide documentation with a written request regarding why acceleration is in the student's best interest.
- If the student is not on track to complete all courses at the grade level they would be accelerated to, the teacher will need to explain in the written request why an acceleration would be in the student's best interest.
- Information regarding prior grade-level retention and the circumstances of such will be considered as part of the accelerated promotion request process.

Student Assessment Records

(A combination of the following will be used to assess the student's readiness to accelerate):

- **Teachers must meet and evaluate student in person.**
  - *Under no circumstance shall the parent or Learning Coach assist the student with assessments when the assessment is being used to accelerate a student mid-year.*
- Bader Reading Assessment indicating the student is performing above the current grade level.
- Writing Sample showing proficiency above grade-level standards.
- Benchmark Data (AWR reports) indicating the student has mastered current grade-level content/state standards.
- Benchmark results (STAR 360) in Mathematics and reading indicating the student is advanced at current grade-level content/state standards.
- SBAC results (for all applicable grade levels) indicating the student has met or exceeded standards.
- Student work samples, demonstrating proficiency above current grade-level standards.

ACCELERATION APPEALS AND PARENT RIGHTS

Parents/legal guardians have the right to appeal a decision made by the Acceleration Committee. If a parent wishes to appeal, they would complete the following steps:

- The burden of proof to provide evidence related to the appeal rests on the appealing party.
- Appeals are not available for parents of students who are not planning to reenroll with Pacific Coast Academy the following school year.
- Appeal to the Acceleration Committee in writing within two (2) weeks of receiving the School's

decision.

- The Acceleration Committee will review the acceleration-related data and respond within two (2) weeks.
- If not resolved, parents may appeal to Pacific Coast Academy's Executive Director within two (2) weeks of receiving the Acceleration Committee's dated response.
- The Executive Director will review the student's academic achievement data and send the parent or guardian a response in writing within two (2) weeks.
- The Executive Director will make all final decisions on acceleration appeals by the last day of the fall semester of each academic year.
- The Executive Director's decision is final.

RETENTION POLICY

Pacific Coast Academy is committed to making individual decisions on grade-level retention based on the long-term, best interest of the individual student. Staff are committed to helping all students realize their fullest potential, including remediation for students who are experiencing difficulty. To that end, retention may be appropriate for a student experiencing extreme academic difficulty or serious health or family emergencies. Typically, retention is considered after various other remediation steps have been employed by the student's teacher(s) and academic team with insufficient success. Special consideration will be given to students with limited English proficiency and those with a special education IEP. Students may be retained only once in their K-8 school career. After careful analysis of evidenced-based instruction and intervention, retention is considered for the next school year.

Kindergarten Continuance Criteria

Students can also continue in grade K based upon current law. Kindergarten students who have completed one year of kindergarten shall be admitted to first grade unless the parent/guardian and the district agree that the student shall continue in kindergarten for not more than one additional school year based on student progress toward grade-level standards. (Ed Code 48011). Whenever a student continues in kindergarten for an additional year, the School Staff shall secure an agreement, signed by the parent/guardian stating that the student shall continue in kindergarten for not more than one additional school year. (Ed Code 46300.) Students who have had TK instruction are not eligible for Kindergarten Continuance.

Grades 9-12 Retention Criteria

The state does not require school districts to have student retention criteria beyond the last year of middle school to the first year of high school. Progress toward high school graduation shall be based on the student's ability to pass the subjects and electives necessary to earn the required number of credits.

Grades 1-8 Retention Criteria

If a student is identified as performing far below the minimum standard for promotion based on their progress towards the grade-level content standards, the student may be considered for retention in their

current grade level. Following the parent's written request, the Retention Committee will determine, based on a careful review of achievement data, if retention is the appropriate intervention for the student's academic deficiencies. The Retention Committee's determination shall specify the reasons that retention is appropriate for the student and shall include recommendations for interventions necessary to assist the student in attaining acceptable levels of academic achievement. If the teacher and parent are not in agreement with the recommendation of retention, please see below for the appeal process. The burden of proof for the appeal rests with the appealing party. (Ed Code 48070.5)

HARASSMENT, DISCRIMINATION, INTIMIDATION AND BULLYING PREVENTION POLICY – COMPLIANT WITH THE SAFE PLACE TO LEARN ACT

It is the policy of Pacific Coast Academy ("School") to create and maintain a learning environment where students and employees are treated with dignity, decency and respect. It is also the policy of Pacific Coast Academy to maintain an environment that encourages and fosters appropriate conduct among all persons and respect for individual values. Accordingly, the School is committed to enforcing this Harassment, Discrimination, Intimidation and Bullying Prevention Policy at all levels in order to create an environment free from all forms of discrimination, harassment, intimidation and bullying.

