IV. Governance

A. Governance Training

Kylie reminded everyone of the required training sessions that will be held virtually this year. There are 3 dates to choose from. The link was sent to each member to sign up for one of the sessions and please send Kylie a copy of your confirmation. It was decided that everyone should try to sign up for either the November or February dates, preferably the same date, leaving the April date as the "if needed" date. Kylie will try to schedule the "break out" sessions here for a Board retreat. There may be a fee to hold the sessions here. 12 hours of training is required.

B. Finalize Committees and Members

Due to COVID-19 Committees have not been finalized. The Finance Committee is working well with Rhonda, Tiffany, David, Cheryl, Kylie, and school Principals serving as members. The Governance Committee needs members with only Erin, Jennifer, Cheryl, and Kylie as members. Blake will be added to the Governance Committee to even things out. Kylie is excited about forming the Academic Committee now that we have educators

as Board members. Ronnie, Rochelle and Beth expressed interest in serving on the Academic Committee, along with Kylie, school Principals, and instructional coaches.
