E. Governance

The board reviewed the overall board assessment that was just completed. Board Recruitment is a crucial area for the board to focus on in FY22. The Board of Trustees

would like to get to 7-9 total board members. The hope is to add members with skills that will round out the skillsets of existing members and administration. A focus on skills in either law or Human Resources is desired.

The board would also like to improve in the area of Board Goals. This and increasing the number of board members would be easier if we had job descriptions for all board positions and committees. Susanna Girard took an action item to send Board on Track's Templates for Committee and Job descriptions. The board members to an action to review the appropriate files and come to the next meeting with proposed changes and to make progress towards adopting FRCS Board of Trustees Job Descriptions and Committee Descriptions.
