III. New/Old Business

A. Proposed School Shut Down Week

Luis Soria & Annie Azarloza both attend the Southeast Regional Alliance for Charter Schools and the Charter Leaders of Color. They noted that at least five charter schools that they know of do a shut-down in the summer for a week to a month, usually in July. So they jointly proposed a week shut-down this summer to give the year-round staff the entire week to celebrate the fourth of July. The proposed shutdown would impact approximately 30 staff members. Annie has checked with all departments to ensure the week shut-down would not affect any summer projects. Finance, however, will be preparing for the annual audit, so the proposal included a delayed week off for the finance team to take after the audit in July.

Susanna Girard asked the finance committee to look into the possibility of making the shut-down a more permanent part of our calendar as a benefit to year-round employees.

Matthew Yezukevich made a motion to add a week shutdown to the school business calendar for the week of 04JUL2021 and allowing the finance department to take a week off in August in place of the July 4th week.

Susanna Girard seconded the motion.

The board **VOTED** to approve the motion.
