With the retention and hiring of employees being a new challenge (nation-wide) we foresee the need for retention and sign-on bonuses. We do not want to implement sign-on bonuses without first rewarding employees for retention. Therefore, the Finance Committee is recommending the Board approve a 5% Staff Retention Bonus for PCA and SCCA. While the bonuses will be distributed at the end of the school year, the committee would like it understood that a staff member leaving before next academic year, would then have the Retention Bonus deducted from their last paycheck.
