C. SCCA FY 2021 Amended General Operating Budget

Cheryl presented the amended general operating budget for fiscal year ending 2021 to the committee. Cheryl informed the committee that total revenue increased from the original budget based on a percentage of austerity being returned and carryover from fiscal year 2020. Total expense costs increased due to some salaries not included in the

original budget as well as some unexpected expenses due to the COVID crisis. There was an overall decrease in the surplus for the budget due to many factors.

D. SCCA _ CPF Assessment Report

Cheryl presented the CPF Financial Assessment report for January and SCCA is currently 52% spent on their budget. Areas that are showing overspent will be adjusted once the amended budget is approved by the board.

E. SCCA - Deficit Elimination Monthly Reports

Cheryl presented the monthly deficit elimination plan for SCCA and requested the committee to approve the presentation of the plan to the board for approval. Cheryl reminded the committee that this deficit elimination plan will be done monthly to satisfy the requirements of the letter sent by Department of Education due to the fund balance for SCCA showing negative. Cheryl informed the committee that she is consulting the audit firm to see if they can correct the current liability on our balance sheet to long term debt during the audit process this year. If that is not possible, we may need to pay off a large portion of our debt to meet our financial requirements of our authorizer and to bring our fund balance into the positive.
