## II. Leadership Report

### A. Awards, Honors, and Recognition

An FRCS Student, **Jade Moynihan**, has been elected to the position of President of the Student Executive Board with the Massachusetts Association of Student Councils. This honor is not just a first for FRCS to have a student hold a position on this board but also the first time a charter school student has held this position. Congratulations, Jade!

Events this year have been modified for student involvement but we have persevered with the following

- Regional Science Fair
- Debate Teams

### B. Equity & Inclusion

- Joined the Diversity Network with the Department of Education where we have been meeting with other schools in the state.
- Last year we focused on recruiting.
- This year we are focused on retaining staff.
- Held 3 meetings so far this year. The last one will be in May
- Working on building relationships with colleges/universities to recruit new staff
- Joined the New England Minority Network this year
- Dave Elsner and Christiana Benson have been working on a student internship program for HS students in the ES.
- Working on making connections with FRCS graduates to be ambassadors for our school
- Updated our Middle School program to be more culturally responsive
- New diverse hires include: Executive Director and a School Nurse

### C. Personnel Update

Dr Luis Soria joined us for his first BOT meeting despite his start date not being until 01JUL2021. We are all excited to get started on a new chapter at FRCS under his leadership.

The search for a new Executive Director has taught us a lot about best practices on process of selection of a candidate. We plan on adopting this for other positions as it is more transparent.

We made an offer to a outside candidate for the position of Middle School Principal who was turned down to take a position closer to home. The position has been reposted and we have 2 interviews set up.

#### **D. Special Topic**

##### **Parent Advisory Group PAG**

- New parent advisory group has been created and the plan is to provide feedback throughout the year.
- Supports faculty, families and encourages wellbeing and quality of education for FRCS students. It is meant to be a springboard between the parents and school administration to increase parent involvement and support the mission /vision of the school

##### **Reports from the Principals**

Christiana Benson, Ben Dyer and Mike Cournoyer presented their annual goals and achievements for this year in the schools. Please see attached presentation from the three Principals. The BOT thanks them and their staff for all their hard work during this challenging year.

Matt Harris let the BOT know that Ed Lucy will be leaving the school after years of service. He has seen the school through multiple expansion projects and the transition to virtual learning. We are all very fortunate to have had an opportunity to have worked with Ed and wish him the best of luck in his new position closer to home.

## **C. Finance**

### **FY2021 Budget**

- There was an error in the Above Foundation Rate for the 3rd quarter. Details are still pending from the state.
- Spending is lower this year due an effort to spend conservatively this year. Thus, we are in a strong financial position.
