B. COVID-19 Re-Entry Update

Kylie presented the school re-entry plan which includes four different scenarios for school reentry for the upcoming school year. These scenarios were created by a district-wide task force made up of administrators and teachers using guidance from the GA DOE and teacher/parent input from surveys. We will also survey teachers and parents again after the re-entry scenario plans are shared. The scenario which will be used is dependent on guidance provided by the local Departments of Health on the current level of community spread. Since our schools serve multiple counties, the scenario for re-entry will be based on the county with the highest level of community spread. We have been informed that the DPH will provide weekly reports on community spread by county. Since spread levels are changing rapidly, it was decided that it would be best to wait until after the surveys and closer to the start date to vote on the scenario which we will use to begin the school year. Therefore, the Board will vote on the opening scenario plan to be used at the July meeting.

C. PCA - Recommendations for Hire:

Kylie presented Stephanie Collier as a teacher for hire for the 2020-2021 school year. M. Tabb made a motion to approve the hire of Stephanie Collier for the 2020-2021 school year. D. Hendrickson seconded the motion. The board **VOTED** to approve the motion.

III. Facilities/Finance

A. FY 2021 Budget Update

Cheryl informed the board that the state has released preliminary figures and that instead of the originally anticipated 14% cut to the state budget, there is only going to be an 11% cut to the state budget for fiscal year 2021. This will result in approximately a million dollar cut to revenues between both schools for the next year. Cheryl informed the board that she is working with a consultant, Afton Partners, from Charter School Growth Fund to create a five year plan to spread the money that was saved in FY 2020.

B. Daycare Building Purchase

Cheryl informed the board that the purchase of the daycare building is being delayed. After submitting closing costs for the purchase but before closing could be finalized, the City of Edison determined that the bid procedure had not been followed and so the sale was put on hold. PCA, Inc. now has to submit another sealed bid by June 30, 2020 in order to pursue the purchase of this building.

C.

COVID Grants Budget

Cheryl informed the board that PCA, Inc. has received four different grants from various foundations in relation to COVID-19 related expenses. The total of these four grants is \$151,000 and the Finance Committee is recommending these funds be used to pay for 5 months of service for the Verizon hot spots activated for students without access to internet at home for a total of \$35,000 and for the purchase of Chromebooks for Pataula Charter Academy so that there can be a one to one ratio. Spring Creek currently has enough Chromebooks for each student to have their own device to use and in light of potential reentry scenarios for Pataula Charter, Inc., it is necessary to purchase these Chromebooks to have that one to one ratio at PCA.

M. Tabb made a motion to approve the COVID grant budget as presented.

D. Hendrickson seconded the motion.

The board **VOTED** to approve the motion.

D. Edgenuity Purchase

Cheryl presented quotes to the board from Edgenuity, a leading provider of K-12 online curriculum and blended learning solutions, for a combined price of \$52,180 for both schools. In light of reentry scenarios due to COVID-19, this online learning platform will help to supplement learning and fill gap deficiencies. This online program will be utilized for grades 6-12 and will also take the place for virtual learning through Georgia Virtual School for Spanish I and Spanish II.

D. Hendrickson made a motion to approve the purchase of the learning platform provided by Edgenuity for the 2020-2021 school year.

R. Lane seconded the motion.

The board **VOTED** to approve the motion.

E. PCA - CPF Financial Assessment Report

Cheryl presented the CPF Financial Assessment Report for April and May for PCA to the board. As of the end of May, PCA has 96% spent of the budget for FY2020, but the figures are looking better than previously thought and SCCA currently owes money to PCA for liability insurance and other benefits that PCA has paid on behalf of SCCA.

F. SCCA - CPF Financial Assessment Report

Cheryl presented the CPF Financial Assessment Report for April and May for SCCA to the board. As of the end of May, SCCA has 87% spent of the budget for FY2020, but SCCA still owes PCA for liability insurance and other benefits that PCA has paid on behalf of SCCA. Even with this money owed to PCA, SCCA still stands to finish the year in the positive.