Discrimination, harassment,intimidation or bullying based on the following characteristics, whether actual or perceived: race, religious creed (including religious dress and grooming practices), color, national origin (including language use restrictions), immigration status, citizenship status, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding and medical conditions related to pregnancy or childbirth), gender, gender identity, gender expression, age, sexual orientation, military and veteran status, neurodiversity, or association with a person or group withone or more of the aforementioned characteristics or any other legally protected category is unlawful andundermines the character and purpose of the School. Such discrimination, harassment, intimidation or bullying violates School policy and will not be tolerated. This policy applies to anyone on campus at theSchool or those attending School sponsored activities. This policy also applies to all acts related to school activity or school attendance and all acts of the governing board in enacting policies and procedures of the governing board.

Any form of retaliation against anyone who has complained or formally reported discrimination, harassment, intimidation or bullying or against anyone who has participated in an investigation of such a complaint, regardless of whether the complaint relates to the complaining person or someone else, will not be tolerated and violates this policy and the law.

If the School possesses information that could indicate immigration status, citizenship status or national origin information, the School shall not use the acquired information to discriminate against any students or families or bar children from enrolling in or attending school. If parents or guardians choose not to provide information that could indicate their or their children's immigration status, citizenship status or national origin information, the School shall not use such actions as a basis to discriminate against any students or families or bar children from enrolling or attending school.

Each year, the School shall educate students about the negative impact of bullying other students based on their actual or perceived immigration status or their religious beliefs or customs. The School shall also train teachers, staff and personnel to ensure that they are aware of their legal duty to take reasonable steps to eliminate a hostile environment and respond to any incidents of harassment based on the actual or perceived characteristics noted above. Such training shall provide School personnel with the skills to do the following:

- Discuss the varying immigration experiences among members of the student body and school community;
- Discuss bullying-prevention strategies with students, and teach students to recognize the behavior

and characteristics of bullying perpetrators and victims;

- Identify the signs of bullying or harassing behavior;
- Take immediate corrective action when bullying is observed; and
- Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior.

DEFINITIONS

Discrimination

Discrimination is adverse treatment of any person based on the protected class or category of persons to whom they belong and such treatment limits students from participating or benefiting from school activities or services.

Harassment

Harassment is unwelcome verbal or physical conduct prohibited by law directed toward, or differential treatment of, a student because of his/her membership (or perceived membership) in any protected group or on any other prohibited basis. The harasser can be a student, a School official or employee, or someone who is not an employee of the School, such as a vendor or parent.

Examples of such conduct include, but are not limited to:

- Offensive or degrading remarks, verbal abuse, or other hostile behavior such as insulting, teasing, mocking, name calling, degrading or ridiculing another person or group
- Racial slurs, derogatory remarks about a person's accent, or display of racially offensive symbols
- Unwelcome or inappropriate physical contact, comments, questions, advances, jokes epithets or demands
- Physical assault or stalking
- Displays or electronic transmission of derogatory, demeaning or hostile materials
- Graphic and written statements, which may include use of cell phones or the Internet

Harassment does not have to include intent to harm, be directed at a specific target or involve repeated incidents. Harassment creates a hostile environment when the conduct is sufficiently severe, pervasive or persistent so as to interfere with or limit a student's ability to participate in or benefit from the services, activities or opportunities offered by the School.

Sexual Harassment

Sexual harassment is a form of harassment based on sex, including sexual harassment, gender harassment and harassment based on pregnancy, childbirth or related medical conditions. It generally involves unwanted sexual advances, or visual, verbal or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. The following is a partial list of violations:

- Unwanted sexual advances

- Offering educational benefits in exchange for sexual favors
- Making or threatening reprisals after a negative response to sexual advances
- Visual conduct: leering, making sexual gestures, displaying of suggestive objects or pictures, cartoons or posters
- Verbal conduct: making or using derogatory comments, epithets, slurs and jokes
- Verbal sexual advances or propositions
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes or invitations
- Physical conduct: touching, assault, impeding or blocking movements

Intimidation

Intimidation includes adverse actions intended to fill another with fear, to overawe or cow, as through force of personality or by superior display of wealth, talent, etc., or to force another into or deter from some action by inducing fear.

