The discussion also included adding a social media clause to the job description however it was agreed that the media clause should be included in the Code of Ethics. The Code of Ethics will also be reviewed to make sure the confidentiality language coincides with the language proposed for the Board job description.

B. Protocols for Using Board Email

The committee believes there should be protocols developed concerning communication between the Executive Director and the Board through the Board email. Should there be response time requirements; should communication occur through the committee heads; how should the executive director respond; can the Executive Director have appropriate staff members respond. A draft of the protocols will be developed and presented to the Board.

C. Board Recruiting & Commitment from Current Trustees

Recruitment of new Board members is essential to growth, necessary to allow for succession and to prevent Board member burn-out. Recruitment through known channels has not been effective. Discussion was had as to new recruitment methods and whether attempts should be made to recruit committee members as opposed to full board members, with a goal of adding one or two of the committee members to the Board. It was suggested that we participate in a session with Board on Track concerning

ideas for recruitment. Also discussed, was the re-commitment of present Board members.
