L. Wedinger had a further conversation with T. Castanza. He is investigating professional development opportunities and he will provide documentation to Exec Committee. At other schools, executives must stay for a year or pay back cost of education or executive development. G. Winn suggested looking at PD for admin team and invest in employees within reason. Continuation letter stated \$125K and at-will employee.

R. Kerr asked G. Winn to make sure salaries are correct in the budget. G. Winn will get documentation for salary and payroll procedures. After payroll error is understood, we will look to automate. This will be discussed in Finance Committee along with contract register. Meeting moved to July 15th. Task force items are complete and will be dissolving. Professional development will be taken up in committee.