Bullying

Bullying may take place in a variety of hostile acts that are carried out repeatedly overtime. The acts involve a real or perceived imbalance of power, with the more powerful child or group attacking those who are less powerful. It may be physical (hitting, kicking, spitting, pushing), verbal (taunting, malicious teasing, name calling, threatening), or psychological (spreading rumors, manipulatingsocial relationships, or promoting social exclusion, extortion or intimidation). Bullying is any severe or pervasive action or conduct directed toward one or more students that have the effect of one or more of the following: 1) places a reasonable student in fear of harm to that student's person or property; 2) causes a reasonable student to experience a substantially detrimental effect on their physical or mental health; 3) causes a reasonable student to experience substantial interference with their academic performance; 4) causes a reasonable student to experience interference with their ability to participate in or benefitfrom the services, activities or privileges provided by the School.

Other Types of Bullying:

- Sexual bullying includes many of the actions typical of bullying behavior with the added actions of exhibitionism, voyeurism, sexual propositioning, sexual harassment and sexual abuse (touching, physical contact, sexual assault).
- Bias or hate-motivated bullying is a basic bias against or hate for a person or group. Examples include taunting one's race, religion, national origin, sexual orientation, or physical or mental disabilities. The bullying behavior may also be aggressive, antagonistic, and assaultive.
- Hazing is a form of aggressive behavior that usually involves intimidation and humiliation during an initiation for a student organization or body, club, group or sports team. It may involve conduct that is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current or prospective pupil. Hazing does not include athletic events or school-sanctioned events.
- Cyberbullying involves bullying conduct that is created or transmitted by means of an electronic device, including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer or pager communicating any of the following: 1) a message,

text, sound or image; 2) a post on a social network Internet Web site, including a "Burn Page," an impersonation of another student, and a false profile.

- Cyber sexual bullying involves dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more effects described in (1) – (4) above. A photograph or other visual recording shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording or other electronic act.
- Social media bullying involves bullying through forums for social media, such as internet websites with free registration and ease of registration, internet websites offering peer-to-peer instant messaging (such as Snapchat, Tox, FireChat, Orbit, Bleep), internet websites offering comment forums (such as Facebook, Twitter, Reddit) and internet websites offering image or video posting platforms (such as YouTube, Instagram, Twitch, Imgur).

Retaliation

Retaliation is any adverse action taken against a student because he or she filed a charge ofharassment, discrimination, intimidation or bullying complaint to the School or another agency or participated in an investigation about the same (such as an internal investigation or lawsuit), including as a witness. Retaliation also includes adverse action taken against someone who is associated with the individual opposing the perceived harassment, discrimination, intimidation or bullying.

REPORTING DISCRIMINATION, HARASSMENT, INTIMIDATION, BULLYING OR RETALIATION

Any student who believes that he or she has been the victim of discrimination, harassment, intimidation, bullying or retaliation prohibited by this policy, or any student who has witnessed such discrimination, harassment, intimidation, bullying or retaliation, should immediately report the circumstances in accordance with the procedure set forth below. The School will investigate any conduct that violates this policy, even in the absence of a complaint, and take remedial action where appropriate.

A student may make a complaint, written or oral, to any of the individuals listed below:

- Their Homeschool Teacher, school counselor or other school personnel
- The Executive Director of the School

Complaints may be submitted to the Executive Director by any of the following methods:

- By phone at (619) 215-0704
- By email at krystin.demofonte@pacificcoastacademy.org
- By mail at 13915 Danielson Street Suite #103 Poway, CA 92064

Any teacher, school counselor or other school employee that receives any complaints of misconduct, or personally observes, learns about from others, or reasonably suspects has occurred, shall report the same to the Executive Director, so that the School may attempt to resolve the claim internally. Any School personnel that witness an act of discrimination, harassment, intimidation, bullying or retaliation shall take

immediate steps to intervene when it is safe to do so.

INVESTIGATION AND DISPOSITION OF COMPLAINTS

General Grievance Procedures

The following general grievance procedures ("General Grievance Procedures") are intended for complaints of discrimination, sexual harassment, harassment, intimidation, and bullying that are not subject to review under School's Uniform Complaint Procedures ("UCP") or Title IX Grievance Procedures per School's Title IX Policy. For example, an allegation of bullying that is unrelated to anyprotected characteristic set forth above may be investigated under these General Grievance Procedures.

The School will conduct a prompt, thorough and impartial investigation that provides all parties appropriate due process and reaches reasonable conclusions based on the evidence collected. The investigation, conducted by a qualified investigator(s) (who may be a School employee), will include an interview with the alleged student-victim and his/her parent(s)/guardian(s). It may also include interviews with the person who made the initial report, the complainant (if not the alleged victim), the alleged wrongdoer and/or any other person who may have information regarding the incident, each of whom are encouraged to cooperate with any investigation. The investigator may also review any relevant documents.

