C. Approve Minutes

E. Severinghaus made a motion to approve the minutes from KIPP MA Teaching & Learning Committee Meeting Oct 6, 2025 on 10-06-25.

The committee **VOTED** to approve the motion.

II. Teaching and Learning

A. Student & Family Experience

A member of the KIPP MA Team shared YouthTruth results. He gave a high-level overview of student groups and administration.

Strengths included sense of belonging, while student culture was an area for growth.

This is the clearest/fairer baseline year, as more grades took it compared to in years past.

The team is putting together focus groups to help make meaning and propose solutions as a way to follow up on the data.

A member of the KIPP MA Team then reviewed family survey results.

A member of the committee drew attention to the last question on the survey regarding "2 positive interactions" with staff.

It was suggested that we should add questions around whether families believe their student is currently reading and/or performing math on grade-level.

A member of the committee asked if teachers complete a survey that addresses family engagement, and a member of the KIPP MA Team said they could share relevant TNTP questions at a future meeting.

B. Middle-of-Year (MOY) Student Assessment Results

A member of the KIPP MA shared middle-of-year DIBELS and iReady outcomes and asked for feedback in advance of the February Board meeting.

The committee suggested that the team highlight historical knowledge.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:30 PM.

Respectfully Submitted,
