## **II. Superintendent Report**

### **A. 2023-2023 CCRPI Scores and Comparisons**

CCRPI scores for our service areas were reviewed and compared. Kylie predicts that PCA and SCCA will meet on Academic CPF based on her preliminary calculations, but the SCSC has not yet released official CPF scores. Academic CPF scores will be released by December 23, 2024 for SCCA, since they are up for renewal. PCA will not receive scores until January or February.

### **B. PCA - Teacher Resignation**

Kayla Williams, teacher and head softball coach at PCA, has submitted her resignation effective at the completion of the 2024-2025 SY. Her family is relocating for her husband's new coaching job at ABAC.

### **C. SCCA Charter Renewal**

The charter renewal application is due January 8. The application is complete other than the Academic CPF determination for the 2023-2024 school year, which the SCSC will release no later than Dec. 23. We are not requesting any major revisions to our charter contract. We are requesting two minor operational changes:

- Request to increase the enrollment cap. The current charter did not include full

enrollment for K-12, and the Board has discussed the possibility of increasing the class size in order to afford a permanent facility. The new enrollment minimum and maximum numbers will allow us to maintain the current class size OR increase by 2 per class.

- Request to add students who attended SCCA BFTS Pre-K as a 3rd enrollment priority. This is allowable by GA law, but we have not been able to use this priority due to USED CSP Grant guidelines. We would like to add this new priority since our CSP grant period will be over.

R. Lane made a motion to Approve the operational changes to SCCA's Charter Renewal Application.

J. Sanders seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **D. PCA Charter Amendment Request**

Request to amend charter to add 3rd enrollment priority - students enrolled in Pataula Charter Academy's BFTS Pre-K program.

R. Collins made a motion to Approve the request to add a 3rd enrollment priority to PCA's Charter.

E. Austin seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **F. SCCA - Operational CPF Dashboard**

SCCA is on track to meet on Operational CPF.

#### **G. Enrollment Updates**

SCCA is still on target to have less than a 3% enrollment variance with a total of 466 students in grades K-12 and currently has 127 students on the waiting list.
