- The position of Dean of Diversity, Equity & Inclusion for next year will be posted by April 26th;
- The student admission lottery held on April 5th went very smoothly; we are nearly full in 1st, 3rd and 4th grades and have a waiting list for all grades with great interest in 1st grade seats; we are still waiting to hear from some families;
- Many families want to visit the school building so we will arrange a virtual tour for them;

- Tomorrow is the 1st day of NYS ELA testing for 3rd grade students; approximately 50% of our 3rd graders opted out of the testing; NYS Math exam will be given on May 6th; thanked all those who helped with testing preparation and accommodations;
- Kim Santiago, our NYSED liaison will be coming here for a check-in visit on May 14th; the 1st part will be classroom visits; the 2nd part will include talking with school staff, teachers and school leadership team members; NYSED has not asked for any data, but we will share our assessment data since we are ahead with the data NYSED wants; the visit should last about 2 hours and
- The virtual *Joint Public Hearing* for space expansion was held April 19th at 6pm; 62 people were in attendance; there was a lot of community support for our expansion; many family members spoke about what our school means to their children; the Panel on Educational Policy will vote on our proposed expansion on April 28th.
- Spoke to Interim Acting Superintendent for District 31, Dr. Wilson was very impressed with the support shown for our school at the Joint Public Hearing; also discussed Bridge Prep partnering with other Staten Island schools.
