E. Update on Requests to Change Enrollment Priorities

An amendment request has been submitted for PCA to add "students matriculating from Pataula Pre-K" as a 3rd enrollment priority. SCSC staff are recommending approval to their Board, and we received word today that the SCSC has approved this amendment for PCA. This amendment will be implemented with the Lottery to be held on January 30, 2025.

We were informed that SCCA cannot implement this enrollment priority until AFTER the CSP grant expires in March. Therefore, we cannot use this priority in January 2025 lottery (tomorrow) for SCCA. However, we have requested this change in our renewal application which would go into effect in July 2025, and be used as a priority for all lotteries AFTER that date.

F. SCCA 2023-2024 SCSC CPF Results and Renewal Update

Since SCCA is up for renewal their CPF results were released earlier than other schools; PCA should have their results by the next Board meeting.

- Based on the CPF results of the past 5 years, SCCA is eligible for a 5-yr renewal.

The SCSC will make official renewal decisions at one of their Board meetings in the next few months. The renewal application has been submitted.
