E. Finance and Facilities

Mr. Yezukevich reported the following:

- Six weeks left to the FY24 budget; tuition reimbursement expected from state with no major hit; no surprises for expenses.
- FY25 budget will be brought to the Board for vote in June; another meeting may be scheduled if necessary for review purposes.
- Placeholder for costs related to union negotiations.
- Due to cost increases from long-term transportation vendor, RFP yielded a quote of \$2.36, \$.5M less than budgeted \$2.5M.
- Health insurance increase at 9.2% at \$1.75M coordinated by health insurance consultant HR Knowledge; less than surrounding districts; same employer/employee share.

Following advice from Ms. Calvert of a meeting on Friday for the purpose of locking in the quoted rate, and due to the fact of a potential real impact of not addressing this issue in the current session, the Chair made the audible decision on its merits to add this item to the agenda. Due to its time sensitivity, the members agreed that, in the best interests of personnel to provide the best benefit, it was prudent to vote on this item tonight independent of the budget.

Todd Tetreault made a motion to To allow senior leadership to execute the health insurance contract with Tufts or whoever successor entity is, up to \$1.75M for FY25 with no change in employer/employee share of costs.

Matthew Yezukevich seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. Policy Review

A. First Reading

No first readings.

B. Second Reading

Ms. St. Brice led the discussion on the second reading of the employee handbook as follows:

- Suggested changes from last meeting documented in packet list.
- New section 8.4 induction and mentoring added on pgs 69-71.
 - The employee handbook lays out all regulations for school staff to follow; however anything specified in the collective bargaining agreement supersedes the handbook; otherwise the policies default to the employee handbook.
 - The employee handbook applies to everyone *not* in the union.
- Two more policies to be added apply to the fact that any organization receiving over \$25K in federal funding has drug and alcohol use policies and these will be read as the first reading at the June meeting.

Following discussion, it was agreed that the above policy would be listed as a first reading and when approved the entire handbook will be listed as a second reading and subject to approval.
