E. Interim Assessment Review and Update

In Ms. Foley's absence, Mr. Romer suggested that the Academic Excellence Committee take the matter of assessment review to committee for in-depth study and report back to the Board.

IV. Updates and Reports

A. Committee Reports (Finance/Facilities, Governance, DEI, Academic Excellence)

Finance and Facilities

Overall Net Operating Income trending lower than budget due to offset based on salary adjustments. Next meeting of the FinCom is March 7.

DEI

Efforts underway to bring in new members to support administration and school.

Concerns on federal policy with regard to immigration enforcement being addressed.

B. Policy Review

Mr. Romer noted that, since Taunton's enrollment has been increasing over the past four to five years to be one of the top five sending districts, leadership has explored whether it

makes sense to formally make the town part of its sending districts. Up to this time Taunton's increasing enrollment has been possible because of the way the lottery works and the relative availability of spaces in different grades for the initial enrollment of a student and the guarantee of enrollment for siblings.

While FRCS now offers a fee-based regional transportation to a large majority of families, as a larger district it could take part of the state reimbursable transportation program. This program mandates transportation to all families. Taunton is geographically the farthest away, and while offering a protection to Taunton families, it would set a higher bar overall for the district to meet.

Following discussion with the Finance Committee, it was agreed not to add Taunton as a formal district. The decision does not impact Taunton's ability to enroll students.

C. Community Groups (FEA, Foundation, ELPAC, SEPAC)

No updates.

V. Administrative/Housekeeping (Trainings, Member Reminders)

A. Board Retreat

Mr. Martin reported that an offsite strategic retreat of the Board will be scheduled in May. External facilitators will be interviewed. Suggestions were made for a) a weekday half-day morning retreat as well as a mid-day-evening retreat with dinner; and b) possible off-campus retreat at Wheaton College.

Ms. Berkowitz will send out a doodle poll for available dates.

She will also put together a suggested table of contents for a Board binder to distribute to members for the purpose of onboarding the two new members with copies to existing members, as well as a "welcome" FRCS logo gift.

B. Trainings

Mr. Martin reminded the new Trustees to attend DESE's open meeting law training. All board members need to attend conflict of interest training on March 9th.

Heidi Berkowitz has created an onboarding binder with key FRCS and Charter's information for new members, as well as current board members.