The School will endeavor to complete its investigation within thirty (30) days of a report of discrimination, harassment, intimidation, bullying or retaliation.

Confidentiality of the complaint and investigation will be kept by the School to the extent possible but note that the investigation will not be completely confidential. The School shall ensure confidentiality with respect to a student's or family's immigration status.

The investigator (if a third party) will report his/her findings to the Executive Director. Where the investigator concludes that a violation of this policy has occurred, the Principal Executive Director and/or Board of Directors his/her designee will take prompt and appropriate redial action, including disciplinary action. Depending upon the circumstances, disciplinary action may include, but is not limited to suspension and/or recommendation for expulsion. Discipline for a violation of this policy is not progressive, so a first violation of this policy may warrant suspension or a recommendation for expulsion.

Every complaint will trigger the creation of an investigatory file. The investigatory file will consist of the initial complaint, the final investigative report, including a record of the remedial action to be taken, if any, and all documents created, used or reviewed during the investigation.

At the conclusion of the investigation, the Executive Director shall notify the complainant of the manner in which it has resolved the matter. If, within 30 days after notification of resolution, the complainant does not agree with the resolution, the complainant may appeal the matter to the Board of Directors of the School by filing a notice of appeal stating the reasons for the appeal and specific disagreement with the School's resolution of the complaint. The Board of Directors will provide the student with a final decisionof the School's resolution 5 days after the Board of Directors' next regularly scheduled board meeting.

Complaints alleging unlawful discrimination, harassment, intimidation or bullying based on protected characteristics set forth above (e.g., race, ethnicity or ethnicity, immigration status, religion, gender, gender identity or expression, or sexual orientation) or related to certain state and federal programs are eligible to be investigated pursuant to the UCP. If any formal complaints alleging sexual harassment constitute Sexual Harassment as defined under Title IX, the complaints shall be investigated under the Title IX Policy. Copies of the Title IX Policy and UCP can be found on the School's website.

Parental Notification

Each year, the School shall notify parents and guardians of their children's right to a free public education, regardless of immigration status or religious beliefs. This information shall include information related to the "Know Your Rights" immigration enforcement established by the California Attorney General. The School shall also inform students who are the victims of hate crimes of their right to report such crimes.

Sexual Harassment Poster

The School shall create a poster that notifies pupils of the applicable written policy on sexual harassment. The poster shall display, at a minimum, all of the following: 1) The rules and procedures forreporting a charge of sexual harassment; 2) The name, phone number and email address of an appropriate school official to contact to report a charge of sexual harassment; 3) The rights of the reporting pupil, the complainant, and the respondent and the responsibilities of the School in accordance with the School's written policy on sexual harassment.

This poster will be prominently and conspicuously displayed in each bathroom and locker room at the school site. It may be prominently and conspicuously displayed in public areas at the school site that are accessible to, and commonly frequented by students, including, but not limited to classrooms, classroom hallways, gymnasiums, auditoriums and cafeterias. The governing board of the School shall have full discretion to select the appropriate public areas to display the poster at the school site.

SUSPENSION AND EXPULSION POLICY

Pacific Coast Academy "Charter School" is committed to promoting learning and protecting the safety and well-being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 et seq. which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 et seq. The Charter School is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

RESPONSIBILITY OF THE CHARTER SCHOOL

When the policy is violated, it may be necessary to suspend or expel a student from the Charter School. This policy shall serve as the Charter School's policy and procedures for student suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be posted on our website and will clearly describe discipline expectations. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff, or other persons or to prevent damage to school property.

A student has the right to be free from the use of seclusion and behavioral restraints of any form imposed as a means of coercion, discipline, convenience, or retaliation by staff. This right includes, but is not limited to, the right to be free from the use of a drug administered to the student in order to control the student's behavior or to restrict the student's freedom of movement, if that drug is not a standard treatment for the student's medical or psychiatric condition. Charter School staff may use seclusion or a behavior restraint only to control behavior that poses a clear and present danger of serious physical harm to the pupil or others that cannot be immediately prevented by a response that is less restrictive. Charter School staff shall avoid, whenever possible, the use of seclusion or behavioral restraint techniques.

Charter School staff shall not do any of the following:

- Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
- Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
- Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places their body weight against the pupil's torso or back.
- Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
- Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's

back.

- Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. The Charter School will follow all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students. Additional detail follows below.

A foster child's educational rights holder, attorney, and county social worker and an Indian child's tribal social worker and, if applicable, county social worker shall have the same rights a parent or guardian of a child has to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information.

GROUNDS FOR SUSPENSION AND EXPULSION OF STUDENTS

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school-sponsored activity.

