B. PCA - I-Ready purchase

Kylie presented the I-ready purchase to the board for approval. The purpose of purchasing this program is to provide intervention services to students in grades 7 - 8. However, a pilot of the program will be available for all students to use. The pilot is free with the purchase of 3 professional development sessions for \$5,250.00. The lawyer is reviewing the mandate and

other guidelines to see if it will apply to our schools and will draft a policy to present to the board in December in the event that the mandate does go into effect and will apply to our schools.

IV. Finance/Facilities Committee Report

A. PCA - CPF Financial Assessment Reports

B. PCA - Football Grandstands

Cheryl presented the 8 bids for the construction of the grandstands and press box for the football fields. The finance committee is recommending awarding the contract to Dant Clayton. This is based on Dant Clayton presenting the lowest bid, but also based on recommendations from the architect for the athletic field complex, IPG. Original cost projections for the grandstands were approximately \$270,000 but the lowest bid is at \$329,000 due to current market increases in supplies. This will also likely impact the remaining items needed to complete the athletic field complex. Cheryl will factor this projected increase into the amended budget.

R. Lane seconded the motion.

The board **VOTED** unanimously to approve the motion.

Cheryl presented the recommendation of the finance committee for a new vendor, Webstaurant Store, for the purchase of the freezer at a cost of \$15,000. The new vendor will also not require the extra expense of a concrete floor being constructed, as with the original vendor.