G. SCCA - Office Clerk Position

Cheryl requested the board to approve the transition of the Office Clerk position at SCCA from a full time to part time position at this time.

M. Tabb made a motion to approve the transition of the Office Clerk at SCCA from full time to part time.

D. Hendrickson seconded the motion.

The board **VOTED** to approve the motion.

H. SCCA - Land Purchase Request

Cheryl informed the board that she has been talking with lawyers in regards to the bid sent to SCCA from Dollar General to purchase 2 acres of land from the school. Cheryl stated that there is cause for concern about the impacts this could have in the future when SCCA will begin the phase of having a permanent building installed. The lawyer

stated that the only feasible way this sale would work would be for Dollar General to pay for sewer lines to be run to the school and for them to place a deed on the title so that in the event they sold the land, SCCA would have a say in who could purchase it.

I. SCCA - New Modular Building Walton Grant Budget

Cheryl presented to the board the budget for the Walton Growth Fund Grant which is being used to purchase and install the new 10 classroom modular building at the SCCA campus. Money from this grant is being used to pay the lease deposit and lease for the building through Vanguard, the building manufacturer, as well as many other issues that have recently come to light with the building installation. Cheryl is also requesting that a construction project manager be brought in to oversee all aspects of this building installation to ensure a timely install for the upcoming school year. The Georgia State Fire Commissioner's office still has not approved the plans as of yet, and in light of this, there may be the potential to delay the start of school to ensure the building is ready for student return.

M. Tabb made a motion to approve the budget for the Walton Growth Fund Grant as presented.

D. Hendrickson seconded the motion.

The board **VOTED** to approve the motion.

K. SCCA - Plumbing Vendor Selection

Cheryl presented the bid from Temples Weatherly Plumbing for \$6,850 to perform the required plumbing on the new modular building being installed at the SCCA campus. Temples Weatherly Plumbing was the only vendor to submit a bid for the project. M. Tabb made a motion to approve the bid submitted by Temples Weatherly Plumbing for plumbing work to be performed on the new modular building at the SCCA campus. D. Hendrickson seconded the motion. The board **VOTED** to approve the motion.

L. SCCA - Sprinkler System Vendor Selection

Cheryl presented to the board bids from International Fire Protection for \$68,900 and from Georgia Automatic Sprinklers for \$48,000 for installation of sprinklers for the new modular building at the SCCA campus. After talking with Vanguard, the manufacturer of the modular building, the Finance Committee is recommending using International Fire Protection for the installation even though it is the higher bid. This company works directly with Vanguard and can actually start working on installing the sprinklers at the Vanguard company site and Vanguard will actually push this cost into the monthly lease. D. Hendrickson made a motion to approve the bid submitted by International Fire Protection for sprinkler installation to be performed on the new modular building at the SCCA campus. R. Lane seconded the motion. The board **VOTED** to approve the motion.

B. BoardOnTrack Assessment and Goals

Kylie presented the Board Success Plan from Board on Track based on the assessments board members completed in February 2020. This success plan includes guidance on needing strategic board member recruitment, committee work which was the biggest gap in the assessments, and fundraising which is not a high priority at this time but will need to be in the future. With the presentation of this success plan, it is recommended that every board member join a committee.

C. Board Member Re-Elections

Tiffany informed the board that as of the end of June, the following board members terms are expiring: Tiffany Bruner, Tom Smith, Ronisa Hanks, and Ronnie Lane. Tiffany and Ronnie agreed to serve another 2 years on the board and Ronisa stated she was undecided but would let board members know something by the end of the week if she choose to stay. Tom Smith does not wish to renew for another term and Melissa Tabb resigned effective at the end of this month.

D. Hendrickson made a motion to approve the reelection of board members Tiffany Bruner and Ronnie Lane and to accept the resignations of Tom Smith and Melissa Tabb.