A student who voluntarily discloses their use of a tobacco product, controlled substance, alcohol, or an intoxicant of any kind in order to seek help through services or supports shall not be suspended solely for that disclosure.

Students must be recommended for expulsion for any of the following acts when it is determined pursuant to the procedures below that the student:

- Possessed, sold, or otherwise furnished any firearm, explosive, or other dangerous object unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Executive Director or designee’s concurrence.

If it is determined by the Board of Directors that a student has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994.

WILLFUL DEFIANCE

If a student is found to have disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties, a certificated or noncertificated employee may refer a student to School administrators and timely in-school interventions or supports. The School administrator shall, within five business days, document the actions taken and place that documentation in the student's record to be available for access by parents. The School administrator shall also, by the end of the fifth business day, inform the referring certificated or noncertificated employee, verbally or in writing, what actions were taken and, if none, the rationale used for not providing any appropriate or timely in-school interventions or supports.

SUSPENSION PROCEDURE

Suspensions shall be initiated according to the following procedures:

Conference

Suspension shall be preceded, if possible, by a conference conducted by the Executive Director or designee with the student and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Executive Director or designee.

The conference may be omitted if the Executive Director or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference. This conference shall be held within two school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization.

At the conference, the student shall be informed of the reason for the disciplinary action, the evidence against that student, the other means of correction that were attempted before the disciplinary action, and shall be given the opportunity to present that student's version and evidence in their defense. No penalties may be imposed on a student for failure of the student's parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student's parent or guardian at the conference.

Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension, the date of return following suspension and the specific offense committed by the student. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Executive Director or designee, the student and the student's guardian or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Executive Director or designee upon either of the following: 1) the student's presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

Upon the request of a parent/guardian/educational rights holder/student, a teacher shall provide to a student in any of grades 1 to 12 who has been suspended from the Charter School for two or more schooldays, the homework that the pupil would otherwise have been assigned. If a homework assignment that is requested and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation for the student's overall grade in the class.

AUTHORITY TO EXPEL

A student may be expelled either by the Charter School Board following a hearing before it or by the Charter School Board President upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the student or a Board member of the Charter School's governing board. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

EXPULSION PROCEDURES

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director or designee determines that the student has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA) unless the student makes a written request for a public hearing three (3) days prior to the hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

- The date and place of the expulsion hearing;
- A statement of the specific facts, charges and offenses upon which the proposed expulsion is

based;

- A copy of the Charter School's disciplinary rules which relate to the alleged violation;
- Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
- The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
- The right to inspect and obtain copies of all documents to be used at the hearing;
- The opportunity to present testimony, evidence and witnesses and confront and question all witnesses who testify at the hearing;
- The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

SPECIAL PROCEDURES FOR EXPULSION HEARINGS INVOLVING SEXUAL ASSAULT OR BATTERY OFFENSES

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School governing board or the administrative panel. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

- The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive five days' notice of their scheduled testimony, (b) have up to two (2) adult support persons of their choosing present in the hearing at the time they testify, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
- The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
- At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
- The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours they are normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness

to accompany them to the witness stand.

- If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising their discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
- Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

RECORD OF HEARING

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

PRESENTATION OF EVIDENCE

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, except as otherwise provided herein. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have their testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing.

If the Administrative Panel decides not to recommend expulsion, the student shall immediately be returned to their educational program.

WRITTEN NOTICE TO EXPEL

The Executive Director or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.

The Executive Director or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

DISCIPLINARY RECORDS

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

EXPELLED STUDENTS/ALTERNATIVE EDUCATION

Students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

REHABILITATION PLANS

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may reapply to the Charter School for readmission.

READMISSION

The decision to readmit a student or to admit a previously expelled student from another school district, private school, or charter school shall be in the sole discretion of the Executive Director following a meeting with the Executive Director or designee and the student and guardian or representative to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The student's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission.

INVOLUNTARY REMOVAL

No pupil shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian, or, if the pupil is a homeless child or youth, or a foster child or youth, in the native language of the homeless or foster child's educational rights holder. In the case of a foster child or youth, the written notice shall also be provided to the foster child's attorney and county social worker. If the pupil is an Indian child, as defined in Section 224.1 of the Welfare and Institutions Code, the written notice shall also be provided to the Indian child's tribal social worker and, if applicable, county social worker. The written notice shall inform the pupil, the pupil's parent or guardian, the homeless child's educational rights holder, the foster child's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker of the right to request a hearing adjudicated by a neutral officer before the effective date of the action. If a hearing is requested, the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions for disciplinary reasons.
