ATTN: Mr. Matthew Yezukevich, Treasurer

Dear Mr. Yezukevich and Members of the Board of Trustees:

This letter is in response to a request regarding the need for our services to assist you in the search for a new Executive Director. Most other search firms do not seek out candidates for a position as we do for our clients. With our extensive regional and national associate base, Ray and Associates, Inc. will be able to recruit quality candidates from around the country, as well as within the state. We have often found excellent in-state candidates who would not otherwise have applied for the position due to a possible conflict of interest with a state or local firm. Our professional, objective procedures allow us to attract, process and screen the most successful candidates for a Executive Director position. You will also find our system is flexible, which allows us to customize the search to meet the desires of the Board.

Our firm has exhibited at the National School Boards Association (NSBA), National Association of Secondary School Principals (NASSP), the American Association of School Administrators (AASA), the

Association of Latino Administrators and Executive Directors (ALAS) and the National Alliance of Black School Educators (NABSE), as well as other professional organizations, for over forty-five (45) years. This year the firm exhibited and presented at numerous state school board associations. Exhibiting and presenting at these state and national organizations allows the firm to meet and recruit outstanding administrators for our clients.

It is our goal to make the selection process professional, efficient and successful to assure your complete satisfaction with our services. It is quite common for a Board to be concerned about the quality of candidates who might be available in today's job market. Outstanding administrators will need to be recruited regardless of the time of year or the position needing to be filled because many of these school leaders already have good jobs. We feel that our firm can be very successful in attracting candidates that will meet or exceed your expectations. With a consulting firm of associates located nationwide, Ray and Associates, Inc. has been able to develop the most comprehensive pool of candidates of any executive search firm in the country. Our reputation for success is built upon providing school districts precisely the type of candidate that satisfies not only the Board but the community and faculty as well.

Ray and Associates, Inc. strives to provide the School with the best match possible based on what we learn in our extensive interaction with the Board and key players in the search. It is our desire to activate our network on your behalf to locate individuals that can effectively assume the top executive post in your School.

In addition, our firm has the resources to offer an online survey option in many languages at no additional fee. We will provide a link to the survey to post on the School's website. The consultants will receive and organize all input data and then report the results to the Board.
8. Provide the Board with cost saving options to minimize expenses by utilizing Zoom, conference calls or gotomeetings to reduce paper copies, travel expenses and shipping costs.

 - Contact individuals in our firm's database whose interests match School criteria.
 - Actively recruit applications from qualified individuals.

STAGE 3 - RECRUITING AND SCREENING – CONTINUED

11. Develop and manage the candidate screening process. All applicants are screened from the perspective of a viable match with School criteria to determine their capabilities, strengths and weaknesses. The search team thoroughly reviews each file and seeks alignment of qualifications with School expectations. Those who emerge successfully from this screening are deemed viable candidates.
12. Check references provided and conduct additional background investigation of top candidates. Our firm interviews each viable candidate that meets Board criteria and verifies their qualifications and experience. Our background research team then conducts extensive investigations on those individuals. The investigations go well beyond listed references and their current position. A complete check of a candidate's work history is also completed utilizing online resources such as Google, Yahoo, Facebook, Twitter and other social media sources as well as checking for blogs.

STAGE 4 - CANDIDATE PRESENTATION

13. Provide the Board with an opportunity to observe each top candidate interviewed with questions specifically designed by Ray and Associates, Inc. through video technology. This will allow Board members to get a better perspective of each candidate in order to determine which candidates to interview. By offering this opportunity, this will save the Board members on expenses and their time.
14. Provide an impartial and objective consensus building matrix instrument developed by Ray and Associates to assist the Board in determining the finalists for an interview. We have been extremely effective working with Boards who are divided on issues and candidates.

23. Provide the Board with a report of the Board Self-Assessment Survey Results at no additional cost.

The Executive Director search services and process provided above can be adjusted to meet the specific needs of the Foxborough Regional Charter School.

WORKING WITH BOARD THROUGH EACH STAGE OF SEARCH

Stage One is Board Input and Preparation. The firm will meet with each Board member individually to obtain input for the profile development and meet with the entire Board to set the timeline for the search, finalize procedures and services desired by the Board, establish the Board contact person(s), discuss the application process, set the advertising and determine the salary.

