B. Diversity, Equity & Inclusion

Dana Benton-Johnson provided an update to the Board on creating a Board Committee for Diversity, Equity, & Inclusion. The students will continue to have an advisory board with students and staff to be a part of outside of Open Meeting Law but would like the opportunity to have a Board level Diversity, Equity, & Inclusion Committee as well.

C. Personnel Update

- There are approximately twenty-three positions posted for FY23. No new hiring is expected to happen this fiscal year except for twelve month positions.
- The only exit this month was the Director of Operations which is a District Role.

B. Leadership structure FY23

Annie Azarloza and **Heidi Berkowitz** recommend we move forward with a consultant to assist the Senior Leadership for FY23. The feeling is that having an interim Executive Director would be a lot of change that is not needed at this time.

The School is working with a consultant on other matters and feels she, Gianna Cassetta of Red House Consulting might be a good fit.

Julia Garcia will work with Annie and Heidi to identify the statement of work for the roll and then look to see who will fill it. Money can be shifted within existing budget for this role.

We will no longer need to post the Interim Executive Director Roll on hiring web-sites.

Susanna Girard made a motion to authorize Julia Garcia to remove the interim Executive Director position from websites.
