BYLAWS of THE FOXBOROUGH REGIONAL CHARTER SCHOOL

ARTICLE I

Name

Section 1.1 Name: The name of this public entity shall be the Foxborough Regional Charter School (the "Charter School").

ARTICLE II

Purposes

Section 2.1 Charter: The purpose of Foxborough Regional Charter School is to operate a K-12 public school in the town of Foxborough, Massachusetts, chartered as set forth in its Charter dated February 25, 1998, issued by the Secretary of Education of the Commonwealth of Massachusetts and in Massachusetts General Laws c. 71, S89, as each may be amended from time to time. The Board of Trustees holds the charter granted by the Commonwealth of Massachusetts.

ARTICLE III

Board of Trustees

Section 3.1 Number and Election: The Board of Trustees shall consist of not fewer than five (5) and not more than 15 members. Trustees shall be elected at the annual meeting or at a meeting called for that purpose to take office immediately upon appointment by the Commissioner of Elementary and Secondary Education and hold office until the annual meeting of the Trustees at which their respective terms expire.

Section 3.2 Selection and Term of Office: Trustees shall be elected to terms of at least one year, but no more than three years, with a limit of 5 successive terms and 15 years that a Trustee may serve. Trustees shall be elected for staggered terms, so that the terms of no more than one third of the Trustees may expire each year. The Board of Trustees may not discriminate against potential members on the basis of race, color, national origin, creed, ancestry, ethnicity, age, gender identity, religion, marital status, sexual orientation, or non-disqualifying handicap or mental condition. The board of trustees will exercise due diligence in assessing the suitability of candidates for board membership with respect to potential conflicts of interest and areas of skill and expertise that will be of value to the board of trustees, such due diligence to occur prior to a vote by the board of trustees to request the Commissioner to appoint the proposed member(s). Prior to submitting a candidate to the Commissioner for approval, the board of trustees must determine that no financial interests under G.L. c. 268A exist which may preclude a majority of the board from participating in deliberations or voting on certain matters within the scope of the board's authority. 603 CMR 1.06(2)(b).

The Term for any vacancy on the Board or on a committee of the Board can be filled by a majority vote of the current Trustees. Should any trustee, office or committee position become vacant, the Board of Trustees may appoint a successor through a majority vote of the Trustees present and voting. The appointed successor will serve for the remainder of the original term, and their commitment will not

extend beyond that term without a subsequent vote. Partial terms do not count toward term limits.

Section 3.3 Powers/Duties: The Board of Trustees shall have and may exercise all the powers of the Charter School as set forth in Massachusetts General Laws c. 71, S89 and 603 CMR 1.00, as each may be amended from time to time. The Board of Trustees is a public entity, and each member thereof is a special state employee. The Board of Trustees, which operates independently of any school committee, shall ensure that the school and its Board members shall comply with all applicable laws and regulations regulating charter schools in Massachusetts. The Board of Trustees shall ensure that the Charter School is academically successful, organizationally viable, faithful to the terms of its charter and earns charter renewal. The Board of Trustees is a public employer for the purposes of tort liability (M.G.L. Chapter 258) and for collective bargaining purposes (M.G.L. Chapter 150E). The Board of Trustees has the responsibility to select, appoint, evaluate, and/or remove the Executive Director, however it is prohibited from exercising managerial powers over the day-to-day operations of the school. The board of trustees will fulfill their fiduciary responsibilities, including but not limited to, the duty of loyalty and duty of care, as well as the obligation to oversee the school's budget. 603 CMR 1.06(1)

The Board of Trustees must ensure that school operates in compliance with all applicable state and federal laws including, but not limited to:

- Successfully completing the opening procedures process in accordance with G.L. c. 70, § 89; 603 CMR 1.00; and any guidelines issued by the Department;
- Requesting the Commissioner's appointment of any new trustees and receiving that approval prior to any new trustees beginning their service as members;
- Submitting timely annual reports;
- Submitting timely annual independent audits;
- Hiring, evaluating, and removing, if necessary, qualified personnel to manage the charter school's day-today operations and holding these administrators accountable for meeting specified goals;
- Approving and monitoring progress towards meeting the goals of the school's Accountability Plan;
- Adopting and revising school policies, including plans for student recruitment and retention;
- Responding to complaints in writing as required by 603 CMR 1.09; and