Stage Two is the Profile Development and Process. Our firm takes the development of the profile very seriously. We will meet with employees and stakeholders as identified by the Board. We also will hold morning and evening open forums to collect input from the community. The purpose of the interviews and meetings are to gather and organize information that will contribute to the development of an accurate profile for the position. The Board will have the opportunity to review our recommendations and make the final decision on the desired profile.

Stage Three of the process is Recruiting and Screening. The firm's dialogue with constituents and interviews with individual Board members, coupled with survey results, provide our firm with an accurate profile that is employed in the recruiting and screening of applicants.

Stage Four is Candidate Presentation. Ray and Associates will bring before the Board 8-12 top candidates for their consideration. Board members will have the opportunity to not only review the application packet submitted by each top candidate but they will also have the opportunity to observe each top candidate interviewed with questions specifically designed to the search through video technology. This will allow Board members to get a better perspective of each candidate in order to determine which candidates to interview. In addition to the top candidate packets provided to the Board, we will have available to the Board each and every completed file for their perusal if they so choose.

Upon the completion of the review, Board members will be asked to individually complete a matrix which allows them to assess each top candidate against the others. The Ray and Associates representative will then provide the Board with a summary of the individual Board responses. This summary assists the Board members in reaching consensus on which candidates are worthy of an interview. Following these steps ensures that all Board members have an equal opportunity to be involved in the selection process. Ray and Associates will assist the Board in establishing the interview format and in developing interview questions.

Stage Five is the Selection of the Finalist and Future Planning. At the conclusion of the last interview, the representative from Ray and Associates will once again be onsite to lead the Board through a similar consensus building activity which has proven to be very successful in assisting Board members to reach a final determination of their finalist(s). It is also requested by some of our client school boards that the top two (sometimes three) finalists are brought back to the School for an open forum with the public. We provide a proven process for this as well that includes a moderator. Questions from the audience are submitted in writing to ensure that the candidates are only asked about legitimate issues related to the position.

We believe strongly that this process allows the final selection of candidates to be in the control of the Board. When Boards are provided with a limited number of candidates from whom to consider, the Board has only limited involvement in the search process. Through the outstanding discussions fostered by the consensus building instrument provided by Ray and Associates, Board members have overwhelmingly been appreciative of their strong involvement.

POINTS OF EXPERIENCE IN TIME OF COVID-19

During this unprecedented time of COVID-19, we, along with other firms, have had to adapt our way of thinking and practices in order to accomplish the task at hand – finding your next Executive Director.

We had searches in various stages when the outbreak of COVID-19 hit forcing school districts to close and states to issue shelter in place orders. Some of the ways we have adapted our search experiences are as follows:

1. First meetings with the Board and Board one-on-one interviews can be conducted electronically or by phone.
2. In addition to our current electronic 31 qualities survey, and in lieu of in person stakeholder meetings, we have conducted stakeholder meetings via Zoom with groups and members chosen by the Board/School.
3. Another option used to gather stakeholder/constituent group input is to place the stakeholder questions into Survey Monkey and providing the School with links for each group which they then distribute to the selected members of each respective group. Upon closure of the survey, we review and compile responses to the stakeholder questions. This information is used internally to assist in finding common themes, names of suggested candidates and possible interview questions.
4. If presenting the candidate packets to the Board in person is not an option, we can conduct a meeting via Zoom or other electronic means where we would provide the Board with links to the candidate packets as well as the one-way candidate Spark Hire videos.
5. If needed, candidate interviews can also be conducted electronically. We know this is not ideal, but it can be utilized to keep the process moving.
6. We realize an important part of the process is to have stakeholders meet the candidates. If that is not possible due to current conditions, we suggest an electronic forum for each candidate whereby the community can submit questions, a moderator would then compile the questions into a select number (given the time allotment) of various topics, and then ask those questions to the candidates (i.e. 30 minute time limit, 2 minutes per question, going alphabetically by candidate with one candidate completing their 30 minutes followed by the next candidate). If School technology allows, these forums would then be shown on the School meeting site or YouTube site.
7. This is YOUR search. We will work with you to devise a plan that works for you!

INCLUSION, EQUITY AND ELIMINATION OF INSTITUTIONAL RACISM

During these challenging times we articulate our organizational commitment to identifying and acting upon the changes that are needed to bring about inclusion, recognize the need for equity, and eliminate institutional racism.

