B. Call the Meeting to Order

Todd Tetreault called a meeting of the board of trustees of Foxborough Regional Charter School to order on Thursday Dec 21, 2023 at 8:08 AM.

C. Approve Minutes

This agenda item is deferred to the next meeting after Mr. Tetreault determines all minutes of meetings that are outstanding to date.

II. Finance & Facilities

A. Elementary School Roof

Mr. Yezukevich reviewed the proposal submitted by the design firm for the replacement of the elementary school roof. There were nine responses to the RFQ, and Studio Umbra was chosen as the most qualified firm for their experience in completing the middle school roof and their specification of a timeline in the RFQ. The project will start in June and be completed by the end of the summer before the school year.

The total cost of the roof is estimated at \$3.1M, which is 75% of the cost of the middle school roof. In addition to the replacement of the roof, replacement of the HVAC system housed in a small structure on the roof is being considered part of the project with an estimate of \$500K. Although within two to five years of its useful HVAC life, the recommendation is to replace it now, rather than incurring the cost of ripping up the new roof to replace the system at a later time. Additionally, while the team is on-site, replacement of the high school gym HVAC is also being considered and will be decided in January.

Matthew Yezukevich made a motion to allow the execution of a contract with Studio Umbra as presented in the proposal and to authorize Mr. Yezukevich to sign the contract. Badawi Dweik seconded the motion.

The board **VOTED** unanimously to approve the motion.
