PCA - Spring MAP Scores

Kylie presented Spring MAPS scores for PCA to the Board for review. The scores indicate there was growth in grades 3-9 in Math and there was no growth for ELA. This has been consistent throughout the year everywhere. Scores project 7% less students passing Math in grades 3-8 than the 2019 Milestones, 1% less passing Algebra I and 8% less passing ELA in grades 3-8.

H. SCCA - Spring MAP Scores

Spring MAPS scores show growth in Math for grades 1,4 and 5 at SCCA and no growth in ELA. Projections for SCCA show 22% less passing Math than PCA in 2019 and 8% less passing in ELA.

I. PCA - Operational CPF Dashboard

PCA scores have increased slightly due to the approval of our new Mission Specific Goals. At this time PCA has a score of 85 on CPF. 80 is a passing score.

J. SCCA - Operational CPF Dashboard

SCCA scores have increased 2 point due to the approval of our Mission Specific Goals. At this time SCCA has a score of 91.

SCCA under spent the budget in February with only 55% spent. This should go up closer to May or June due to the large payment that was approved in the FY 21 amended budget. SCCA is actually projected to fail a measure on CPF at this time due to long term debt due to school set-up. This deficit should be eliminated by the end of the year.

E. SCCA - deficit reduction monthly report

The Finance Committee is asking for approval of the monthly SCCA deficit reduction report. This report has to be sent to the DOE each month until SCCA's deficit is eliminated.

R. Sapp made a motion to Approve the monthly SCCA deficit reduction report to be sent to the DOE.

IV. Governance

A. Personnel Policies amendment

Kylie is asking for approval of the proposed changes to the Personnel Policy. Policy has been Board approval needed each year for hires and fires; it is being amended to include Board approval for contract renewals each year as well.

It was written in policy for employees to bring up to 120 days of leave from the previous school with them at hire. This was in place to protect employee leave; however it has been learned that leave must be reported from the system where it was earned at the time of retirement or resignation. It is being proposed that this be amended to move only 40 days of unused leave from another system.

It was in policy to pay the employee for any unused annual leave at the time of resignation or retirement up to 120 days. This is over 1/2 year's salary. The employee may use accrued leave toward retirement with TRS. It is being proposed that this be changed that no compensation for accrued unused leave will be offered.

R. Sapp made a motion to Approve the Personnel Policy as amended.

R. Lane seconded the motion.

The board **VOTED** to approve the motion.