We recognize social injustice, systemic racism, socio-economic limitations and the disparities associated with the identification and placement of school leadership personnel. Furthermore, this recognition has not only guided our recruitment and placement of school district leaders, it directly impacts our recruitment and selection of our search Associates and national office personnel.

Therefore, we will:

- **Declare inclusion as an organizational core value;**
- **Engage in intentional conversation and behavior around diversity and equity;**
- **Identify social justice as a behavior model impacting our school search practices;**
- **Recognize systemic racism as an equity problem for children's access to a fair, thorough and effective public education;**
- **Place equity, inclusion and diversity as major tenant of practice; and**
- **Use our voices and practices as instruments for change.**

As a broad-based representative, nationwide organization that focuses on the delivery of leadership search and selection services to school, we commit ourselves to the statements above.

Additionally, we will continue to ask ourselves the appropriate questions that help us focus on the delivery of our respective services through the lenses of integrity, equity, social justice and inclusion.

Finally, we will continue to bring forward the organization's forces of institutional leadership, advocacy, scope of representation, levels of expertise and spheres of influence in these areas from this day forward.

Join us as we: WORK together, ASK questions, LISTEN fully, and ACT meaningfully!

Ray and Associates, Inc. firmly believes in parent, staff and community participation, especially in the development of an accurate profile for the position. Our firm takes developing the profile very seriously as the profile is the focal point of our recruitment efforts. We are eager to interview each Board member individually and visit with stakeholder groups who attend scheduled meetings. We will meet with any employees and other stakeholders as identified by the Board. Our firm also offers the opportunity for the community, staff and parents to participate in morning and evening forums that are organized to solicit input via the survey process and create dialogue by asking a series of questions related to the desired characteristics of the new Executive Director. The purpose of these meetings will be to educate them about the process as well as to gather and organize information that will contribute to the development of an accurate profile for the position.

In addition, for those stakeholders unable to attend scheduled meetings, our firm offers an online profile survey option with space for written comments/recommendations which is available in various languages at no additional fee. We will provide you with a link to place on the School website. Our office will maintain, collect and analyze all information received and include this in the report to the Board.

Our process consists of Q and A sessions and the administration of our own 31 Desirable Characteristics Survey. This is culminated in an open meeting report to the Board of our findings and recommendations. We will present a tabulated and analyzed graphic report in which Board members' and stakeholders' survey responses are reviewed looking for those characteristics chosen most in common by the various groups and indicate those recommended or those thought to be worthy of consideration. On some occasions, two of the items may be combined when they are closely related in context. Those items that seem to be important to some groups but not to others may be used in the recruitment of candidates and as questions during the interview process by the Board. At the encouragement of the consultants, many survey respondents will provide additional comments to the Board which are presented as a part of this report. Our dialogue with constituents and interviews with individual Board members, coupled with survey results, provide our firm with an accurate profile that is employed in the recruiting and careful screening of applicants. The characteristics most commonly selected will be used later in promotional materials.

INTERVIEW PROCESS – COMMUNITY INPUT

Boards that have chosen the option to involve the public and employees during the interview phase of the search have found that we have been very effective in organizing this part of the process. Serious candidates who submit to being interviewed by personnel other than the Board itself are prepared for this by our consultants. Participants in these groups are requested to complete a "Candidate Impressions" form that is duplicated for each Board member's review and are requested not to rank the candidates.

It is also requested by some of our client school Boards that the top two (sometimes three) finalists are brought back to the School for an open forum with the public. We provide a proven process for this as well that includes a moderator. Questions from the audience are submitted in writing to ensure that the candidates are only asked about legitimate issues related to the position.

RECRUITMENT

Ray and Associates, Inc. maintains a working relationship with key individuals at the college and university level along with other national public and private organizations for the purpose of recruiting outstanding candidates. However, we are not directly connected with any college, university or any other organization. This allows our firm to be extremely objective in the search process. We stay abreast of the performance of outstanding school administrators throughout the country, which has contributed to our high success rate.

