L. PCA Summer School Approval

Due to the loss of instructional time last year and this year due to COVID related quarantines, Kylie is recommending that PCA hold Summer School this year. For K-8 Summer School would be required for some students for promotion and strongly recommended for others. High School would use this for Credit Recovery and Offer SAT prep classes in Math and Writing for remediation. The budget would include salaries for teachers, paraprofessionals, bus drivers, school nutrition workers, a stipend for Administration, and monies for curriculum purchases. The proposed budget for PCA's Summer School is \$82,890. CARES II grant money will be used to cover the costs.

R. Collins made a motion to approve the proposed Budget for Summer School for PCA.

B. Miller seconded the motion.

The board **VOTED** to approve the motion.

N. Teacher Retirement

Kylie informed the Board that Donna Bernstein, middle grades teacher at PCA, has decided to retire this year.

III. Facilities/Finance

A. PCA - FY 2021 Amended General Operating Budget

The finance committee presented the amended FY 21 General Operating Budget for PCA to the board for their review. This is the second and final amendment for this fiscal year. PCA originally amended the budget to account for austerity cuts. However we received 60% of those cuts back in our newest allotment projections from the state. The amended budget shows an overall revenue increase due to austerity reductions and carryover from federal grant awards last year. PCA also received a COVID relief grant through the charter school program. Expenses increased as well due to an increase in our RESA contract for special education services and COVID related expenses. The committee also noted that transportation and school nutrition expenses decreased drastically due to our current four day school week. PCA's projected surplus increased overall due to these factors. The finance committee will present this amended budget again at the March meeting and ask for a vote.

B. Pataula - CPF Financial Assessment Reports

The CPF Financial Assessment reports show 52% of the budget spent through the month of December. PCA is on track with budget spending.

C. SCCA - FY 2021 Amended General Operating Budget

The finance committee presented the amended FY 21 General Operating Budget for SCCA to the board for their review. This is the second and final amendment for this fiscal year. SCCA originally amended the budget to account for austerity cuts. However we received 60% of those cuts back in our newest allotment projections from the state. This allotment also shows a decrease in QBE funding based on actual student enrollment. The amended budget shows a small overall revenue increase due to austerity reductions and carryover from federal grant awards last year. Expenses increased as well due to an increase in our RESA contract for special education services and COVID related expenses. The budget also captures some salaries that were omitted in the last budget amendment. SCCA's projected surplus decreased overall due to these factors. The finance committee will present this amended budget again at the March meeting and ask for a vote.

D. Spring Creek - CPF Financial Assessment Reports

The CPF Financial Assessment reports show 52% of the budget spent through the month of December. SCCA is not on track with budget spending until the budget deficit/long term debt issue is hopefully resolved in the next audit or the debt is paid down.

E. SCCA - deficit reduction monthly report

The SCCA Deficit Reduction Plan must be submitted to the Department of Education monthly until our fund balance is out of its deficit. The finance committee presented the monthly reports through December 2020. The deficit should finally start decreasing in January's report due to grant money being received..

R. Collins made a motion to approve December's Deficit Reduction Report.

E. Lenz seconded the motion.

The board **VOTED** to approve the motion.
