Buck Run Preserve submitted a price of \$53,510.00 for grading, erosion control, and gravel. Their bid did not include piping. Cheryl contacted Concrete Enterprises to see if they were willing to accept a contract for piping only, with Buck Run Preserve doing the site work. Tom Draffin, our project manager, agreed with this plan as our best option with a saving of approximately \$100,000. At meeting time Cheryl had not gotten a definitive answer from Concrete Enterprises. It was the recommendation of the Committee to award contracts for piping and site work separately.

J. SCCA - MOE Compliance Issue

Spring Creek did not meet maintenance of effort with FY 2021 Special Ed funds. This means that in FY 21 we spent less state/local funds on SPED students than we did in FY 2020. In March of FY 20 we received \$81,000 in Federal SPED funds. Before we could budget how to spend this money, the school closed due to the Pandemic. We were advised by the DOE to "carry over" the funding to the following year; this meant we had to spend this federal money before we could spend local/state money. This led to spending less state/local SPED money. This has never happened at PCA before and will probably never happen again. We had to return about \$37,000 to the state.

K. SCCA - CPF Financial reports

Through March 2022 with 67% of the budget spent SCCA has a projected score of 95 on CPF Financial Assessment.

IV. Governance Committee Report

A. Annual Board Meeting Calendar

The annual board calendar was presented for Board review.

B. Parental Leave - Discussion

HB146 passed in 2021 requires Local Government entities and Local Boards of Education to provide 120 hours (3 weeks) of paid parental leave. Kylie was informed by the Charter School Commission that this did not apply to us, she received this guidance in writing. The school's legal counsel has also given guidance that this law does not apply to state charter schools. However, employees have questioned this and our policy. FMLA guarantees an employee 12 weeks leave without the threat of termination. Our policy grants 12 weeks leave with the use of sick leave while under a doctor's directive

and does not include the 120 hours paid leave unless you use accrued sick leave. The Board decision was to table any action on Parental Leave Policy until they have more time to make an informed decision. The Board would like Kylie to provide further information such as: Current Board Policy, a copy of HB146, our lawyers legal opinion, a copy of the Commission Letter, and a survey of other Charter School policies.

B. SCCA Spring MAP Score Report

Kylie presented the Spring MAP Score reports. There was a lot of growth shown from BOY to EOY. Projections show that we are expected to meet on the Academic CPF.

VI. Closing Items
