B. Personnel Update

Interviews continue as there are still ~38 open positions that need filling. Special education is the most understaffed at this time with 12 of their 20 positions open. Lori Obenchain is making strategic changes to ensure we meet the IEP plan requirements and not burn out the staff she has.

III. Policy Review

A. First Reading of New/Changing Policies

Staff Recruitment & Retention Committee Scope

The Board discussed if the composition should be different than proposed after just hearing the feedback from staff. Susie Girard explained that trust couldn't be built unless it is given a venue for it to happen. There are still TAG, DAG & Parent Advisory groups where more private conversations could be worked through. Those groups should be supported so they are well managed.

- Add Employee Handbook to the scope of the committee
- Add a method for repeated feedback throughout the year

B. Second Reading of New/Changing Policies

- **Attendance Policy** - Tabled
- **Finance Committee Scope**
 - Add Manage Annual Budget Calendar
- **Student Recruitment & Retention Committee Scope**
 - Correct spelling error
