C. Safety Update

Central office staff, school admin, and our school resource officers have been reviewing and testing our safety plans since the school shooting in Georgia a few weeks ago. Cheryl updated the board on this review and impending changes to strengthen those plans. Both SRO's are diligent in checking the campus multiple times per day to ensure safety protocols are being followed.

Kylie and Cheryl updated the board on the bomb threat at Spring Creek last week. The school did a great job carrying out their safety plan that details actions around a bomb threat. They also noted that a suspect has been detained in this incident.

Our school police Chief Alexander is reviewing safety products such as classroom door barricades, intruder alert systems and amplifications to our camera systems. According to new State Law, school systems in Georgia must have Alert Systems in place by July, 2026.

D. Construction Update

The new field house at Pataula is 100% complete. Gym flooring is scheduled to be delivered today and Basketball Goals will be delivered by the end of the month. The Fire Marshall will return on the 25th, and hopefully we will receive our Certificate of Occupancy for the new gym.
