C. 2022-2023 PCA SCSC CPF Determinations

2022-2023 SCSC CPF determinations have only been given for schools going through renewal. Since PCA is going through renewal, PCA has a determination, but we have not yet received a determination for SCCA. PCA met on all 3 portions (Academic, Operational, and Financial) of the 2022-2023 CPF. This means that PCA has met in all 3 areas for each year of the current charter, and therefore, should be granted a renewal charter. The renewal application has been submitted. .

D. FY24 SCSC Monitoring Results - Operational

SCSC did not identify any "findings" in their FY24 compliance monitoring. The committee did identify three "Adverse Practices", which do not result in a loss of points on the CPF.

Adverse practices identify areas that could pose a future potential risk in compliance or liability.

1. The school received an adverse practice because the notice of nondiscrimination to employees and staff does not include that the school will not discriminate based on genetic information.

2. NFPA 10 Sub. 5.5.5 requires at least one "K-class" fire extinguisher to be present "for the protection of cooking appliances that use combustible cooking media". Although the school had a K-Class extinguisher in its kitchen at the time of its October 3rd, 2023 health & safety visit, the extinguisher's inspection expired in July 2023.

3. Mandatory reporters are required to report regardless of whether it is based on privileged/confidential communication. The current policy does not explicitly state this.

Policies regarding Nondiscrimination and Child Abuse mandatory reporting have been updated and will be voted on tonight. The expired Fire Extinguisher inspection has been updated.

E. FY24 SPED LEA Determination Reports

Both schools scored 100% on the FY24 Sped LEA Determinations, which annually evaluates the LEA's performance in meeting the purpose and requirements of IDEA.

F. Non-Discrimination Policy revision

J. Sanders made a motion to approve the revisions to the Non-Discrimination policy.

J. SCCA Teacher Retirement.

Gay Williams, SCCA Science teacher, will retire at the end of the 2023-2024 school year.

III. CFO/Business Director Report

A. FY24 SCSC Monitoring Results - Financial

The SCSC did not identify compliance concerns within the scope of its review. However, the committee did identify one "Adverse Practice":

The SCSC recommends that when reporting fund balance at least one of the following components be included:

*non-spendable fund balance

*restricted fund balance

*committed fund balance

*assigned fund balance

*unassigned fund balance

It is also recommended that its Governing Board develop policies to detail how the fund balance for the school's General Fund is managed, outlining both the constraints on how resources of the fund can be spent and the sources of those restrictions.

Cheryl has added "unassigned" to the fund balance sheet. Cheryl and Rhonda are updating policies.