Our firm maintains a very large pre-screened database of top candidates who are interested in new and challenging positions. The strengths and administrative skills of these potential candidates have been analyzed by the firm. However, it is important for our clients to know we are not a placement service that owes any favors to prospective candidates. Our professional objective is to aggressively recruit and advertise for the best candidate who meets the qualifications and characteristics of a Executive Director as set forth by the Board. Our recruitment process is very comprehensive, highlighted by the following steps:

- Largest recruiting network in the country
- Inform the firm's associates of the position and seek recommendations
- Advertise in local, regional and national venues known for high readership by school leaders
- Consult our extensive database for precise matches between School and candidate profiles
- Aggressively recruit successful school leaders who are not currently seeking a new position to invite them to consider the Foxborough Regional Charter School position
- Contact other organizations at state, regional and national levels regarding the position
- Proactively seek out potential candidates at state and national conventions

SCREENING, REFERENCE CHECKS, INTERVIEWS AND FINAL SELECTION

Once recruited, all applicants are screened from the perspective of a viable match with Board criteria to determine their capabilities, strengths and weaknesses. The search team thoroughly reviews each file and seeks alignment of qualifications with Board expectations. Those who emerge successfully from this screening are termed viable candidates, and our background research team then conducts extensive background investigations and internet checks on those individuals. The investigations go well beyond listed references and their current position to include contacts with state associations and national leadership organizations such as American Association of School Administrators (AASA), Association of Latino Administrators and Superintendents (ALAS) and National Association of Black School Educators (NABSE). Our firm also checks current and past relationships with administrators and verifies candidate's education and work history utilizing multiple internet sites and social media feeds. We not only vet candidates extensively in their professional career, but it is also important for us to be familiar with their personal life as that can have an impact in their profession. The candidates who meet the qualifications selected by the Board become top candidates.

As part of the candidate presentation to the Board, Ray and Associates will bring before the Board 8-12 top candidates for the Board's consideration. Board members will have the opportunity to observe each top candidate interviewed with questions specifically designed to the Executive Director search through video technology. The Board will also have a chance to review the application packet submitted by each top candidate.

Upon the completion of the review, Board members will be asked to individually complete a matrix which allows them to assess each top candidate against the others. The Ray and Associates representative will then provide the Board with a summary of the individual Board responses. This summary assists the Board members in reaching consensus on which candidates are worthy of an interview. Following these steps ensures that all Board members have an equal opportunity to be involved in the selection process.

Ray and Associates will conduct criminal, civil litigation, social security, motor vehicle record checks and verification of educational degrees on the top 2-3 candidate(s) through an outside service at no additional cost.

SECTION II

MONITORING THE SEARCH PROCESS - CLIENT CHECKPOINTS

The Board's role is the most important one in the search process. Although we assist you in the process by actively recruiting, identifying and recommending qualified candidates, you alone will determine which candidate you will hire.

Our search process is set up in a manner that provides the Board with a continuous monitoring capability which features clearly defined checkpoints:

Timeline	• Establish a timeline for the process
Input	• Determine the input process
Qualifications	• Set the Executive Director qualifications
Flyers	• Review and approve informational flyers and application forms
Progress Reports	• Receive regular progress reports from the consultant
Interview Process	• Approve format and questions for the interview process
Candidates	• Select candidates for final interview
Hiring	• Hire the candidate
Contract	• Determine and approve the contract
Press Release	• Approve the press release

These check points assure that you know the progress of the search and have the information to be fully informed and in control of the search.

SECTION III

SEARCH COST – THE COMPLETE PROCESS

The cost of our Proposal is for a complete search. The Board will be guided and assisted by Ray and Associates, Inc. at every step in the search process from the initial phase of determining the desired qualities for the position through the actual hiring of the new Executive Director. Our process is flexible. If the Board desires a different approach or would prefer certain options other than those provided in our Proposal, we can adjust our process to meet your specific requirements.

COST BREAKDOWN

The Consultant Fee. The base fee for the performance *of both the Interim and final selected Executive Director* search by the consultant as provided in this Proposal will be eighteen thousand dollars (\$18,000.00). If the Board selects only certain elements offered in this package, or requests services not included in this package, our fees and reimbursed expenses will be adjusted accordingly. The firm will discuss any modifications relating to the search fee regarding our services at the formal presentation. The Executive Director search fee shall be paid in three (3) installments; 1/2 of total fee is due upon signing of the contract; 1/4 of fee is due at the time of the stakeholder meetings; and the final 1/4 of fee is due when the Executive Director is officially hired by the School.

We will provide the Board with criminal, civil litigation, social security, motor vehicle record checks and verification of educational degrees for the top (2-3) candidates at no additional fee.

