II. Superintendent Report

A. PCA and SCCA - Amend Charter Mission Specific Goals

In order to ensure that our Mission Specific Goals are true to our mission and the innovative features of our charter, school leadership began a review of our current mission specific goals. While our current goals are worthwhile, they do not reflect the two vital innovative features of our organization: collaborative project based instruction and a strong positive school culture. Leadership crafted the proposed mission-specific goals that better define how we implement our innovative features and ask the Board to approve/accept the Amended Charter Specific Goals.