There is no charge by Ray and Associates for the services to assist the Board in negotiating a contract with the new Executive Director and the development of the contract terms.

Consultant Reimbursed Expense. Certain expenses, including travel, lodging, meals, shipping, and other search related expenses will be kept to a minimum and are to be reimbursed by the School. Said expenses will be invoiced as they occur and will include a detailed account listing of such expenses.

Candidate Expenses. **If the School determines to reimburse candidates for interview expenses, expenses may include travel, lodging and meals for the candidate and spouse. Candidates are to submit all receipts and expense documentation to a designated individual at the School and said expenses will be paid by the School as they occur.**

Cost Saving Expense Options. Ray and Associates, Inc. is aware of budget concerns and therefore offers several cost saving options: 1) Conduct 3 meetings with our consultants via Zoom, conference call or gotomeetings, which could potentially save thousands of dollars in travel expenses; 2) Utilize our materials electronically (either via e-mail or a flash drive); and 3) Boards may conduct 1st round candidate interviews via Zoom to reduce candidate travel expenses. Once the Board narrows the candidates down to two or three finalists, the finalists will interview in-person with the Board.

PERFORMANCE CONTRACT

Ray and Associates, Inc. will provide a written agreement between the Board and the consulting firm which will contain the provisions of this Proposal and any modifications or changes mutually agreed by the parties.

Our associates make recommendations and the Board has the final authority on frequency and dollars spent. ***(Schools typically spend an average of up to \$1,500 on advertising costs.)***

Ray and Associates, Inc. does not collect a commission for placing the ads.

SECTION IV

CONFIDENTIALITY

The nature of our work and our ability to carry out our responsibility to you is directly related and dependent upon our present and past experience in providing similar services to others. *The firm will preserve the confidential nature of any information which becomes available to the firm resulting from the services rendered to the Board.*

As our client, you also need to maintain the confidentiality of information provided by Ray and Associates, Inc.

FOLLOW-UP AFTER THE SEARCH: BOARD SELF-ASSESSMENT SURVEY FOCUS ON FUTURE PLANNING

Included in the base fee, the consultants from Ray and Associates, Inc. will spend time with the Board reflecting upon current Board governance procedures. In respect to governance and School initiatives, we have found that there is really no better time than very early in the tenure of a new Executive Director to assess issues and expectations.

ROUND 1: At the conclusion of the search, we will provide the Board with a link to an online survey concerning current School governance practices as well as key School challenges and opportunities for improvement. Assessment results are then analyzed and shared with the Board and the new Executive Director. The results can be emailed, presented in-person or via Zoom.

ROUND 2: About six months after the new Executive Director begins, we will provide the survey again to be completed by the current Board and the Executive Director. As in round one, at no cost to the School, the results will be analyzed and shared with the Board and Executive Director to assist with teambuilding every year thereafter as long as that Executive Director is in tenure.

Through the aforementioned process, we are afforded an in-depth view of your school School. As part of our presentation, we will also provide insight and suggestions for organizational improvements. Ray and Associates has developed several training/workshops targeted at increasing organizational performance and efficiency which may be of interest to your School at this time of significant leadership transition. Our firm belief is the workshops/training can increase the effectiveness of both the Board and Executive Director, enhance their relationship, and provide for an optimum learning environment to improve student achievement.

SATISFACTION GUARANTEED

We provide a termination provision in our contractual agreement with the Foxborough Regional Charter School. If the Foxborough Regional Charter School or Ray and Associates, Inc. terminate this agreement, the Foxborough Regional Charter School will be charged only for the work performed and expenses incurred up to the date of termination.

If the Board is dissatisfied with the new Executive Director within two years from the date of employment of the Executive Director and if either party dissolves that relationship by resignation or termination within a two-year period of the initial employment, with the exception of: acts of God, health issues, or the awarding of severance payment to the departing Executive Director, the firm of Ray and Associates, Inc. will conduct a new Executive Director search at no cost to the School, except for expenses.

Furthermore, we do not recruit candidates we have placed for a minimum of 5 years.

Leaders in Executive Searches

"What school boards say about Ray and Associates"

"In a somewhat constricted timetable, they lead a process to gather information from all stakeholder groups on the characteristics that should be prioritized in the search, managed the application and interview process, and organized a busy day of in-person forums and zoom meetings for stakeholder groups. The entire team at Ray and Associates lead and supported every aspect of our search process."
